Personality Plus is an early novel by American author Edna Ferber. Originally published in 1914, Personality Plus is the second of three volumes chronicling the travels and events in the life of Emma McChesney. Ferber achieved her first successes with a series of stories centering on this character, a stylish and intelligent divorced mother who rises rapidly in business.

Personality Plus: Some Experiences of Emma McChesney And Her Son, Jack by

Edna Ferber The second book in the Emma McChesney series. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

A business book with a sense of humour, on how to develop people skills in a work environment using personality types. To be successful at any level in the business world, you need to be able to work with a variety of people, communicate with them, and keep them happy. This book provides a simple framework for analysing personality types and will show you the best ways to motivate people of these different types and keep them productive. Find out how

PERSONALity Perspectives will change your life. God made each of us different, yet most of our personalities fall into one of four categories. Exploring those personalities helps you not only understand others and why they act the way they do, but why you act and feel the way you do about life. Even better, understanding the personalities will allow you to live at peace with everyone in your sphere of influence! Written by Linda Gilden and Tama Westman, two veteran personality trainers, as different as day and night, PERSONALity Perspectives is a one-of-a-kind devotional packed with insight, Scripture, prayers, and: *practical points that bring order to the analytical, purposeful person; *sparkling stories that satisfy the fun-loving, playful person; *perspectives that challenge the powerful person's need for control; *quiet reflections for the low-key, peaceful person to ponder. Are you purposeful? Powerful? Playful? Peaceful? Plunge in to PERSONALity Perspectives, and find out! Bonus Features: *Key Traits of the Personalities *Clues to Your Personality *Understanding Others through Personalities, and much more! Personality Perspectives will delight you with stories that speak in a language you can easily take to heart and help you recognize the supernatural presence of God in

ordinary, everyday life.-FLORENCE LITTAUER, author of over 40 books, including Personality Plus (over 1.5 copies sold), founder of CLASSEMINARS, Inc. This insightful work doesn't attempt to tell you about you; it leads you through ponderings, points, and clues allowing you to discover what makes you tick.-NICK DELLA VALLE, Breath of CHRIST Ministries. Linda and Tama's innovative five-step process encourages the reader to engage in meaningful life change by understanding himself and others, deepening relationships, and most importantly, deepening his walk with God. I highly recommend this book.-JOHN H. THURMAN, JR., Licensed Professional Clinical Counselor, Speaker, Writer. The information and personal stories will change you and your life. Buy one for yourself and an extra copy for that special person in your life.-KAREN O'CONNOR, Lord, It's Taken Me Years to Get This Old; 365 Senior Moments You'd Rather Forget.

For 25 years, Florence Littauer's bestselling Personality Plus has been required reading for employees of major companies. Now, Personality Plus at Work takes things a step further and shows readers how to work successfully with anyone by paying attention to basic personality differences. It shows readers what happens when personalities are ignored, how each personality can lead, and how to combine different personalities to maintain a vital and harmonious workplace. Managers and leaders will especially appreciate the insights found in this book, but anyone who works with co-workers, whether in a paid or volunteer position, will

The best-selling author of Personality Plus and Personality Plus for Parents now shows couples how to apply the personality principles that have made Florence so popular. Husbands and wives will understand why they act the way they do and how they can best respond to each other. Personality Plus for Couples gives husbands and wives: * a personality profile test to identify their personality types * the trademark characteristics of each personality type * ways to resolve hot conflicts that arise between spouses * what to expect if you marry someone of the same type, someone of the opposite type, or someone with a compatible personality type Littauer offers pages of stories and practical insight about how to approach each personality differently. When husbands and wives care enough to understand what makes the other tick, they can celebrate each other's individuality and build a marriage that lasts.

Most workplaces include people of different socio-economic backgrounds, diverse goals and opposite personalities. The Littauers describe the characteristics that each of the four personality types--Sanguine, Choleric, Melancholy, and Phlegmatic--bring into the workplace, and they reveal how the strengths and weaknesses of each can be structured into a productive, congenial workplace.

Edna Ferber, the Pulitzer Prize-winning author of Show Boat and Giant, achieved her first great success with a series of stories featuring Emma McChesney: a smart, stylish, divorced mother who in a mere twelve years rose from stenographer to traveling sales representative to business manager and partner of the T. A. Buck Featherloom Petticoat Company. In this

second of three volumes chronicling the travels and trials of Emma McChesney, the plucky heroine trades in her traveling bag and coach tickets for an office and a position a T. A. Buck Jr.'s business partner. Along with this well-earned promotion comes the home--with a fireplace--that she had longed for during her ten years on the road. Her dashing son Jock, now twenty-one, has just entered the business world himself with the Berg, Shriner Advertising company. His colleagues believe that with his heritage he "ought to be able to sell ice to an eskimo." Indeed, Jock dazzles them with his keen business sense and exemplary work ethic, but goes overboard on the charm and ends up alienating clients, unnerving his boss, and even patronizing his business-savvy mother. When his company takes on the challenge of creating a zippy advertising campaign for T. A. Buck's no-frills petticoats, Jock comes through, but not without a reminder that mother always knows best. In this bracingly modern novel, first published in 1914, Ferber contrasts the virtues of talent with those of experience to provide a fresh, readable, and smartly entertaining contest between a mother and her adult son.

Don't wait for that promotion! Start leading NOW...right where you are! What's the number one question leadership expert John C. Maxwell is asked while conducting his leadership conferences? "How can I implement what you teach when I'm not the top leader?". Is it possible to lead well when you're not the top dog? How about if the person you work for is a bad leader? The answer is a resounding yes! Welcome to *The 360° Leader*. People who desire to lead from the middle of organizations face unique challenges. And they are often held back by myths that prevent them from developing their influence. Dr. Maxwell, one of the globe's most trusted leadership mentors, debunks the myths, shows you how to overcome the challenges, and teaches you the skills you need to become a 360° leader. If you have found

yourself trying to lead from the middle of the organization, as the vast majority of professionals do, then you need Maxwell's insights. You have a unique opportunity to exercise influence in all directions—up (to the boss), across (among your peers), and down (to those you lead). The good news is that your influence is greater than you know. Practice the disciplines of 360° leadership and the opportunities will be endless . . . for your organization, for your career, and for your life.
