A nature hunt...and a missing lunch! Pipsie and her turtle friend, Alfred, are on the best school trip ever--a nature scavenger hunt! The team who finds "Seven Wonders of Nature" first wins. But that isn't all Pipsie and Alfred have to find. Someone has stolen their PB&Js! The search is on for the lunch that left, and soon Pipsie and Alfred are following animal tracks and discovering deer, birds, and even some beavers. Can Pipsie make this mystery history and finish the scavenger hunt? And hopefully before lunchtime, because Alfred is one hungry turtle!

What happened to Alfred's foot? After a morning at the park, Alfred the turtle's foot is bumpy and sticky, and it hurts too! It's up to Pipsie to figure out what gave him a tender tootsie. As Alfred shows Pipsie where he went that day, they come upon all kinds of insects—from ants to spiders to honey bees. And the clues Pipsie uncovers lead her on a twisty, turny, and even slightly stinky nature mystery.

When Pipsie's new friend Frannie the caterpillar goes missing, Pipsie puts on her detective cap and goes searching for clues.
