

Prophets Dictionary The

Edited by Bill T. Arnold and Hugh G. M. Williamson, the Dictionary of the Old Testament: Historical Books is the second volume in IVP's Old Testament dictionary series. This volume picks up where the Dictionary of the Old Testament: Pentateuch left off--with Joshua and Israel poised to enter the land--and carries us through the postexilic period. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament, this encyclopedic work is characterized by in-depth articles focused on key topics, many of them written by noted experts. The history of Israel forms the skeletal structure of the Old Testament. Understanding this history and the biblical books that trace it is essential to comprehending the Bible. The Dictionary of the Old Testament: Historical Books is the only reference book focused exclusively on these biblical books and the history of Israel. The dictionary presents articles on numerous historical topics as well as major articles focused on the books of Joshua, Judges, Samuel, Kings, Chronicles, Ezra and Nehemiah. Other articles focus on the Deuteronomistic History as well as the Chronicler's History, the narrative art of Israel's historians, innerbiblical exegesis, text and textual criticism, and the emergence of these books as canonical. One feature is a series of eight consecutive articles on the periods of Israel's history from the settlement to postexilic period, which form a condensed history of Israel within the DOTHB. Syro-Palestinian archaeology is surveyed in one article, while significant archaeological sites receive focused treatment, usually under the names of biblical cities and towns such as Jerusalem and Samaria, Shiloh and Shechem, Dan and Beersheba. Other articles delve into the histories and cultures of the great neighboring empires--Egypt, Assyria, Babylonia and Persia--as well as lesser peoples, such as the Ammonites, Edomites, Moabites, Philistines and Phoenicians. In addition there are articles on architecture, Solomon's temple, agriculture and animal husbandry, roads and highways, trade and travel, and water and water systems. The languages of Hebrew and Aramaic, as well as linguistics, each receive careful treatment, as well as the role of scribes and their schools, and writing and literacy in ancient Israel and its environs. The DOTHB also canvases the full range of relevant extrabiblical written evidence, with five articles focused on the various non-Israelite written sources as well as articles on Hebrew inscriptions and ancient Near Eastern iconography. Articles on interpretive methods, on hermeneutics and on preaching the Historical Books will assist students and communicators in understanding how this biblical literature has been studied and interpreted, and its proper use in preaching. In the same vein, theological topics such as God, prayer, faith, forgiveness and righteousness receive separate treatment. The history of Israel has long been contested territory, but never more so than today. Much like the quest of the historical Jesus, a quest of the historical Israel is underway. At the heart of the quest to understand the history of Israel and the Old Testament's Historical Books is the struggle to come to terms with the conventions of ancient historiography. How did these writers conceive of their task and to whom were they writing? Clearly the Old Testament historians did not go about their task as we would today. The divine word was incarnated in ancient culture. Rather than being a dictionary of quick answers and easy resolutions readily provided, the DOTHB seeks to set out the evidence and arguments, allowing a range of informed opinion to enrich the conversation. In this way it is hoped that the DOTHB will not only inform its readers, but draw them into the debate and equip them to examine the evidence for themselves.

Decode Your Dreams This is the Symbols Dictionary that replaces them all Colette Toach does it again... puts up a standard with an Apostolic Foundation that you can trust. You will never have to look far and wide for an interpretation again. There are many symbol dictionaries out there, but what stands out about ours is that each symbol is backed up by the Word and balanced by the Spirit. Combine the two together and you get a breeding ground for revelation. Weigh each symbol and compare it to your own revelation from the Lord. You will be amazed

at the intimate messages that the Lord is speaking to you in your dreams. This Book is for You, if You Want To: -Hear from God -Interpret dreams -Draw closer to the Lord -Receive direction, encouragement, and revelation about your past, present and future -Flow in the prophetic The Way of Dreams & Visions Symbol Dictionary (2013 Edition) is your personal handbook to dream interpretation. The Lord is talking to you, but do you KNOW what He is saying? Get your copy today and find out. NOTE: We recommend this book for all students working through the Dreams and Visions course on the AMI Prophetic School (www.prophetic-school.com)" Here is a book you will refer to again and again. Clear, authoritative and as complete as possible, this book will help to open a new world of communication between you the Lord you love. See what others are saying about this great book: "When used through the Holy Spirit, it (this book) can help the reader take away the frustration of not knowing what dreams mean and avoid the dangers of misinterpretation." -Joseph Ewen Founder and Leader of Riverside Church Network Banff, Scotland, UK "This book is a treasure chest, loaded down with revelation and the hidden mysteries of God that have been waiting since before the foundation of the earth to be uncovered." -Bishop Ron Scott, Jr. President, Kingdom Coalition International Hagerstown, MD "The Illustrated Bible-Based Dictionary of Dream Symbols is much more than a book of dream symbols; it has also added richness to our reading of God's Word." -Robert and Joyce Ricciardelli Directors, Visionary Advancement Strategies Seattle, WA

A long awaited answer to the world's and the churches voracious spiritual appetite is here. Spiritual wisdom teams up with intelligence in the 2002 release of The Prophets' Dictionary, The Ultimate Guide to Supernatural Wisdom. Arranged in dictionary style, The Prophets' Dictionary has 1652 entries in 600 pages. This manual of prophetic and spiritual knowledge is more than a dictionary; it is a supernatural guide to God's wisdom. In addition to providing practical insights on the prophets operation in our modern world, The Prophets' Dictionary gives standardized and uniform terminology, and establishes God's divine vocabulary for the present Prophetic move of God. This timeless tool is powerful and essential for the prophet, psalmist, intercessor dreamer of dreams, leader or teacher, and pastor.

