Prometo Falhar Pedro Chagas Freitas

All leaders are constrained by geography. Their choices are limited by mountains, rivers, seas and concrete. Yes, to understand world events you need to understand people, ideas and movements - but if you don't know geography, you'll never have the full picture. To understand Putin's actions, for example, it is essential to consider that, to be a world power, Russia must have a navy. And if its ports freeze for six months each year then it must have access to a warm water port - hence, the annexation of Crimea was the only option for Putin. To understand the Middle East, it is crucial to know that geography is the reason why countries have logically been shaped as they are - and this is why invented countries (e.g. Syria, Irag, Libya) will not survive as nation states. Spread over ten chapters (covering Russia; China; the USA; Latin America; the Middle East; Africa; India and Pakistan; Europe; Japan and Korea; and Greenland and the Arctic), using maps, essays and occasionally the personal experiences of the widely traveled author, Prisoners of Geography looks at the past, present and future to offer an essential guide to one of the major determining factors in world history. Partindo do livro do Pedro Chagas Freitas, Prometo Falhar Todos Os Dias, construo um diálogo a uma só pessoa com cada uma das inúmeras citações - e não só - que se podem encontrar ao longo do livro. São poemas e são pensamentos, por vezes, parágrafos apenas, com os quais com mantendo uma comunicação íntima que concorda, discorda, para e vai além do que está impresso.

A mais recente incursão do autor do best-seller Prometo falhar por um universo poético e cheio de sensações. Em Prometo perder, Pedro Chagas Freitas embarca em uma viagem intimista e desconcertante até o interior da emoção: da saudade ao desejo, da rebeldia à submissão, da dor ao amor, nada ficará por tocar. Permita-se sentir. Porque só quem ama corre o risco de perder; os outros correm apenas o risco de continuar perdidos. Porque só quem nunca amou nunca perdeu.

The author inspires us with passionate phrases and invites his readers to put their own thoughts on paper.

Traditional Chinese edition of A Sudden Light by Garth Stein. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc. When the bookshop where she works is about to close, Laura Horsley recklessly agrees to help organise a literary festival. But her initial excitement turns to a sense of panic at the enormity of the work involved - especially when the festival committee mistakenly believes that Laura is a personal friend of the author at the top of their wish list. Laura might have secretly been infatuated with Dermot Flynn, but to travel to Ireland and persuade the notorious recluse to come out of hiding...? Determined to rise to the challenge, she sets off to meet her literary hero. But Dermot, maddening, temperamental and up to his ears in writer's block, is also infuriatingly attractive - and, apparently, out to add Laura to his list of conquests. ?????????????????????????????????????? ????????????????????????????????? ??????????????????Kirkus Reviews? ??????????????????????????????Library Journal? ???????????????

?????????????????????????????????? ???????????????????????????????Amiko 'Prometo Falhar' é um livro que fala de amor. O amor dos amantes, o amor dos amigos, o amor da mãe pelo filho, do filho pela mãe, pelo pai, o amor que abala, que toca, que arrebata, que emociona, que descobre e encobre, que fere e cura, que prende e liberta.
