Enter the high-class world of six female friends, with secrets and drama galore. With characters you will both love and hate, this rollercoaster ride of a read will have you begging for more. "Highsidity is a book that delivers both artistically and commercially. It's a unique and powerful story; well-detailed, with briskly paced action."

This book is a comprehensive reference for men who are looking for more power and choice in their dating life with women. When you Become That Guy who is both sexy and exciting while also being the kind of man who a woman would want for a longer term relationship or marriage, you will have options and choice in your relationships with women. The book addresses fundamental skills and understandings designed to help a man have power and choice in his relationships with women. Positive and realistic beliefs about yourself, women, relationships and sexuality are covered that provide an essential foundation for developing the identity as a man who is powerfully attractive to women. The book is filled with drills and exercises so that you can take action to develop yourself. Instead of being a guy who says things in order to get something, you become that guy who gets what he wants in his relationships with women as an authentic expression of who you are.

Farilla The Serial Killer, is about a young man that grew up in the streets of Chicago, Englewood area, that was being bullied by people that, years later, never considered he might grow up to be a professional hit man that had no regard for the law. He takes on missions from anyone that has a big-enough bag of money to pay him and his crew of assassins. But his extracurricular activity consists of revenge on whoever bullied him or his friends in the past. The blood's on their hands.

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

Laila Greer never believed in fairy tales. She was too busy living in the real world and dealing with real world problems to waste time trying to find Prince Charming. That is until Andreas De Berg walked into her life. Disgraced and sent away by his family, Prince Andreas arrives in New York looking for a fresh start. The last thing he needs is to be tempted by some beautiful hotel clerk. It's what got him in trouble the last time. Unfortunately for Andreas, one look at Laila and he knew it was a losing battle. Laila wants nothing to do with the handsome arrogant stranger when he shows up at her hotel without reservations, but finds herself inexplicably drawn to him against her better judgment. But happily ever after isn't so easy in the real world, and painful secrets from their past threaten to destroy their happiness. Can a regular working class girl and a playboy prince overcome all the obstacles in their way to live happily ever after? Full Length (107,000 word) Contemporary Royal Romance

Ten years ago, the Calphesians, a warrior race from far beyond our stars, invaded Earth with the intention to kill everyone they found and take the planet's resources for themselves. In order to prevent the destruction of the human race, a treaty was set, allowing the Calphesians to remain on Earth and use its resources as long as they didn't kill anyone or hurt the people. In addition, they would be able to pick and choose from a selection of human women to marry and have children with, in order to keep their kind from dying out. Every five years, three women are randomly selected and married off to the strongest warriors of the Calphesians, and this year Roxanne has been chosen. She's angry and bitter about having her life decided for her, and nothing changes when she meets Aedian, her husband to be. He's boorish and crude, and treats her like she's insignificant most of the time, and all they do is fight. But when another race of aliens seeks to destroy the Earth and everyone on it, everyone will have to band together to fight them off, and both Aedian and Roxanne will realize there's more to each other than they'd thought.

\*One of *Glamour's* Best Books of 2020\* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big

screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let Bow Down help you learn how to use it. "Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate." (Sarah Cooper, author of How to Be Successful without Hurting Men's Feelings).

For the first time ever, 20 year adult film legend Steven St. Croix opens up about what it's really like to be a male performer in the adult business. With honesty and brevity, he answers questions long asked by fans and others curious as to the inner workings of the adult star's life. Questions ranging from his rise in the industry, what happens on set when shooting, his films, his co-stars, crazy sex on and off camera, the myth of fluffers, plastic surgery nightmares, drug use, mafia control, HIV and STD's, how cheaply the films are made and the recent mandatory condom law passed in Los Angeles and how performers are perceived by the industry as a whole. All this and much more are all answered here in a shockingly raw, insightful but respectful manner.

Pulsing with the dark obsession of Radiohead's song "Creep," Jennifer Hillier's superb debut thriller is a terrifying cat-and-mouse game between a woman with everything to lose, and the lover she couldn't resist...who's now the monster who won't let her go. A popular psychology professor in Seattle, Sheila works hard to keep her secrets hidden. On the surface, she's an expert in human behavior and a well-liked educator, but nobody knows she's a recovering sex addict in therapy—not even the love of her life, Morris. And she needs it to stay that way, or she could lose everything. But Ethan Wolfe is impossible to resist. The graduate student is brilliant, charming, and seductive as hell. He's also Sheila's teaching assistant, and thirteen years her junior. Ignoring the risks to her career and relationship, they begin an illicit affair that lasts three months, until Morris asks her to marry him. Determined to get her life back on track, Sheila commits to a future with her fiancé, a man she's not sure she deserves. But Ethan can't move on so easily. He didn't pursue his professor for as long as he did to get dumped for some boring, middle-aged suit. Ethan's made plans too, and he doesn't take rejection well. When the body of one of Sheila's students is discovered floating in Puget Sound—a young woman Ethan was rumored to have dated—it's clear that the graduate student has secrets of his own. And he's not about to let Sheila get away.

