This multilayered family saga is a riveting tale of love, betrayal, and a search for identity—sexual and otherwise. Sis Lettie, the streetwise philosopher of the shebeens and entrepreneur par excellence, and her son Kokoroshe, a street urchin turned lawyer, are at the center of this dark and understated novel.

David Taylor's third book lifts the lid on why so many brand visioning projects end in failure: an overly theoretical and complex approach he calls 'strategy tourism'. By contrast, his straightforward, no-nonsense programme will ensure that you end up with an inspiring vision and a hands-on action plan to drive growth. Designed in a highly practical format, brandvision shows how to lead your team on a step-by-step 'visioning journey' that builds engagement, energy and alignment. Powerful tips, tools and tricks help you start applying the principles to your business today: Searching for true insight: creating a springboard for visioning by using different 'insight catalysts' that cover consumers, markets and competition The visioning journey: creating a compelling brand purpose, a big idea and a rallying call; combining product 'sausage' and emotional 'sizzle' Test-driving the vision: bringing the vision to life by exploring it within your business and with consumers Brand-led business: translating the vision into a business building mix that covers 'hero product' innovation, communication and internal engagement Thought-provoking and irreverent, brandvision demonstrates all the dos and don'ts of brand visioning with many stories of success (and screw-ups) including T-Mobile, Dove, Porsche, Absolut and James Bond. It is an invaluable toolkit for anyone interested in rethinking a brand vision - whatever its shape or size.

Here's just a little bit of what you're going to learn on the inside: How to select the right product to private label that can make you millions with only one product Finding and negotiating with the right suppliers Everything you need to know about launching your products to get your initial sales Common pitfalls to avoid when selling on Amazon FBA How to effectively scale your Amazon FBA private label business Amazon Sponsored Product tips that 90% of Amazon sellers are not implimenting Disney has done it. Chemical Bank has also. So, too, have thousands of other companies. In fact, it has become a staple of American business today: mergers and acquisitions. Spreading across all industry lines and encompassing corporations both large and small, merger and acquisition deals are booming. In 1995 alone, the value of all announced deals exceeded \$300 billion, including Disney's \$19 billion acquisition of Capital Cities and Chemical Bank's \$10 billion merger with Chase Manhattan. As a dynamic means of fostering growth, more and more companies will be looking to "do the deal," making it essential for corporate managers and financial officers to know their way around the M&A process. In this authoritative new reference, Jeffrey Hooke—a specialist in the field who has participated in 70 corporate finance transactions—provides a practical, comprehensive, and well-rounded overview to the ins and outs of M&A deals. Using real-life examples, Hooke takes you step by step through the M&A process, outlining the fundamental principles that underlie deals and pinpointing the important strategies that play key roles in successful transactions. The first step is developing a disciplined acquisition plan that includes a researched assessment of management readiness and financial capability. With your finances in order, it's time to find the deal that matches your company's objectives. Hooke shows you how to initiate an acquisition search by starting your own program, screening candidates, and implementing direct contact; and when you're ready to price and close a deal, Hooke's proven valuation and negotiating strategies will have you on firm footing. An invaluable primer for corporate executives and investment professionals involved in the mergers and acquisitions process, M&A is the most complete guide available today. M&A gives you the A to Z on: \* Key risks that face corporate acquirers—operating issues, the danger of overpayment, financial leverage concerns \* Valuation tools—using the intrinsic value approach and applying the relative value method such as comparable P/E and EBIT ratios \* Buyer categories—Window Shopper, Bottom Fisher, Strategic Buyer \* Maximum deal size guidelines—affordability, management experience, corporate risk tolerance \* The basics of negotiating and structuring—letter of intent (LOI), due diligence investigation, closing and postmerger integration \* Selling a business—retaining a financial advisor, approaching the market, confirming a valuation range A savvy guide to mastering the art of M&A From an expert in the M&A field comes a one-of-a-kind book that takes business executives and investment professionals through the complete mergers and acquisitions process. "Jeffrey Hooke has done a fine job explaining the 'ins and outs' of a very complex business. He knows what he's talking about."—John C. Whitehead, former Co-Chairman, Goldman, Sachs & Co. "M&A takes the fear out of the decision-making process—a great pragmatic tool. Hooke has given us a fine 'how-to' manual."—Kenneth Tuchman, Managing Director, Lehman Brothers, Inc. "Hooke's basic outline of the dynamics involved provide a basic overview for both corporate executives and business students. His examples—real transactions coupled with the practicalities and legalities of the deal business—make for informative and enjoyable reading."—Gilbert W. Harrison, Chairman, Financo, Inc. "Jeffrey Hooke has written a first-class primer on the science and art of mergers and acquisitions. This book will be a standard for both students and practitioners in the field."—Glenn H. Hutchins, Senior Managing Director, The Blackstone Group

