This introduction to Catholicism “combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity” (Charles J. Chaput, OFM Cap., Archbishop of Philadelphia). In *The Light of Christ*, Fr. Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns. Inspired by the theologies of Irenaeus, Thomas Aquinas, and John Henry Newman, Father White covers the major doctrines of the Christian religion including knowledge of God, the mystery of the Trinity, the incarnation and the atonement, the sacraments and the moral life, eschatology and prayer. *The Light of Christ* also addresses topics such as evolution, the modern historical study of Jesus and the Bible, and objections to Catholic moral teaching. Authoritative yet accessible, this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context. “This is a book that offers itself as a companion . . . My goal is to make explicit in a few broad strokes the shape of Catholicism. I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible, ancient and contemporary, mystical and reasonable.” —Father White, from the Introduction

Throughout history Christians have prayed for the dead--both for continual growth of the faithful and for their advancement from purgatory, though not for the deliverance of the unsaved from hell. This book defends all three kinds of prayer. It challenges Protestants, who seldom pray for the dead, to begin doing so--and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church. He also discusses the logical assumptions prayer for the dead requires--that prayer is effective, that the dead are conscious, and that the afterlife involves change--and lays out a theological framework for such prayers. Prayer for the departed raises the most basic of theological questions, matters that go to the center of God's purpose in creating spiritual beings and redeeming sinful humankind. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

Considers S.J. Res. 148, to amend the Constitution to permit voluntary prayer in public schools.

Describes how wives can pray confidently to God to help their husbands in both spiritual and practical matters, including career and finances, emotional health, parenting, and his relationship with God.

Problems may look kernel or stony to crack, this book will make it easy for you to pray and get result. What you need is to be violent in spirit, pursue, overtake, conquer and recover all you lost in the past to spiritual robbers and attackers of destiny. You are born to rise and shine and occupy seat of glory, but, enemy build insurmountable barricades to stop you from rising. It is time you turn obstacles on your way to ladder of breakthrough. Add fire to your prayer; turn it to double fire, let thunder strike from heaven and scatter works of darkness against your life. This book will address your situation better. It is not an ordinary book but one loaded with thick and solid fire prayer. It is titled double fire, double thunder, as fearful situations are addressed prayerfully with ease. This book makes you realize that wasters of destiny are cruel and wicked. They fire arrows at will, with the sole aim to kill destiny. They are so violent and faceless, raising killing storms. They don't think twice before they attack and destroy shining stars. Pressures and afflictions must give way. You must be violent in spirit. Soldiers don't fold arms in the battle field. They fight with every weapon in their possession. Be trigger happy in this battle. With prayers in this book, let your vow be, "Never shall I return for a re-play match". Let your prayer, be a knockout match with the enemy. Arise in spirit with this book; stop them before they stop you. You are fearfully and wonderfully created, therefore, you must be blessed with fearful and wonderful results. The time is now. Buy this book.

WE are constantly on a stretch, if not on a strain, to devise new methods, new plans, new organizations to advance the Church and secure enlargement and efficiency for the gospel. This trend of the day has a tendency to lose sight of the man or sink the man in the plan or organization. God's plan is to make much of the man, far more of him than of anything else. Men are God's method. The Church is looking for better methods; God is looking for better men. "There was a man sent from God whose name was John." The dispensation that heralded and prepared the way for Christ was bound up in that man John. "Unto us a child is born, unto us a son is given." The world's salvation comes out of that cradled Son. When Paul appeals to the personal character of the men who rooted the gospel in the world, he solves the mystery of their success. The glory and efficiency of the gospel is staked on the men who proclaim it. When God declares that "the eyes of the Lord run to and fro throughout the whole earth, to show himself strong in the behalf of them whose heart is perfect toward him," he declares the necessity of men and his dependence on them as a channel through which to exert his power upon the world. This vital, urgent truth is one that this age of machinery is apt to forget. The forgetting of it is as baneful on the work of God as would be the striking of the sun from his sphere. Darkness, confusion, and death would ensue. Many 21st Century Christians have excused themselves from the Biblical mandate to engage in effectual prayer and meditation. God is unlimited, yet He chooses to demonstrate His power through prayer. Prayer Force is a call to the believer for greater intimacy and communion with God. Prayer is not a magic wand. Perhaps the chief reason believers do not pray consistently is because they do not see their prayers answered. Without Gods prerequisites, prayer remains unanswered. Misconceptions regarding prayer must be dispelled with the foundational Biblical descriptions. Priorities dictate schedules and schedules reveal priorities. If prayer is not a priority in action, it is not a priority at all. A look at

