Kirkus Review ? Goodreads??Steve McFarland From USA Today Bestselling Author Aileen Erin Seventeen-year-old Tessa McCaide has come a long way since her abrupt entrance into the world of werewolves, but she still has just as far to go before she's comfortable with turning full wolf. In the meantime, she's avoiding the topic of shifting to four legs any way she can. Thankfully her mate, Dastien Laurent, is quite the distraction. When she finds her best friend, Meredith, getting sick in the bathroom, Tessa knows something's majorly wrong. Meredith was cursed years ago, and the dark magic kept her wolf dormant-only now the wolf is awake, and that same spell is killing her. Tessa has no intention of sitting around while Meredith wastes away. Even if it means playing with magic she doesn't understand, she'll do anything to save Meredith's life. Including bargaining with the local coven of witches and its crazed leader, whose only goal is getting Tessa to join the witchy ranks. Can Tessa save her friend without losing herself? ***A 52K Word Novella*** "There is no word to describe how much I love everything about this book." - Feli, The Four Eyed Cat "Wow! This book had the perfect balance of YA romance, sizzling chemistry, action, mystery, and heart. I devoured this book in one sitting because I couldn't put the book down! In the sweltering heat of September of 1970 on Legion Field, the USC Trojans and the University of Alabama's Crimson Tide played a game that defined the emancipation of the South from its sordid history of racial segregation. When USC's black running back Sam "The Bam" Cunningham ran roughshod all over the all-white Crimson Tide, more than a football game was won. Based on interviews with many of the game's participants and thoroughly researched this book presents sports as a metaphor for one of the most profound social changes in history.

Playing for Keeps by Catherine Mann In high school, Malcolm Douglas was a bad boy who stole the heart of good girl Celia Patel as well as her virginity. But life pulled them apart and just as well, for he'd already broken her heart. Now Malcolm is a world-famous billionaire dedicated to atoning for his sins. When he swoops back into Celia's life, he tells himself he only wants to protect her from recent threats. But the desire between them leaves them as breathless as teenagers. Will Celia ever forgive him? Maybe. If he can make today's pleasure erase yesterday's pain. The Alpha Brotherhood: Bound by an oath to make amends, these billionaires can

conquer anythingâ€¦ but love. To Tame a Cowboy by Jules Bennett Royal, Texas, is the perfect place for rodeo star Ryan Grant to slow down and finally show Piper Kindred sheâ€™s the woman for him. When an accident sends Piper rushing to take care of him, her sexy bedside manner suggests seducing his best friend will be easier than he expected. But Piper knows the lure of the rodeo circuitâ€”and the risk of a broken heart when Ryan realises heâ€™s not ready to hang up his saddle for good. She canâ€™t let herself fall for a cowboy. If only her heart would listen! All He Ever Wanted by Emily McKay Steadfast single dad Cameron Stevenson may not be single much longer. The whole town has seen the smouldering looks heâ€™s directed at Faith Taylor, the rescue worker who saved Camâ€™s son from a cave-in at the old Queen of Hearts mine. But does the gorgeous gal return his affection? Faith gave up on love after her marriage ended badly. And Cameronâ€”well, that widowerâ€™s had enough heartache to last a lifetime. Can they find happiness together after all the sadness theyâ€™ve surmounted? With all the heat these two lovebirds are generating, this town might be in for an early spring thaw!

