This guide is designed for musicians and music professionals who wish to hone their knowledge of the music business. It is intended as a practical tool to help composers, performers and all those involved in the music world get into the specifics of the management of their intellectual property rights. The guide aims to provide instructive advice on how to build a successful career in music in both

developed and developing countries, by generating income from musical talent. Copyright: d6c574433d7fe4d4c7505497cedd9762