We invite YOU to make a difference! In Just 10 Minutes a day...Join thousands as we lift up a prayer shield over "The Church, Your Community State Nation and the World". The World that God LOVES! Add YOUR prayer shield of faith over our land. In 2016, the first edition of 50 Days of Prayer, was published and distributed. It has been written by 14 Christian authors. You will notice different personalities and passion arise in each prayer. Some are prayer leaders, and some are pastors. We asked our authors from around the state to incorporate the scripture into each prayer. What you have before you is a powerful tool that will lead you to pray for topics that impact you but likely, you never thought to pray for. The Word does not return void but accomplishes that for which He sent it! (Isaiah 55:11). You will see the paraphrased Word woven throughout this book, so BELIEVE that your prayer will make a difference, because it will! This is very exciting! In 2019, we felt the Lord was calling us to enlarge the prayer territory. Our 50 Days of Prayer Team began to work with Pray Oregon to build a "Prayer Shield" over Oregon and the Nation. The goal is that on the first of every month more Counties will begin 50 Days of Prayer. This raises a continuous prayer shield over our state and nation all year long! As new communities are added, eventually every state will be bathed in continuous prayer. This prayer can spread like wildfire... the fire of God to bring healing to our people and nation. If each church catches the fire of His love to lift up passionate prayer over our people and land, we can expect a sweeping move of God. So, let's do it! Give 10 minutes to bring yourself and your family to God's throne of grace to find help for our people. Use this book as a launch pad to pray what God puts on your heart. Go for it! And thank you for praying! Linda Hanratty, (President of Tillamook County Wide Prayer Team) You can use this book by yourself, but it is often used by communities for specific prayer campaigns for 50 days. Communities are encouraged to use a prayer guide that contains info to go with many of the 50 days such as statistics or the names of office holders so that your prayers can be more specific for each day. We can provide your team with a template and instructions so that you can provide a reading guide for everyone who is participating in your 50 days of prayer campaign. We can even produce a custom book and reading guide for your community if you like. You can find out how to do this at our web site as listed on the forward page in the book. You are encouraged to share this book and information on how a community can use it for concentrated periods of prayer with any prayer leaders that you know. Terry Blaser, 50 Days of Prayer

Popular pastor Floyd's insights on the often overlooked, always faith-strengthening discipline of prayer and fasting have been revised for this updated edition.

In addition there are prayers for before meals and at the end of the day, as well as prayer services for the liturgical seasons and special feasts, and reproducible prayer services for children to take home to their families to celebrate occasions when they are not in school.

Have you ever prayed and nothing happened? Have you ever been under attack and wished there was someone to rescue you? Have you ever tried ways to fight the devil with all kinds of prayers you can mention with no avail? We have some good news for you. This book is going to give you the secret to victorious prayer when you are in your deepest need. We live in a world that has a hostile kingdom. When man was created and put into the garden of Eden, satan was already on the ground, after being casted millions of years before Genesis 1. He used to have it all. He used to be an anointed Cherubim. He was given the high rank and was attractive in every manner. However, after his rebellion, he was cast out from the delightful place (heaven). The bible then woes the inhabitants of the earth, that the devil is of great wrath, and he knows his time is little. Why is he full of wrath? Because he lost his glory and sense of importance. He lost his position in the spiritual realm. Furthermore, he is already judged by God, and hellfire awaits him. However, he does not want to perish alone. As the saying goes, 'misery loves company', he too loves to have a company of humans in the hellfire. One of the things he does to make that plan work is picking up a fight against the human race. He attacks them in all ways that could be thought of. He lies to them, makes them sick, kills them, makes their life uncomfortable and adds a lot more of chaos to make the world a bad place to live in. He works alongside with his associates, that is demons, witches and everyone falling to that category. Every human being born of a woman is a target to the devil. The bible says the devil's mission is to steal, kill and destroy. Therefore in order for man to live victoriously on earth, he has to know how to fight. This is what this book is about. It teaches you to fight, especially how to win when you are under attack. In war, not every weapon will kill every sort of enemies. There are kinds of weapons that can only be used for weak opposition, while other types can be used for strong opposition. You do not carry your pistol to fight against armies in the battlefield. Even though it can kill, but it is not sufficient to help you win the battle. You need something more effective than that, to help you get your desired end. The same thing is true when it comes to prayer. Not every weapon you use in prayer will give you the best results. You need to have heavy weapons to help you win that attack. The weapon this book is going to discuss with you is the fire of God. Have you ever wondered why God uses fire as the ultimate way to destroy? During Sodom and Gomorrah, the fire was used. The last judgment is of the lake of fire. Have you ever asked yourself why? In this book, you are going to learn to use it as a mighty weapon against your enemies. This is a message to those who are in the war and hunger to learn to fight spiritual warfare. This message is for people who are tired of being victims of the devil's attacks. This message is for people who are ready and willing to apply destructive measures, to banish the devil and his associates. It is our hope, that your mind and heart will be receptive to receive that which God wants you to receive.

