DreamWorks is one of the biggest names in modern computer-animation: a studio whose commercial success and impact on the medium rivals that of Pixar, and yet has received far less critical attention. The book will historicise DreamWorks' contribution to feature animation, while presenting a critical history of the form in the new millennium. It will look beyond the films' visual aesthetics to assess DreamWorks' influence on the narrative and tonal qualities which have come to define contemporary animated features, including their use of comedy, genre, music, stars, and intertextuality. It makes original interventions in the fields of film and animation studies by discussing each of these techniques in a uniquely animated context, with case studies from Shrek, Antz, Kung Fu Panda, Madagascar, Shark Tale, Bee Movie, Trolls and many others. It also looks at the unusual online afterlife of these films, and the ways in which they have been reappropriated and remixed by subversive online communities.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

For this series she used local animals and events as her inspiration, and even wrote herself into a few of her books. Born into a privileged household, Potter was educated by governesses and grew up isolated from other children. She had numerous pets and spent holidays in Scotland and the Lake District, developing a love of landscape, flora, and fauna, all of which she closely observed and painted. Though Potter was typical of women of her generation in having limited opportunities for higher education, her study and watercolours of fungi led to her being widely respected in the field of mycology (the study of fungi). In her thirties, Potter self-published the first of her highly successful children's books, The Tale of Peter Rabbit. Thereafter Potter began writing and illustrating children's books full-time. Fifteen of which are reproduced here in all their glorious colour. In all Potter wrote about 30 books; the best known being her 23 children's tales. With the proceeds from the books and a legacy from an aunt, in 1905 Potter bought Hill Top Farm in Near Sawrey, a

village in England's Lake District. She died of pneumonia and heart disease on 22 December 1943 at her home in Near Sawrey at the age of 77, leaving almost all her property to the National Trust. She is credited with preserving much of the land that now constitutes the Lake District National Park. Potter's books continue to sell throughout the world in many languages with her stories being retold in song, film, ballet, and animation, and her life depicted television and feature films.

Mr. McGregor after eating vegetables he wasn't supposed to. After a few tight scrapes he escapes but loses his shoes and jacket in his scramble for freedom. He returns home to his mother, who puts him to bed after giving him some camomile tea. The tale was written and exquisitely illustrated by Potter for five-year-old Noel Moore, son of Potter's former governess Annie Carter Moore, in 1893. It was revised and privately printed by Potter in 1901, but was printed in a trade edition by Frederick Warne & Co. in 1902. The book was a success, and multiple reprints were issued in the years immediately following its debut. It has been translated into 36 languages, and with 45 million copies sold it is one of the best-selling books of all time. -----

1902), and tells of Peter's return to Mr. McGregor's garden with his cousin Benjamin to retrieve the clothes he lost there during his previous adventure. When Mr. McGregor and his wife leave home in their gig, Benjamin Bunny and his cousin Peter Rabbit venture into Mr. McGregor's garden to retrieve the clothes Peter lost there in *The Tale of Peter Rabbit*. They find the blue jacket and brown shoes on a scarecrow, but Peter is apprehensive about lingering in the garden because of his previous experience. Benjamin delays their departure by gathering onions, which he wraps in Peter's handkerchief, hoping to give them to his aunt, Peter's mother. He then takes a casual stroll around the garden, followed by an increasingly nervous Peter. Rounding a corner, they see a cat and hide under a basket, but the cat then sits on top of the basket for five hours, trapping the pair. Benjamin's father enters the garden looking for his son. He knocks the cat away from the basket and locks her in the greenhouse, then rescues Benjamin and Peter. But he also punishes them for going to Mr. McGregor's garden by whipping them with a switch he had brought. Once home, Peter gives the onions to his mother, who forgives his adventure because he has recovered his jacket and shoes. Following his return, Mr. McGregor is puzzled by the ridiculously small footprints and the scarecrow's missing clothes and can't figure out how the cat got himself locked in the greenhouse. In *Benjamin Bunny*,

Potter deepened the rabbit universe she created in *Peter Rabbit*, and, in doing so, suggested the rabbit world was parallel to the human world but complete and sufficient unto itself. *Benjamin Bunny* was an instant commercial and popular success, and thousands of copies were in print by the end of 1904. The *Times Literary Supplement* thought Potter's illustrations "pencil perfect", but suggested that she engage a literary assistant for future productions. Potter created a nursery wallpaper tapping Benjamin's image, and Benjamin returned as an adult rabbit in the *Flopsy Bunnies* and *Mr. Tod*. In 1992, *Benjamin Bunny* was adapted as an episode of the BBC animated television series, "The World of Peter Rabbit and Friends." ===== KEYWORDS: Beatrix Potter, children's stories, lake district, England, bedtime stories, helpful, Benjamin, bunny, rabbit, Cat, onions, Mr. McGregor, garden, retrieve, clothes, peter rabbit, blue jacket, brown shoes, previous experience, handkerchief, mother, corner, trapped, free, Mr Bunny, discipline, home
