"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Quiero cambiar. Necesito cambiar.... Yo no soy así, pero poco a poco estoy perdiendo el contacto conmigo misma. Adulterio, la provocativa nueva novela de Paulo Coelho, explora el verdadero significado de cómo llevar una vida plena y feliz. ¿Cómo podemos equilibrar lo cotidiano con el deseo de algo nuevo? Para todos los que la conocen, Linda lleva una vida sacada de un cuento de hadas: un marido que la ama, unos hijos adorables, una exitosa carrera como periodista y una hermosa casa. Viste la mejor ropa, y cada año viaja con su familia a los lugares más exóticos. Su vida privilegiada es la envidia de muchos. Pero un día, una entrevista con un famoso escritor lo cambia todo. "No tengo el menor interés en ser feliz. Prefiero vivir enamorado, lo cual es un peligro, pues nunca sabes qué vas a encontrar más adelante". Impresionada por los comentarios del autor, Linda empieza a reevaluar su vida y se sorprende al descubrir una profunda tristeza detrás de su impecable fachada. A pesar de todo lo que tiene, a Linda la atormentan los riesgos. Anestesiada por la rutina, al orden de sus días y a su matrimonio de diez años les falta pasión. Cuando la depresión la consume, nada la ayuda – ni el yoga, ni libros de autoayuda, ni los viajes de fin de semana. Nada hasta que un encuentro casual con un ex novio enciende la llama que le da un nuevo sentido a su vida. Jacob König es un hombre con una prometedora carrera política, pero quien también lucha en secreto contra la infelicidad. Mientras Linda y Jacob reinician su pasión, Linda se vuelve adicta a lo prohibido, a la emoción de vivir sus fantasías en una relación ilícita. Pero cuando esa adicción amenaza con consumir toda su vida, Linda tendrá que enfrentarse a sus más profundas emociones y tomar una decisión final.

Part memoir and part self-help book, Breakthrough: A Courageous True Story of Overcoming Depression and Anxiety chronicles Odion's personal journey through her struggles with depression and anxiety and lists the resources that helped her come up with a coping strategy that allowed her to make it through the darkness. Each chapter focuses on a different aspect of life that acts as a trigger for mental illness, from family and romantic relationships to careers, loss, and body image. Odion's story is one of struggle, loss, and hardship, which she tells with vulnerability, strength, humour, and hope. Whether you are reading Breakthrough to understand your own depression or that of a loved one better, Odion's journey will serve as an explanation and an inspiration. Break through depression and anxiety with this book. It is practical, relatable, and successful guide to removing the dark clouds that shade you or your loved ones. Whether it be in regards to relationships, finance, health, or other triggers, this book will allow you to see that you are not alone and help you take the next step toward a better life. "Her ability to be vulnerable and not shy away from dark topics but still manage to inject humor is a talent. "Her explanation of globalization described those with anxiety to a T and helped me understand those around me.I have experienced how this book is able to help people relate better to loved ones, so mission accomplished!" Rose Morris, MA, Member of the West Coast Feminist Literary Magazine Society "Odion shares with us her journey and what has worked for her to get beyond depression. I think this is a great resource for others who are facing their own challenges and just knowing that you are not alone can provide a great sense of support, and encouragement." ~ Dave Sinclair ~ Transition Advisor & Coach "The rawness of her pain created the power of the unstoppable woman within her."~ Dr. Rose Backman

THE GROSTON RULES is an edgy book for high school readers. With suspenseful twists and turns, it is a captivating and lighthearted high school tale about teens in trouble, surviving high school through their strong friendships. Adults, young adults and mature teens won't be able to put it down, because the story is as much about teen survival and unschooling as it is a young adult coming of age tale, rife with dark humor, teen comedy, fuck ups, and the occasional raunchy teen story. It's a fast paced laugh out loud book that teenagers will actually read – a naughty high school teen comedy that you can't put down. All they wanted was to get high and graduate... Isaac, Adam, Helen, Charlie, Sean, Jésus and Rover had planned on coasting through their final semester at Ashby Bryson High. Get stoned, play video games, get into college, and get the hell out of Groston. Instead, the shit kept hitting the fan – over and over and over again. Fights, floods, freezes.... And then school got shut down. So, they threw the rules out the window and made up their own. The very first novel to be serialized on Spotify! Advance Praise for THE GROSTON RULES: "A group of high schoolers deals with mishaps and disasters six months before graduation in this coming-of-age novel.... Immensely likable characters on an enthralling and entertaining journey." – Kirkus Reviews

Advocates within the growing field of children's rights have designed dynamic campaigns to protect and promote children's rights. This expanding body of international law and jurisprudence, however, lacks a core text that provides an up-to-date look at current children's rights issues, the evolution of children's rights law, and the efficacy of efforts to protect children. Campaigning for Children focuses on contemporary children's rights, identifying the range of abuses that affect children today, including early marriage, female genital mutilation, child labor, child sex tourism, corporal punishment, the impact of armed conflict, and access to education. Jo Becker traces the last 25 years of the children's rights movement, including the evolution of international laws and standards to protect children from abuse and exploitation. From a practitioner's perspective, Becker provides readers with careful case studies of the organizations and campaigns that are making a difference in the lives of children, and the relevant strategies that have been successful—or not. By presenting a variety of approaches to deal with each issue, this book carefully teases out broader lessons for effective social change in the field of children's rights.

A woman around her thirties begins to question the routine and predictability of her days. In everybody's eyes, she has a perfect life: a solid and stable marriage, a loving husband, sweet and well-behaved children and a job as a journalist she can't complain about. However, she can no longer bear the necessary effort to fake happiness when all she feels in life is an enormous apathy. All that changes when she encounters an ex-boyfriend from her adolescence. Jacob is now a successful politician and, during an interview, he ends up arousing something in her she hadn't felt for a long time: passion.

