

Pronunciation Practice Activities With Audio Cd A Resource Book For Teaching English Pronunciation Cambridge Handbooks For Language Teachers

The second edition includes updates and insights on current research and pedagogical practice that have developed over the last decade. This new edition of Teaching Pronunciation - undoubtedly the gold standard for pronunciation methodology texts - has been revised to reflect recent research into the sound system of North American English, as well as new practices in pronunciation pedagogy. Audio CDs with additional examples are now packaged with the book.

Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Class Audio Cassettes include the Conversations, Grammar Focus frames, listening activities, Pronunciation practice, and self-study section from the Student's Books, all recorded in natural conversational English. Also included are the listening sections of the Quizzes found in the Teacher's Edition. The Class Audio program is also available on audio CDs.

An intermediate Spanish course designed for students with a working knowledge of the language and studying without the support of a classroom teacher.

MAIS OUI!'s success was founded on its unique guided approach that engages students in the discovery of the French language and Francophone cultures. Through its proven methodology that entails "thinking" then "observing and inferring" and finally "confirming," the program skillfully encourages students to discover for themselves how the language works. Students move rapidly through the material, developing these essential critical-thinking skills and uncovering the multiple layers of meaning. What they acquire in this manner is stored in long-term memory, facilitating a faster development of proficiency. The fifth edition offers seven new high-interest readings based on careful consideration of reviewer feedback. A new Culture Portfolio section, Bloguez! is integrated into every culture section of the textbook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

NAKAMA 2 Enhanced is the second part of a two-year proficiency-oriented program that emphasizes practical communication and the development of listening, reading, writing, and speaking skills. The eleven thematic chapters, plus one preliminary chapter, focus on high-frequency communication situations; while chapter dialogues illustrate typical daily events representative in Japanese life and provide realistic contexts in which to learn vocabulary and grammar. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The fifth edition offers seven new high-interest readings based on careful consideration of reviewer feedback. A new Culture Portfolio section, Bloguez! is integrated into every culture section of the textbook. The online Culture Portfolio is hosted via the iLrn Heinle Learning center through the Share It! feature and allows students to interact with their classmates, post pictures, videos, and make cross-cultural comparisons. By the use of familiar online or offline tools, students are encouraged to communicate between each others, leveraging the technical and cultural inputs they acquire through each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

NAKAMA 1 is a complete, flexible introductory program designed to present the fundamentals of the Japanese language to users. Presented in two parts, NAKAMA 1a and NAKAMA 1b, the program focuses on proficiency-based language learning, emphasizes practical communication and student interaction, and fosters the development of all four

language skills and cultural awareness. Thematically organized chapters focus on high-frequency communicative situations and introduce students to the Japanese language and its three writing systems: hiragana, katakana, and kanji. Maintaining the program's balanced approach, the new edition features updated technology resources, new authentic art, and practical, contemporary vocabulary to enhance both teaching and learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

If you are looking for information or activities concerning the problematic /r-l/ phonemic distinction in English, look elsewhere. If, instead, you are interested in finding out about the pronunciation problems that afflict Brazilian learners of English, then you will find this book a goldmine. *Pronunciation Instruction for Brazilian Learners: Student's Book* was designed with a specific target of learners in mind: Brazilian Portuguese speakers learning English as a foreign language. What is unique about *Pronunciation Instruction for Brazilian Learners* is its approach to teaching pronunciation. It brings together current developments in Applied Linguistics, insights from recent empirical studies on the acquisition of English phonology, and effective practices in pronunciation instruction, within a communicative approach to teaching foreign languages. Filled with clear and succinct explanations about difficult and hard-to-perceive sounds in English, the book provides eye-pleasing and practical activities that cover the different steps involved in the mastery of a foreign sound system, going from the mechanical articulation of a problematic sound to its ultimate use in an authentic communicative interaction. This is an important contribution to the field of pronunciation teaching and, accordingly, a must-read for anyone interested in studying and teaching the pronunciation of English as a second or foreign language.

Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The *Interchange Class Audio Cassettes* include the conversations, grammar focus frames, listening activities, pronunciation practice, and self-study section from the *Student's Book*, all recorded in natural conversational English. Also included are the listening sections of the quizzes found in the *Teacher's Edition*. The *Class Audio* program is also available on Audio CDs. This *Value Pack* consists of the *Focus on Pronunciation 2 Student Book* and the *Classroom Audio CDs*. The new edition of *Focus on Pronunciation* gives beginning to high-beginning students the tools, tips, and techniques they need to speak clearly, accurately, and fluently. All aspects of pronunciation are included - consonants, vowels, stress, rhythm, and intonation. The variety of activities and flexible, accessible style make learning fun. Features: Presentation sections feature clear explanations and diagrams. Focused Practice sections build accuracy with high-interest listening and speaking tasks and engaging games. Communication Practice sections integrate pronunciation and fluency with practice in a communicative thematic context. Natural English boxes illustrate how to speak English more naturally and fluently. Extended Practice sections encourage continued accuracy and fluency practice outside of class. The CD in the back of the book provides MP3 audio for the Extended Practice sections. *Classroom Audio CDs* provide the complete audio program. Complete online Answer Keys and Audioscripts are available online.

Today, acquiring English language skills has become so essential, especially for those who are looking for new jobs in reputed organizations as well as for the practising professionals. Many engineering students, even though they have adequate knowledge of their subject, are unable to express themselves well in English. Taking this into account, engineering colleges/institutes have introduced exclusive English Language Laboratories where students are drilled in the practical aspects of the English language. This compact and comprehensive book is a step-by-step practical guide to students, telling them how to prepare technical reports and how to acquire the basic communication skills—listening, speaking, reading and writing. The book deals with conversation, situational dialogues and role plays, and Group Discussions (GDs). It also gives detailed discussion about Interviews—step-by-step preparation, practical and psychological preparation, the dos and don'ts for interview—besides dealing with different kinds of interviews: telephonic, videoconferencing, and others. In addition, the text stresses the importance of researching the organization, and salary negotiations. Finally, the book shows the students how to make powerpoint presentations (PPTs), the structure of presentation and using audio visuals. This activity based, skill-oriented, learner centred book is designed according to the WBUT syllabus on Technical Report Writing and Language Laboratory Practice for the B.Tech. students. However, it would be equally useful for B.Tech./B.E. students across the country. **DISTINGUISHING FEATURES** : A practical and student friendly text, the stress being on the functional aspects of the language and various activities for acquiring the language. Gives the Methodology of conducting activities such as GDs, Interviews and Presentation. Provides model GD topics and the step-by-step process of making PPTs. Clearly spells out all the details, right from preparing a good job application, researching the company (including its financial health), to preparing the job portfolio, to wearing the proper dress, handling questions, and negotiating salary. Provides an extensive list of probable questions along with their answers to prepare students for mock interviews. Also gives well-crafted questions at the end of each lesson.

The new Workbook edition includes the language, grammar and communication based exercises and tasks that have made the Workbook so popular, plus: a A Studentsa Audio CD with selected listening activities for pronunciation practice; a A brand new Video CD that includes video clips, related exercises, games, quizzes plus other audio-visual stimuli (photo slideshows and PowerPoint) that specifically develop studentsa intercultural competence.

The best-selling English Pronunciation in Use is a comprehensive reference and practice book suitable for self-study or classroom work. Fifty easy-to-use units cover all aspects of pronunciation, including individual sounds, word stress, connected speech and intonation. The versions with audio CDs include audio material in a range of accents, supporting each unit. An additional reference section offers a glossary of specialized terms, help with the pronunciation of numbers and geographical names, and fun exercises on phonemic symbols and minimal pairs. The version with CD-ROM provides a wide variety of additional interactive activities to reinforce the pronunciation covered in the book, as well as tests, progress checks, games and animated diagrams of the mouth showing learners how to produce individual sounds. Learners can also record themselves and compare their pronunciation with one of the many models provided.

