wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Basing his revelation of the foundational doctrine of the Apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use. Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the “how” of each operation. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God’s grace upon your life. It will also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the spirit for the empowerment, edification and advancement of the Church. SHINE FORTH WITH A FLOW OF THE MIRACULOUS! Why would a supernatural God build a supernatural Church and then expect it to function naturally? He wouldn't! God wants the gospel delivered and demonstrated by believers who live in a unique flow of the miraculous. In *Releasing the Miraculous*, author and pastor James Tan shares that the Holy Spirit infilling is really about God outpouring Himself through operations we call the nine gifts of the Spirit. In 1 Corinthians 12:7, the apostle Paul describes these gifts as manifestations of the Spirit, which in the Greek literally means a shining forth! That's God's plan for you—to shine forth with the light of God in the same way electricity manifests in countless ways around you every day. To help you shine forth with Holy Spirit power, James covers... • A practical, scriptural study of each gift • Sharpening your spiritual senses • Yielding yourself to higher operations and leadings of the Spirit • How your flow of tongues is your doorway to a flow of the supernatural • Creating an environment where the gifts flourish No believer is “gift-less”! So yield yourself to the Spirit like never before because heaven is waiting on you to demonstrate the miraculous to the world!

I offers basic teachings on Buddhism, which can serve as a foundation for understanding the Master's wider teachings. Part II is about cultivation, or ways we can put the teachings into practice to become a better person. Part III introduces Tzu Chi, its spirit, and how Tzu Chi volunteers learn to be bodhisattvas through Tzu Chi work. Part IV shares the practice of repentance in a series of articles which teach us to look inward to find solutions to the many problems that we see in our world and encounter in life. In giving teachings, the Master guides people to see the real truths and principles in life, and these are universal to all human beings no matter what country they are from, what religion they practice, and what language they speak. The teachings have been compiled with care to reflect the Master's style of using simple, easy-to-understand language to help people to 'understand the spiritual teachings, take them to heart, and be inspired to practice them in their daily lives'—for this is the Master's heartfelt wish.

"A rare combination of vivid science, compassionate storytelling, and lasting spiritual lessons. A delight to read." -Philip Yancey Our bodies are designed to heal. We fall off our bikes and skin our knees--and without effort on our part, the skin looks like new in a few days. But while our skinned knees easily heal, it can sometimes feel like our emotional and relational wounds are left gaping open, broken beyond repair. If our bodies instinctively know how to heal physical injuries, could they also help us understand how to restore painful emotional and relational ruptures? In their groundbreaking debut book, physician Jennie McLaurin and scientist Cymbeline T.

Culiat write Designed to Heal: a fascinating look at how the restorative processes of the body can model patterns we may adapt to heal the acute and chronic wounds of our social bodies. Through engaging patient stories, imaginative travels through the body's microcellular landscapes, accessible references to current research, and reflections on the image of God, Designed to Heal offers a new perspective for healing our social divisions. By learning how the body is created with mechanisms that optimize a flourishing recovery from life's inevitable wounds, we are given a model for hopeful, faithful, and enduring healing in all other aspects of our lives. Our wounds don't have to have the last word.