At the beginning of a new writing project—whether it's the first page of a new novel or a less ambitious project, writers often experience exhilaration, fear, or dread. For Kristjana Gunnars, the call of a new project is "like someone you don't know knocking on your door—you either choose to let the person in or not. It's both exciting and dangerous to start a new manuscript." This book is an engagement with that "stranger" called writing. Creative or imaginative writing is a complex process that involves more than intellect alone. Writers make use of everything: their sensibilities, history, culture, knowledge, experience, education, and even their biology. These essays seek out, and gather into a discussion, what writers have said about their own experiences in writing. Although the writers are from around the world and of very different backgrounds, the commonality of their remarks brings home the realization that writers everywhere are grappling with similar problems—with the seemingly simple problems of when, where, why, and what to write, but also larger questions such as the relationship between writer and society, or issues of privacy, appropriation, or homelessness. While none of these questions can be definitively answered, they can be fruitfully discussed. Originating as questions posed in creative-writing seminars, these essays have grown into companion texts for both writers and readers who want to participate in a conversation about what writers do.

Every parent brings her/his child into the world wishing that the child will be healthy, happy, and successful. What is SUCCESS and what is the SECRET of being successful? There are two different ideas in the education world. Does the child develop a personality -by nature or by nurture?- Even if we accept both views to a certain degree, we need to know that every minute, we can educate and change ourselves by improving our brain's functioning. In recent years, even people who were raised under difficult conditions have been able to find opportunities to improve and educate themselves, thanks to self-help books. This book draws on my educational and professional experience on child psychology as well as on information derived from other helpful books. We should perform our parenthood duties as set forth in the famous Khalil Gibran poem, -Children-. At the end of my book, an unexpected surprise will surprise you. Please read until the end of my book to learn what the surprise is.

Dr. Ariel Orama López published a new theoretical framework based on Creativity and the recent findings of Neuroscience: the textbook is called CRËATIVE SYNAPSE: CRËATE.YOUR.UNIVERSE© (2013). It is the first theoretical framework that explains the behavior of the human being by integrating the following variables: creativity, neuroscience, and the new influence of the virtual universe. The collection book will be presented in the atrium of the Museo de Arte de Puerto Rico on Wednesday, September 11, 2013, in a distinguished context of artists, health professionals and academics. Dr. Gregory J. Quirk, a prominent American researcher specialized in Neuroscience & Luca Spaghetti, the well-known Italian amico writer -who served as a guide to Elizabeth Gilbert on her journey through Italy while writing Eat Pray Love- elaborated the prologues of this substantial investigative work of thirteen years: they provide in their prologues a nourished and accurate view of this text book, according to their experiences. The art of the book includes the precious paintings and drawings of Ektor Rivera, Celestino & Ramon Bruin (from the Netherlands). The text arises from a practical & theoretical framework created by Dr. Ariel Orama López that departs from his preparation, experience and knowledge in science, human behavior, natural sciences and performing arts. It includes experiences of the author -with a logbook on his sensible hands- in contexts gifted with creativity and spirituality such as Mexico, California, Spain and Italy. The book appeals to artists, academics, psychologists and to the general public. It is published in Spanish and English. It can be acquired in different libraries of the World, including Amazon, Barnes & Nobleand Sony.

From learning how to jump obstacles on horseback in the Modern Pentathlon to competing in triathlons in France, this is an action-packed autobiography of a young South African athlete sharing her dream of becoming a world champion. A dream which seemed impossible during the sports boycott against apartheid. Dr Sibis Mouton speaks to us from the heart as she ranges from her childhood, her family, to her travels around the world and her internal journeys, heart-aches and victories. Life experiences, like swimming with the dolphins in the Miami Keys or photographing the famous Masai Mara migration in Kenya, are given deeper spiritual significance and take us on a mystical journey to discover the meaning and purpose of life. This is an uplifting and inspiring story that should convince the reader that life is indeed a miracle to be enjoyed and treasured.

Traducere de Simina Popa Singura ei vin?: a fost o femeie liber?. O dansatoare care a ?ocat ?i a fermecat publicul. O curtezan? care a sfidat rigorile vremii. O spioan? – poate cea mai faimoas? – care i-a subjugat pe puternicii zilei. Înalta societate a adulat-o ?i a detestat-o, ziarele au elogiat-o ?i au condamnat-o. Sub numele de Mata Hari a devenit un mit, iar arma ei a fost seduc?ia. La începutul efervescentei Belle Époque, pe scenele de la Scala ?i Olympia, Mata Hari aprinde imagina?ia contemporanilor s?i. Are b?rba?ii la picioare ?i for?a de a-i manevra dup? plac: arti?ti, aristocra?i, diploma?i ?i oameni de stat sunt tot atâtea marionete în jocul ei periculos. Dar zarurile sor?ii nu cad de multe ori la fel, iar tân?ra, aflat? mereu într-o frenetic? reinventare de sine, scap? din mâini frâiele propriei vie?i. La aproape un secol de la moartea ei, Paulo Coelho recompune, pornind de la documente de arhiv? nepublicate, portretul captivant al uneia dintre cele mai enigmatice, curajoase ?i independente femei din istorie. De la copil?ria într-un or??el olandez, la via?a traumatizant? al?turi de un ofi?er alcoolic în Java ?i pân? la anii de glorie în capitala Fran?ei, Spioana e un puzzle fascinant ?i o lec?ie admirabil? despre echilibrul fragil dintre nonconformism ?i luciditate.