À VOUS! is a complete introductory French program that makes learning French easier through its flexible and accessible approach. The program integrates the best aspects of theories in second-language acquisition and focuses on skills crucial to the learning and use of a foreign language. The program incorporates high-frequency vocabulary that is of interest to today's students, grammar explanations that are complete and comprehensible, a focus on all skills, task-based activities that simulate what students will do during their first travel- or study-abroad experience, and high-interest cultural topics that invite cross-cultural comparisons. This innovative and comprehensive approach to the introduction of French language and culture asks students to use their analytical skills while participating in a highly interactive and personalized learning experience. The Worktext version of À vous, 2nd Edition Volume 2 includes the complete front matter and back matter plus Textbook Chapters 8-14 PLUS SAM Chapters 8-14 in one convenient paperbound volume. Volume 1 also includes the complete front matter and back matter plus Textbook Chapters 1-8 PLUS SAM Chapters 1-8. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A complete basic course in English phonetics and phonology which combines academic material with practical exercises, both written and recorded. Since the publication of the first edition in 1983, this course has established itself as the most practical, comprehensive text in the field and become widely used in many parts of the world in universities and other institutions of higher education. It is used by both native and non-native speakers alike, and is suitable for those training to teach English as well as those studying the language at an advanced level. This new edition takes into account recent developments in the teaching of phonology. It includes updated references, fuller coverage of intonation, and a new chapter on different varieties of English with illustrative recorded material. English Phonetics and Phonology bridges the gap between simple pronunciation handbooks and technical phonetics and phonology textbooks. It presents the basic factual material and crucial theoretical issues in a practical and readable way. At the end of each chapter there are notes giving information on further reading, discussion of the more challenging issues, written exercises and, where appropriate, suggestions for teachers. In addition the audio CDs include recorded exercises for every chapter which are particularly helpful for non-native speakers. A full answer key is available at the back of the book. Additional exercises and other supporting material are available online.

HORIZONS is a complete elementary French program that makes learning French easier through its step-by-step skill-building methodology, flexible and accessible approach to grammar and new vocabulary, and creative and sophisticated coverage of Francophone culture. Through varied interactive activities and clear grammar explanations, the text helps students communicate effectively in French while culturally connecting them to the Francophone world. HORIZONS features a clear, easy-to-follow structure that is ideal for instructors with any level of teaching experience. HORIZONS carefully guides students Competence by Competence, through their first year of elementary French. Buongiorno Italia is a beginners' course in Italian. Based on authentic conversations and interviews recorded in Italy, it offers a unique introduction to simple, everyday language. It is now fully revised in a new edition, including the euro and up-to-date cultural information about life in Italy. The course is designed to meet the needs of both independent learners and those studying in a class. Divided into 20 short units, the book contains dialogues, language notes, information about Italian society, vocabulary and practice activities. There is also a full reference section, including answers, grammar notes and a glossary. The audio offers the chance to develop listening and speaking skills, with real-life conversations, stage-by-stage pronunciation practice and further activities. New, Interactive audio exercises tie the book and audio more closely together to form a complete multi-media course. Audio now available on CD as well as cassette. Brand new sophisticated design and full colour makes the course easier to navigate and more visually appealing. Specially created new dialogues and reading passages offer a different insight into modern Italy.

Now featuring a brand-new design and integration of short film, the newly-revised PONTI: ITALIANO TERZO MILLENNIO provides an up-to-date look at modern Italy, with a renewed focus on helping the second year student bridge the gap from the first year. With its innovative integration of cultural content and technology, the Third Edition encourages students to expand on chapter themes through web-based exploration and activities. Taking a strong communicative approach, the book's wealth of contextualized exercises and activities make it well suited to current teaching methodologies, and its emphasis on spoken and written communication ensures that students express themselves with confidence. Students will also have the chance to explore modern Italy with a cinematic eye through the inclusion of five exciting short films by Italian filmmakers. Audio and video files can now be found within the media enabled eBook.
