The Directory of Corporate Counsel, Fall 2020 Edition remains the only comprehensive source for information on the corporate law departments and practitioners of the companies of the United States and Canada. Profiling over 30,000 attorneys and more than 12,000 companies, it supplies complete, uniform listings compiled through a major research effort, including information on company organization, department structure and hierarchy, and the background and specialties of the attorneys. This newly revised two volume edition is easier to use than ever before and includes five quick-search indexes to simplify your search: Corporations and Organizations Index Geographic Index Attorney Index Law School Alumni Index Nonprofit Organizations Index Former 2016 -2017 Edition: ISBN 9781454871798 Former 2015 - 2016 Edition: ISBN 9781454856535 Former 2014 - 2015 Edition: ISBN 9781454843474 Former 2013 -2014 Edition: ISBN #9781454825913 Former 2012 -2013 Edition: ISBN #9781454809593 Former 2017-2018 Edition: ISBN #9781454884460 Former 2018 Mid-Year Edition: ISBN #9781454889250 Former 2019 Edition ISBN #9781543803488 Former 2020 Edition: ISBN #9781543810295

A sobering account of a disenfranchised American working class and important policy solutions to the nation's economic inequalities One of the country's leading scholars on economics and social policy, Isabel Sawhill addresses the enormous divisions in American society--economic, cultural, and political--and what might be done to bridge them. Widening inequality and the loss of jobs to trade and technology has left a significant portion of the American workforce disenfranchised and skeptical of governments and corporations alike. And yet both have a role to play in improving the country for all. Sawhill argues for a policy agenda based on mainstream values, such as family, education, and work. Although many have lost faith in government programs designed to help them, there are still trusted institutions on both the local and the federal level that can deliver better job opportunities and higher wages to those who have been left behind. At the same time, the private sector needs to reexamine how it trains and rewards employees. This book provides a clear-headed and middle-way path to a better-functioning society in which personal responsibility is honored and inclusive capitalism and more broadly shared growth are once more the norm.

Divided into four volumes, Race and Ethnicity in America provides a complete overview of the history of racial and ethnic relations in America, from pre-contact to the present. Contextualizes the political experiences and contributions of minorities within American politics, society, and culture Includes people of color (e.g., African Americans, Latinos, Asians, and American Indians), those of mixed races, and ethnic groups that experienced minority status in politics, particularly in the 19th century (e.g., Irish, Jewish, Italian) Features chronological organization as well as a historical overview and timeline for contextual understanding and ease of reference Comprises A–Z entries that detail the political, social, and cultural histories of racial and ethnic minority groups, and concludes with a curated selection of key primary source documents Provides cross-disciplinary information that explores the experiences of racial and ethnic minorities in America over a period of five hundred years through history and social studies, political science, and ethnic studies

Analyses banking regulation and recent international developments, including Basel IV, bank resolution and Brexit, and their impact on bank governance.

“Southeast Asian Affairs, first published in 1974, continues today to be required reading for not only scholars but the general public interested in in-depth analysis of critical cultural, economic and political issues in Southeast Asia. In this annual review of the region, renowned academics provide comprehensive and stimulating commentary that furthers understanding of not only the region’s dynamism but also of its tensions and conflicts. It is a must read.” –Suchit Bunbongkarn, Emeritus Professor, Chulalongkorn University “Now in its forty-fifth edition, Southeast Asian Affairs offers an indispensable guide to this fascinating region. Lively, analytical, authoritative, and accessible, there is nothing comparable in quality or range to this series. It is a must read for academics, government officials, the business community, the media, and anybody with an interest in contemporary Southeast Asia. Drawing on its unparalleled network of researchers and commentators, ISEAS is to be congratulated for producing this major contribution to our understanding of this diverse and fast-changing region, to a consistently high standard and in a timely manner.” –Hal Hill, H.W. Arndt Professor of Southeast Asian Economies, Australian National University

Wildflowers and the Call to the Altar is a fascinating story of the history of the St. Francis Altar Society, embedded within the tri-cultural nexus of Santa Fe, New Mexico. For close to a hundred years, the society responded to the call that the church, established in 1610, required a formal Altar Society to care for the sanctuary needs, yet also to address the personal sanctification of the members. Since its inception, the society has served the altar of the church and extended its vision to "the altar of the world" through works of social justice, which are more urgent than ever, along with the care of the altar and the laundry. There is room for the holiness and fidelity of women to serve the church. Under the mantle of humility, and the commitment to mission, the women of the St. Francis Altar Society have persisted like the women at the foot of the cross. They have embraced the call to ministry and discipleship extended to all in the Gospels. Service to the altar extends into the world, where the reality of the love of Christ intersects with everyday life. Discover more than 27,000 large and small wholesalers and distributors throughout the U.S and Puerto Rico. You'll easily find the name and address of the organization, fax number, SIC code, principal product lines, total number of employees, estimated annual sales volume and principal officers.

George Washington is the most popular subject on coins, medals, tokens, paper money and postage stamps in America. Attempts to eliminate one-dollar bills from circulation, replacing them with coins, have been unsuccessful. Americans' reluctance to part with their "Georges" are beyond rational considerations but tap into deep-felt emotions. To discard one-dollar bills means discarding the metaphorical Father of His Country. Alexander Hamilton, the nation's first Secretary of the Treasury, said that monetary tokens were "vehicles of useful impressions." This numismatic history of George Washington traces the persistence of his image on American currency. These images are mostly from the late 18th-century. This book also offers a close look at the pictorial tradition in which these images are rooted.

This book offers a general framework for a better understanding of the differences and similarities between the institutional rules of intergovernmental organizations that include parliamentary elements, and analyzes the role of various types of international parliamentary assemblies in the system of global governance, as well as insights into the process known as "parliamentarization of international organizations." Firstly, it presents a case study of various types of international parliamentary assemblies, which is then used to analyze the law of particular international organizations that include parliamentary assemblies or relate to them. Secondly, the book compares two parliamentary assemblies of international organizations – the Parliamentary Assembly of the Organization for Security and Co-operation in Europe (OSCE PA) and the Parliamentary Assembly of the Council of Europe (PACE) – in terms of structure, powers, and relations with their IGOs. It also investigates the activities of assemblies and their cooperations for the purpose to explore the positive effects of the work of international parliamentary assemblies and their potential for having an impact at the national level. Lastly, the book analyzes the tangible and desirable powers of international assemblies by comparing examples of existing international parliamentary assemblies with the UN Parliamentary Assembly project. Based on that, the author compiles a list of essential requirements and principles for effective international parliamentary assemblies.

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.
