

## **Princeless Raven The Pirate Princess Book 1 Captain Raven And The All Girl Pirate Crew**

Read the volume of *Princeless* that launched the critically acclaimed spinoff, *Raven: The Pirate Princess*, now in deluxe format with never before seen behind the scenes special features. Adrienne and Bedelia have been on a quest to save Adrienne's sisters, but when they stumble upon an unknown princess trapped in a tower, they decide they can't just leave her locked up. But they're about to find out they've got a bit more than they can chew when they rescue Raven Xingtao, the daughter of the pirate king. Adrienne has met her match and if she's not careful, Raven may steal the dragon right out from under her.

Things are looking bad for Raven and her crew! With a pit full of alligators ready to feast on them, it's up to Ximena and Sunshine to organize the rest of the crew and save the day. Can they take on Raven's brothers and all of their goons without the crew's best fighters?

A nonbinary middle schooler saves a dog from bullies and is offered the chance to become the Dog Knight, protector of a magical pact between humans and dogs, in the first book of this humorous and heartwarming middle-grade graphic novel series from Jeremy Whitely, author of *Princeless*, and Bre Indigo, illustrator of *Meg, Jo, Beth, and Amy: A Graphic Novel*. Frankie knows who they are. They're a drummer, they're nonbinary, and they're... the Dog Knight? One day Frankie is a relatively normal middle schooler, with relatively normal challenges, like finding the perfect outfit to wear during their drum solo during the upcoming band concert. The next, they save a friendly golden retriever from bullies and suddenly find themselves in a giant magical doghouse, with a funny looking helmet, talking to a group of dog superheroes called the Pawtheon about a job offer. If Frankie can prove that they possess the six dog virtues of loyalty, kindness, honesty, justice, stubbornness, and smell, they will be named the Dog Knight and be given the power to fight alongside the Pawtheon and save the world from the forces of chaos. Maybe there is more to Frankie than they thought?

The events of issue 1 have left our fearless heroine worse for wear, but Raven is ready to put together a crew and with the help of her old friend Cookie, she's looking to interview every rogue, cad, and scoundrel that ever sailed the seven seas. But when you put that many pirates in one place, there's only one possible outcome: FIGHT!

Tara Smith's parents are super strict with all their rules and routines, and Tara is a dutiful daughter. Rule #1: No friends her own age. Rule #2: keep her bracelet on, or else. But when she breaks her routine—and then loses her bracelet—she's in trouble. Now outed as an extraterrestrial after wielding fire and losing her humanoid form, Tara is captured by the government. She's given two options: get shipped far away where she won't be a danger to anyone or stay on Earth and join a school for other extraterrestrial girls like her. Things at the school aren't easy—especially for the girl whose only friends were textbooks. But Tara's goal to learn how to control her powers is soon sidelined by the discovery that the people she's called Mom and Dad all these years aren't her parents. With her not-parents still out there, Tara must rely on others for the first time to figure out who she really is before she's kidnapped a second time.