Fulfilled By Amazon (FBA) is potentially the biggest retail revolutions since the emergence of ecommerce. Put simply, FBA allows sellers to outsource their product storage and distribution to Amazon. FBA is giving rise to a new, post-eBay, entrepreneur: people who want to spend their time re-selling, designing, branding and marketing products. With FBA, you don't have to worry about being hacked or setting up payment systems. There's no more traipsing to the Post Office or worrying about being away when an order needs to be fulfilled. This gives you freedom too - you can run your FBA operation from anywhere in the world. All you need is access to the Internet. There are numerous books available on this subject, but this is the first to focus solely on Amazon.co.uk - that means UK case studies, pounds not dollars and UK/EU laws/rules. If you're a seasoned FBAer, this book is probably not for you - although you will learn a few new things. However, if you're thinking of entering this market or have less than a couple of years' experience, this guide should prove invaluable. This book includes the following: \* Finding products that will sell. \* Creating your own brand - branded products sell for a premium. \* Registering a trademark. \* Importing goods from outside the EU. \* Sourcing/buying products from overseas suppliers. \* Registering as a seller on Amazon. \* Listing FBA products on Amazon. \* Getting your products to Amazon's fulfilment centres. \* Commodity codes, import duty and VAT. \* Pricing your products. \* How to get great customer reviews to boost sales. \* The dark arts of Amazon Search Engine Optimization (SEO). \* Selling as a Pro Merchant. \* Products requiring prior approval by Amazon. \* Promoting your products, including: o Amazon Sponsored Products advertising. o Facebook for business. o Amazon money-off promotions. o Amazon Launchpad. o Handmade at Amazon. \* List on eBay, sell via FBA. \* Returns and damaged stock. \* Amazon Lending. \* Rules and regulations - tedious but necessary. Amazon FBA is a moveable feast - things are changing every week. I have included my email address in the book and encourage readers to ask questions, make suggestion and point out any inaccuracies. Hopefully there won't be too many of the latter! Enjoy and good luck. Ned Browne, 7th August 2017.

Whether we realize it or not, we are all brands. We all have qualities that shape and influence how the people in our lives see us—and how we see ourselves. Nationally respected brand experts Jerry Wilson and Ira Blumenthal have helped some of the most exceptional companies and individuals in the world perfect their images. Now, in *Managing Brand You*, they reveal their proven seven-step process for personal brand building. Using illuminating examples from successful corporations like Coca-Cola and Starbucks as well as high-profile celebrities like Bono and Oprah, *Managing Brand You* gives readers a step-by-step guide for conducting a self analysis, creating a unique identity, defining their objectives, discovering their passions, creating a plan, putting that plan into action, and monitoring their progress. Wise and insightful, this book will help readers identify what it is that makes them unique and communicate it in a way that guarantees them success.

This is a book we can white-label for you. step-by step guide on selling a luxury home for the highest possible price.

**Beer: A Punctilious Private Label Agreement** During my college coursework, I did not take lessons in the study of commercial contracts or well-defined procurement processes. However, I got introduced to them working with large enterprises. I have inculcated years of experience & industry best practices in this private label agreement, designed for buying beer, which is made in Germany. I am confident this book will help you study industrial procurement processes, private label arrangement, collection of exclusive & creative clauses to help protect rights of the parties, and policies & procedures to regulate their relationship.