A recent Gallup poll in the US found that 70% of those in work didn't enjoy their job. In his latest book, John C. Parkin brings the power of saying "F\*\*k It" to the subject of doing what we love. In this highly entertaining and motivational book, John sets out to prove that when we do what we love, we're actually more likely to be happier, healthier, wealthier, and more successful. He addresses the significant blocks that people experience when they consider doing what they love, including: "Doing what you love is for time off, not work", "Doing what I love would be selfish", "I just don't know what I love" and "I could never make a living from doing what I love". Through no-nonsense ideas, fascinating facts and motivating calls to action, John brings us from pessimism to inspiration, so that our thoughts become powered by "F\*\*k it, I can't waste any more of my life", "F\*\*k it, I will find a way to make this work", "F\*\*k it, I will do what I love". F\*\*k It: Do What You Love is not just a book: it's a step-by-step map to get every single person to spend their precious time on this planet doing what they love.

A boy bullied-father lost to tragic events. A son with drunken parents-grown before his time. A child, the youngest boy of four. Fighting to be heard-lost in the noise of masculinity. A teen with an overprotective father struggling with sexual identity-his first love gone wrong. A youth with an ailing mother and useless father, confused-dealing with his hate for him. Four boys joined by internal issues and struggling to fit in; projecting their issues by bullying. Until one day the strangest thing happens. A usual victim stands up and demands they return an item. A sketchbook. Now the foursome turned five becomes an odd friendship where views collide, motives are questioned and tension threatens to destroy their close-knit unit. None can survive unharmed and none shall remain the same.

Supersize Your Sex Drive With Breakthrough Techniques Borne Out of the Latest Sex Research THE PROBLEM You find yourself going to bed earlier or later than your partner so that you don't have to face the possibility of his advances. Or you lay still in bed, pretending you're asleep so that he won't touch you. You start making excuses that sound reasonable: You're too tired for sex, you have a lot on your mind. You become defensive. You tell him if he worked as hard as you did he wouldn't want sex either. Besides, didn't you just have sex a couple of nights ago? Whatever. He's a sex maniac. He doesn't want you, he just wants sex and you're the closest person around. Besides, he's not even that good of a lover. These are the kind of thoughts that low libido men use to form a man-moat, keeping their lovers away. Some of your observations may be true (you probably are fatigued) but they still keep you stuck in a place you'd rather not be. THE SOLUTION I'm going to help you get to a better place with specific recommendations borne out of the latest sex research. These are proven strategies that have improved countless of my reader's sex lives. Your days of wanting to want sex are over. From a 20-minute exercise so effective it even increases libido in people taking anti-depressants, to a clever use of "erotic cues" that subconsciously put you in the mood, I am going to raise your libido to cinematic proportions. You'll learn how to use "flicker stage" sex to increase desire, identify medicines that can give you a 'flat tire' and do powerful intimacy exercises that'll remove emotional blocks keeping you from manifesting a strong sex drive. BONUS CHAPTER! What Your Partner Can Do To Boost Your Libido. He's got a vested interest in helping you raise your libido and he's probably more than willing to do whatever he can. So hand him this chapter. He'll get a better understanding of what you're going through and find out ways he can help—including being YOUR idea of a great lover, not his. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story. Her intimate memoir, *How to Make Love Like a Porn Star*, is a shocking sexual history, an insider's guide to the secret workings of the billion-dollar adult film industry, and a gripping thriller that probes deeply into Jenna's dark past. Mix in hilarious anecdotes, adrenaline-pumping triumphs, and photos from Jenna's private collection, and you have a tell-all autobiography unlike any other.

Claudia Corvette. From her tousled bedroom hair to her name—all the porn stars in this world take their names from supermodels and sports cars—she is adult entertainment's prototypical femme fatale. Her life is the collision of countless troubled—childhood cliches and grown-up wet dreams, projected onto her as surely as her videos project their blue light onto lonely men around the world. From its first panel, *How to Make Money Like a Porn Star* draws the reader into the dark world of girls like Claudia, the men who fantasize about them, and the monsters who control them. In the hands of Rolling Stone writer Neil Strauss and illustrator Bernard Chang, this adult graphic novel weaves together black humor and blacker reality. Like all great American stories, it features humble beginnings, life-changing tragedy, stripping, abuse, implants, fame, addiction, bigger implants, abduction, gunplay, downfall, and even bigger implants. Not to mention a thousand shades of latex and L'Oreal. Part parody, part morality tale, here is the truth about the porn life, its outsized visual splendor captured in a comic parade of doe-eyed centerfolds, its essence distilled in a story that will haunt every reader who has ever wondered where his next fantasy is coming from.