"Hi. I'm Alicia Mellor. I'm twenty-two, and I live in Sydney. This is my story of how I met
a billionaire. It's not your usual rags-to-riches tale. For one, if you're expecting a
wallflower, I'm afraid you're going to be disappointed. I'm a girl who's been around the
block. I know what I like, and I don't take crap from anyone. Hawk Kinsey, eldest son of
Australia's richest billionaire, might just be a typical alpha , but that's only if I can be
sure who he really is. Join me won't you? I'm going to play this rich guy for all he's
worth." - - - - Meet Alicia, she's 22, sexy, sassy and she lives in Sydney, Australia.
She's also loaded. At least, that's what she tells the rich boys she dates. But Alicia has
a secret, one that she keeps all to herself; she's not really a millionaire with dead
parents and money tied up in Swiss bank accounts. She's really a poor girl from the
outer suburbs of Sydney, and she uses her con to bleed rich men of their money.
Everything is going well until Alicia gets an unexpected invite to the party of Hawk
Kinsey, the newly-returned eldest son of Australia's wealthiest billionaire tycoon . If
Alicia can land Hawk, she'll never have to pull another con again. Problem is, Hawk's
identity is secret, and no one knows who he is, or what he looks like. Can Alicia
discover the secret Hawk, and seduce him, all in one night? Set in the beautiful city of
Sydney, Australia, this novelette is the first part of a hot, new steamy romance series.
This book contains very, very steamy scenes, including m/f, m/f/f, f/f, voyeurism and
public displays . It uses very strong language and imagery suitable for mature
audiences. If you're tired of wilting violets and first-timers who are putty in the
billionaire's hands, you'll find this book a refreshing take, blending mystery and
romance. Alicia is street-smart and knows what she likes; she's just the kind of girl who
can stand up to an arrogant billionaire! Excerpt: 'Let's have a drink.' He goes over to
one of the cupboards and opens it, and there is a fully stocked bar. 'I'm having scotch.
What would you like?' 'Vodka. And juice.' If I'm drinking, I might as well do it properly. I
hear the chink of ice, and the pour of the spirits. He comes over with the glasses and
hands me mine. I take a sip. He's made it strong, but the ice takes away the sting.
Before I can lower my glass, he lunges, finding my chin with his hand, and pulling it up
to his waiting mouth. His kiss is soft and warm, and tastes of the scotch he has just
consumed, making my lips tingle with warmth. Our mouths sink against one another as
though they were made for each other. The kiss stretches on and on, neither of us
wanting to end it. I open my mouth a little, and his tongue darts in, exploring. He moves
closer, until his chest presses against mine. I can feel the strength of his body beneath
his suit. I run a hand up his front. His abs are like steel, and his chest is hard and
defined. His hands slide down my body too, cupping my ass in firm hands. He pulls

imagine anything that could make him happier-until Marin Sawyer walks into his office in search of investment advice. He's immediately smitten with the dark-haired beauty, and determined to have her at any cost. A serious relationship isn't on Marin's radar right now, but a fling with a handsome man like Reed might be the perfect way to let off a little steam. The charming and oh-so-sexy human is impossible to resist, but when Marin settles down with a permanent mate it will be with a werewolf, like herself. Her father, the powerful Alpha of their pack, has decreed it should be so and Marin is nothing if not the dutiful daughter. But things get complicated when Reed starts playing for keeps. Suddenly he's making plans for the future, plans that include Marin-until he discovers the devastating secret she's been hiding. Can Reed overcome what he sees as the ultimate betrayal? Will he fight to keep the gorgeous werewolf for himself-or forfeit the only woman to ever succeed in capturing his heart?

The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and of course, the character Tim O'Brien who has survived his tour in Vietnam to become a father and writer at the age of forty-three. They battle the enemy (or maybe more the idea of the enemy), and occasionally each other. In their relationships we see their isolation and loneliness, their rage and fear. They miss their families, their girlfriends and buddies; they miss the lives they left back home. Yet they find sympathy and kindness for strangers (the old man who leads them unscathed through the mine field, the girl who grieves while she dances), and love for each other, because in Vietnam they are the only family they have. We hear the voices of the men and build images upon their dialogue. The way they tell stories about others, we hear them telling stories about themselves. With the creative verve of the greatest fiction and the intimacy of a searing autobiography, *The Things They Carried* is a testament to the men who risked their lives in America's most controversial war. It is also a mirror held up to the frailty of humanity. Ultimately *The Things They Carried* and its myriad protagonists call to order the courage, determination, and luck we all need to survive.

When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland. From the war of independence and the creation of the republic to the twenty-first century, sporting pastimes have served as essential ingredients in forging nationhood in American history. This collection gathers the work of an all-star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes—of a nation symbolized by its sports. These wide-ranging essays analyze the claims of particular sports to national pastime status, from horse racing, hunting, and prize fighting in early American history to baseball, basketball, and football more than two centuries later. These essays also investigate the legal, political, economic, and culture patterns and the gender, ethnic, racial, and class dynamics of