**Want To Become A Millionaire Within Just 1 Year?** That was NOT a joke, we're 100% serious about it! Do you want to become rich and live the millionaire lifestyle? Do you want to build a long-term seven-figure passive online business that'll continue to make money even while you sleep? Have you heard about Amazon FBA but looking for a complete step-by-step guide on how to actually start your \$100,000/month business? If you answered "yes" to any one of the above questions then we have good news for you. Because... You're about to discover the proven strategy to starting an Amazon FBA business that'll generate more than a million in profit each year. Ever since Amazon introduced their Fulfilment By Amazon (FBA) service it has made a fantastic opportunity for third-party sellers to make money by private labelling and dropshipping physical products on Amazon. A successful product on Amazon makes thousands of dollars of profit each month, and if scaled up properly, you can easily reach a point where your business will be making \$100,000/month and reward you with the millionaire status that everybody else can only dream of. The Amazon FBA business is a serious, long-term profitable business model, it's not a quick way of making a few thousand dollars online. In Amazon FBA, you'll be building a real brand and creating a real sustainable online business. And the best part, anybody can do it. You won't need any previous business or internet marketing experience; you won't even have to step outside of your home to do this. With the right guidance, you can easily create a passive income stream, achieve financial freedom, quit your boring 9 to 5 job and spend more time with your family and loved ones. But wait... the world of Amazon FBA is still quite shady. In order to start and run a successful private labelling business you'll need to know the ins-and-outs of the industry and have a complete, step by step guide to help you in your journey to building an online business. Introducing Our Masterpiece, "Amazon FBA: The Complete Step By Step Guide To Building A \$100,000 Per Month Private Label Business Using Amazon FBA" In this book we go into the details of starting a successful FBA business and show you the proven strategies and techniques to create a \$100,000/month passive income stream. "This book provides a "how to" approach to mastering business analysis work. It will help build the skill sets of new analysts and all those currently doing analysis work, from project managers to project team members such as systems analysts, product managers and business development professionals, to the experienced business analyst. It also covers the tasks and knowledge areas for the new 2008 v.2 of The Guide to the Business Analysis Body of Knowledge (BABOK) and will help prepare business analysts for the HBA CBAP certification exam."--BOOK JACKET.

Advalue is organised into four sections, according to where the advertising effect is to be seen: \* Company value effects \* Business performance effects \* Customer effects \* Brand effects In addition, there is a brief introductory section and each chapter is prefaced by a short executive summary describing 'the argument in brief'. The individual authors are leading experts in their fields drawn from the advertising industry, the client community and the academic world. The book is aimed both at an advertising audience and at a general business audience - spanning from Finance to Marketing - who need to tie advertising spend to tangible outcomes.

Discover the Secrets of Personal Branding. Hi, my name is Mark and I am going to reveal to you my proven, step-by-step method of Personal Branding. In this book, I am going to outline many of the methods and secrets that I've used to create a successful personal brand. Have you ever used Google to look yourself up? Go ahead and take a moment to enter your name into the search engine. I'll wait. Are you back? Great! What pops up first? Do you even show up at all? What does the world have to say about you? What do your social networks have to say to anyone else who might Google you? For a lot of us the result is an uncontrolled mess of descriptors and identifiers that lacks the necessary cohesion to arrest an audience. Others of us find that we are invisible. This is just one example I use to convey to you the necessity of personal branding. It might seem daunting. It may seem downright terrifying. But I know that if you are willing to trust yourself to me, I can lead you on your journey to reinventing your personal identity and transforming it into a strong and memorable personal brand. I won't lie, building and maintaining an exemplary personal brand isn't easy. If it was, brands

such as Cocoa Cola and Disney wouldn't be such an anomaly. Nor would people like Oprah and David Beckham. But I promise to make it simple. Don't believe it can be simple? Maybe you will be convinced by the countless personal testimonies successful people have been kind enough to contribute to this book. Here Is A Preview Of What You'll Learn... Grady Harp "I have never thought of associating "branding" with an individual, after I read this book I realized how important branding is to everyone. This book shows that personal branding could help in every aspect of the career, to win a job, to get your boss's approval, to seal a deal... there are case studies in this book to prove all these. The author also introduces useful offline and online tools for branding yourself. I particularly like how the online tools were introduced in detail. For non tech-savvy guys like me, having a guide to creating a blog, managing the server issues, using LinkedIn and all sorts of technical matters surely saves lots of time." Moore Ronson "Mark Cijo paints a good picture for you on how to market yourself, how to get your message out there, how to gain the accolades that you deserve." William D. Curnutt aka Pastor Dan "My favorite part of this book is when the author highlights four successful brands and shows how you can apply the techniques of their success to your own personal branding. I hadn't thought so deeply about how to an analytical approach to my self presentation online, and I loved both the information and the advice on how to track my progress."