Just as much as God has opened our eyes, may he open yours as well, so you can see what he wants you to see. In Jesus name, Amen!

God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. 1188 sermon suggestions -- One from every chapter in the Bible. Morgan's expositions sparkle as they enhance Bible texts from every chapter in the Bible. Concise and delightfully free of redundancy, these selections reveal the master expositor's keen, analytical insight into God's Word. To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively, the author mentions that these are sermon suggestions -- not sermons or sermon outlines. He intentionally left the notes untitled, "preferring to let the text of Scripture be their only caption." These penetrating truths, firmly anchored in Scripture, are best described by G. Campbell Morgan himself: On every page of...the "God-breathed Writings" there are many thoughts which stretch out like long, clear arms of light across the darkness, discovering things which otherwise were hidden, and often illuminating wider areas than those of the immediate context. They are searchlights. From the multitude of these, I have selected one in each chapter of the Bible. Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context.

This is a unique prayer book written to turn life around. The book is unique because it deals with fundamentals of life; sin and its consequence. Many lives are at low ebb today because of sin. We could not see the face of God, it is as if, God is on holiday. It is not so, our conscience judges us as well; we know, we are sinners. This book will teach us how to pray with tongue of fire that brings deliverance. This is a heavenly healing prayer book that heals wounds and makes hearts whole. By his stripes we are healed. The tongue is important and powerful in our daily activities. This book will make us to be close to God, seek his face and communicate with Him as a father and child. This book confirms one thing, that the wicked shall not know peace until they surrender. This prayer book will make your enemies surrender. They are not giant but dwarf in the spirit. You are super power child of God. Pray with tongue of fire until something happens. This book will do it for you as you raise your hands unto the Lord in prayer. This book is good for you. Pick it as a soldier of Christ. Be a conqueror. The time is now.

Philip Yancey probes the very heartbeat—the most fundamental, challenging, perplexing, and deeply rewarding aspect—of our relationship with God: prayer. What is prayer? Does it change God's mind or ours? or both? This book is an invitation to communicate with God the Father who invites us into an eternal partnership through prayer.

The place of prayer is a platform provided by God, for the believer to partner with Him in changing destinies, altering circumstances: changing the course of nature. Jesus taught a lot about prayer, and more than teach, he also prayed much more than any human could pray. When he talks to us about prayer, he talks about when we pray, making it absolutely mandatory for the believer to pray. He says that man ought always to pray and not faint. Jesus obviously understands a lot more about the power of prayer than we do. This book looks at the most critical principles that make prayer a powerful tool in changing destinies. Prayer is designed to put you in charge and make you stay ahead of your game. There are many dynamics to prayer which this book looks at, revealing what makes prayer dynamic, and powerful in its working. Knowledge of these aspects and principles of prayer will make your life more dynamic, as you begin to take charge of your situations and circumstances.

How should we pray? Do we believe God answers our prayers? Is it acceptable to complain to God? Should we bargain with him to receive the response we desire? Why do we praise God? Does our praise make him any more "God"? John Calvin argued basically that the purpose of prayer is to realign the petitioner's feelings and beliefs with God's. Many today seem to have adopted this idea. One says, "Why pray at all. God knows everything so my prayers cannot change his mind. I must pray to discover God's will for my life. I must realign my will with God's will for my life." In contrast, the psalmists assumed a reciprocal process. They believed they could bring pressures on God to answer their requests. They would bargain with God and promise him certain things if he would only grant their petitions. Indeed, this was part of the process. They would obligate themselves to praise God if he would grant their desires. Such bargaining was the foundation of their prayers. Comparisons of Calvin's views with the psalmists' allows the reader to investigate the nature of his or her prayer life and make improvements where necessary.

"What the world most needs today is prayer. It is prayer that will give birth to all the renewals, healings, deep and fruitful transformations we all want for society today.... I am more and more convinced that everything comes from prayer and that, among the calls of the Spirit, this is the first and most urgent one we should respond to." Many have already benefited from Fr. Jacques' best-selling book on prayer, Time for God. In Thirsting for Prayer, Fr.
