- Shooting scripts, including cut lines, deleted scenes, and trivia
- More than 200 full-color images
- And more!

In the tradition of *The Celestine Prophecy* comes the first book in a gripping post-apocalyptic trilogy involving the search for ancient books whose secrets hold the key to humanity's survival. In 2027, the Great Disruption shook the world. An unexplained solar storm struck the earth, shifting it four degrees south on its axis. Everything went dark. Humanity was on the verge of despair. Then a man named Camden Ford discovered a set of ancient books called the *Chronicles of Satraya*. Thirty years later, the world is a different place. Thanks to the teachings of the *Chronicles*, hope has been restored, cities rebuilt, technology advanced. The books also have a different owner: Logan Cutler, who inherited them when Camden mysteriously disappeared. But when Logan auctions off the books to pay his debts, they fall into the wrong hands. The *Reges Hominum*, a clandestine group that once ruled history from the shadows, is launching a worldwide conspiracy to regain control. Soon Logan realizes he's made a terrible mistake. With the help of special agent Valerie Perrot and the wisdom of the *Chronicles* as his guide, he embarks on an epic quest to get the books back before it's too late. Abounding with questions about humanity's secret past and its unknown future, *Journey into the Flame* will not only take you to the start of an incredible new world, it will also take you deep into the greater mysteries of the self.

A stunning literary survival story of three young Sudanese boys, two brothers and a cousin—hailed by the Los Angeles Times as a “moving, beautifully written account, by turns warm and tender.” Between 1987 and 1989, Alepho, Benjamin, and Benson, like tens of thousands of young boys, took flight from the massacres of Sudan's civil war. They became known as the Lost Boys. With little more than the clothes on their backs, sometimes not even that, they streamed out over Sudan in search of refuge. Their

journey led them first to Ethiopia and then, driven back into Sudan, toward Kenya. They walked nearly one thousand miles, sustained only by the sheer will to live. They Poured Fire on Us from the Sky is the three boys' account of that unimaginable journey. With the candor and the purity of their child's-eye-vision, Alephonsian, Benjamin, and Benson recall by turns: how they endured the hunger and strength-sapping illnesses—dysentery, malaria, and yellow fever; how they dodged the life-threatening predators—lions, snakes, crocodiles and soldiers alike—that dogged their footsteps; and how they grappled with a war that threatened continually to overwhelm them. Their story is a lyrical, captivating, timeless portrait of a childhood hurled into wartime and how they had the good fortune and belief in themselves to survive.

A guide to the Black and White versions of the popular game provides strategies, techniques, walkthroughs, attacks, moves, and information on items.

Prepare To Die Less with this Hardback Guide to Dark Souls !!Going into Dark Souls unaided will get you killed. A lot. Even armed with the complete knowledge of the game that this guide will provide, you're still certain to die at least a few times. But when a gigantic demon takes you by surprise you'll at least have a chance to not lose everything. This is a true survival guide for a game that's almost impossible to survive.

Area Guide WalkthroughThe Walkthrough makes use of detailed maps to guide you in exploring every inch of the game's huge world. Learn the most useful shortcuts and find all of the hidden areas.

Enemy EncyclopediaEverything you need to know to tackle the game's army of lethal foes is contained in one easy-to-use reference chapter. Tactics, data and attack details for all enemies will prove an invaluable resource.

Weapons & EquipmentWeapons, Armor and Magic are all covered in exhaustive detail. Full stats, locations, upgrade paths and usage strategies are provided so you can easily compare all of the options when choosing your equipment.

All ItemsThe complete item lists reveal every last consumable, accessory, upgrading material and offensive item. Quickly discover where to find each one and how to make the most of them.

Character BuildingPlan your character perfectly with our guide to choosing classes, building your character for specific roles and selecting optimal equipment.

Everything UncoveredDiscover how to unlock every Achievement or Trophy and learn the secrets of Dark Souls' unique online multiplayer mode. Winning at competitive games requires a results-oriented mindset that many players are simply not willing to adopt. This book walks players through the entire process: how to choose a game and learn basic proficiency, how to break through the mental barriers that hold most players back, and how to handle the issues that top players face. It also includes a complete analysis of Sun Tzu's book The Art of War and its applications to games of today. These foundational concepts apply to virtually all competitive games, and even have some application to "real life." Trade paperback. 142 pages.

"Open up, Pork Chop! Or I'll huff and I'll puff and I'll flatten this dump!" Three little pigs are happily working away in their delicious family business -- making the best-tasting waffles in the world. Business is so good, in fact, that the three siblings can live comfortably in their very own homes -- Percy in his straw

bungalow, Pete in his log cabin, and Prudence in her brick cottage. Then Tempesto, the meanest wolf on the block, shows up and wants more than waffles for breakfast -- he wants the three little pigs! Here is a zany retelling of a classic folktale from master storyteller Steven Kellogg.

Provides beginning and advanced game strategies for both red and blue cartridges in a guide covering the first one hundred fifty-one Pokemon characters. Designed specifically for Pikachu lovers, Pokemon Yellow will follow Pinball as the next Pokemon release for Game Boy Color. This guide provides tips on where and how to catch all 150 Pokemon, detailed maps of every area, complete Pokedex with stats and pics for every Pokemon, every machine, item, and ability outlined, and the whereabouts of every item.