This book speaks to your thought process by activating your actions to speak to mountains and watch them move; when drama arises walk away without engaging and know your worth without validation from someone else whose unable to validate themselves because they are too busy validating you.

In his years at Ironclad, Ransom has built a reputation as a hardass bodyguard. He reels in the perverts, wrangles the mangled, and controls celebrities who are notoriously out of control. So when a world-famous DJ starts slipping into risky habits, he's hired to keep her on track during a multi-million-dollar tour. He figures he'll just knock the diva down a few pegs and scare her straight. Problem is, Lola isn't easily frightened, and "difficult" doesn't begin to describe their contentious relationship. The only thing more annoying than their daily fights and power struggles is their intensifying emotional connection. Ransom's determined to save her...even if she doesn't want to be saved.

The Woman's A to Z for Your V makes finding the answers women have about their health and their bodies easy and makes asking the questions even easier.

Tillie lives in her own world a world where life is all play and no work. She hopes that one day she will have the family that she dreams of a family with a husband and children, a family that lives in a nice house and has a nice car. Now an adult reminiscing on her life, she wonders what happened to her dream show her life went so horribly wrong, how she hit rock bottom. In her youth, she had strong beliefs and convictions, with a supportive group of family and friends; somewhere along the way, though, she became lost in a world of drugs and bad choices. As an adult, she struggles to regain her former life and to become part of her family once again. I Can Show You the Way Life Goes follows Tillie through a carefree childhood filled with many blessings, through a downfall in which she believes the devil played a vital role the kind of realization that can only occur later in life, when one can clearly see what went wrong. As she tries to make sense of everything that has happened in her life, she realizes that it's never too late to turn your life around.

Time doesn't heal all wounds...LOVE does. Dr. Sarah Lynde and Lt. James McAllister are together at last, but it seems their mountain climbing days have just begun. Making decisions about their family and whether their relationship will be open or closed puts strain on the couple, while old demons and mounting grief threaten to tear them apart completely. Is their relationship as rock solid as they thought, or will it crumble into the sea? Authors' Note: Intended for readers 18+. Another version of this book was previously published under the same title. This edition has been rewritten and edited.

**LEGION** A message courier pushed into the path of a train. A young woman commits a terrible act of violence. A family man puts a gun to his head. John Smith suspects these aren't random events — someone engineered them. But who — or what? And why is John Smith their next target? **MAN OF WAX** Ben Anderson goes to bed Sunday night, lying next to his wife in the comfort and safety of their Pennsylvania family home, to wake up the next day in a rundown motel in California — alone. He doesn't know how he got there, he doesn't know where his family is, and written in dried blood on the bathroom door are the words **LET THE GAME BEGIN**. Soon Ben is contacted by Simon. Simon knows all there is to know about Ben, more than he cares to remember himself. If Ben wants to save himself and his family, he will have to do everything Simon says. As the game begins — with stakes much higher than either man can imagine — no one knows where it will lead or how it will end. Only one thing is for certain: this time the game will change everything.

**THE INNER CIRCLE** Two years ago Ben Anderson woke up in a rundown motel, three thousand miles from home, his family missing, and the words **LET THE GAME BEGIN** written in blood on the back of the bathroom door. Now, with his past life gone, Ben has become a soldier in Carver Ellison's army against Caesar. But when a mission goes wrong and one of their team members is murdered, it's the last cryptic word spoken that will lead Ben and the team one step closer to the Inner Circle — a step that may bring them salvation ... or get them all killed.

**END GAME** Two years ago Ben Anderson woke up in a rundown motel, three thousand miles from home, his family missing, and the words **LET THE GAME BEGIN** written in blood on the back of the bathroom door. Two years ago, everything changed. Not just for Ben and his family, who he believed was lost forever, but for those who had orchestrated the whole ordeal and who had stuck Ben in a game he was never supposed to win. Ben vowed he would never play the game again. But now, after learning a startling truth, Ben has no choice but to once again play the game. He wakes up in a rundown motel — a very familiar rundown motel — with the words **LET THE GAME CONTINUE** on the back of the bathroom door. Caesar and his people are expecting a good show. And Ben's about to give them one. Because every game must end, and Ben will be the one to end this game ... or die trying.

and sexualised culture in the West and social and cultural trends which have advanced the rights of women and homosexuals. Brian McNair addresses this relationship with an analysis of trends in sexualised culture since 2002 linked to a transnational analysis of change in sexual politics and sex/gender relations in a range of societies, from the sexually liberalised societies of advanced capitalism to those in which women and homosexuals remain tightly controlled by authoritarian, patriarchal regimes. In this accessible, jargon-free book, Brian McNair examines why those societies in which sexualised culture is the most liberalised and pervasive are also those in which the socio-economic and political rights of women and homosexuals have advanced the most.
