This book talks about how to make your children feel your love. What is the biggest meaning of having a baby? It is not about his achievements but rather the strength of emotional connections between you two. One-way feelings are mostly wishful thinking. Let the child know that you love him or her, then his or her love for you can be conveyed back. Do you want to feel your child's love?

Guji Guji is not a crocodile, nor a duck, but a crocodile duck! A story that embodies love, tolerance, and self-identity. A crocodile egg that accidentally hits and rolls into a duck's nest, under

the care of the duck mother, successfully hatches the baby crocodile Guji Guji. Although its appearance is very different from that of the duckling, my mother still treats it with the same affection as other brothers and sisters. Until Guji Guji meets three crocodiles with bad intentions, it falls into a series of inner struggles of resistance, depression, and self-doubt... The love and tolerance of the duck family for Guji Guji has long transcended race.