Provides students with concise, manageable information on the history and context of the Bible, specifically the different texts, interpretations and versions available

The prophetic books are some of the most captivating and fascinating texts of the Old Testament. They are also some of the most misunderstood. This book equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion. Aaron Chalmers leads the reader through the various 'worlds' of Israel's prophets – historical, social, theological and rhetorical – providing the basic contextual and background information needed both for sound and sensible exegesis and for sensitive interpretation and application to today. The book concludes with a helpful chapter giving guidelines for preaching from the Prophets – including advice on choosing the texts, identifying appropriate analogies, and the potential problems and common pitfalls to avoid.

This reference work is a resource for students of comparative religion, dealing specifically with prophets and prophecy in Islam and Judaism. The core of this work is the dictionary section, which focuses on four main areas: prophets; texts; scholars and scholarship; and issues, concepts, and themes. The entries deal with a broad array of prophets and related figures, from Adam and Eve to Isaac to Moses to Jesus and his disciples to Muhammad. The authors included information on issues, concepts, and themes, among them prophecy, shamans, and oracles, but also ritual and law, ethics and mysticism, angelology and demonology. A selective bibliography can guide readers to further works of interest.

After twenty years of research, Dr. J. Barton Payne has compiled the one complete

guide to Biblical prophecy. From the prediction of Adam's death in Genesis 2: 17 to the prophecy of mankind's perpetual worship of God in the new heaven and earth (Psalm 72:5), the ENCYCLOPEDIA OF BIBLICAL PROPHECY discusses every verse of prophetic matter in Scripture. It identifies every probable point of fulfillment whether in the past, present, or still in the future. The first 144 pages of the ENCYCLOPEDIA OF BIBLICAL PROPHECY set forth a systematic approach to the subject of Biblical prophecy and the legitimate place for prediction in it. The ENCYCLOPEDIA is arranged according to the 66 books of the Bible. In each book, all the verses on one prophetic theme are treated in one combined discussion. For example: The 12 verses of Genesis that foretell God's granting of the land of Canaan to the descendants of Abraham are discussed together. It is then shown how the promise was fulfilled in the days of Joshua. One of the ENCYCLOPEDIA'S concluding summaries lists all the 737 major subjects that appear in Biblical prediction, with the books and paragraphs in which each is found. This way, each prophecy can be traced from its first appearance in the Bible to its last. Among the many features is a complete list of all the Scriptural prophecies pertaining to Christ. No other book has ever examined Biblical prophecy so thoroughly or presented it in such a balanced perspective as the ENCYCLOPEDIA OF BIBLICAL PROPHECY. •1,817 entries covering all the Biblical predictions in both the Old and New Testaments •A complete discussion of all 8,352 predictive verses in the Bible •14 tables, including three on the Book of Revelation •Bibliography •4 summaries •4 statistical appendixes •5 complete indexes An indispensable tool for students of the Bible, for students in theological seminaries and Bible colleges, for pastors as a reference guide, and for concerned lay people. The ENCYCLOPEDIA OF BIBLICAL PROPHECY is certain to bring a fresh understanding and rewarding insights of the bible.

Paula A. Price, bestselling author of The Prophet's Dictionary delivers the second in the popular ABCs of Apostleship series, Discipling Apostolic Christians. Discover why if you are a bible-believing Christian, you are apostolic. This powerful and clever addition to the series is a text+workbook in one and challenges the reader to think about their Christianity in a brand new way.

The spiritual teachings of Israel's biblical prophetesses from a kabbalistic perspective • Explores the lives and symbolic significance of seven female prophets: Sarah, Miriam, Devorah, Chanah, Avigail, Chuldah, and Esther • Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known, not only a tool for telling the future • Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel--Sarah, Miriam, Devorah, Chanah, Avigail, Chuldah, and Esther--lived between 1800 and 350 BCE. Their combined lives reflect a kabbalistic path of spiritual evolution that is as pertinent to our lives today as it was for the biblical communities in which they lived. From her studies of the Torah and classical gematria, Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life: from creation (Sarah) through learning correct moral action (Devorah) to the promise of redemption and ultimately resurrection (Esther). Using the stories of their lives and teachings, Hieronimus reveals the relationship of each prophetess to the seven days of the week, the seven sacred species of Israel, the human body, and Jewish holidays and rituals. This book presents the kabbalistic teachings of these holy women and what they reveal

about the initiatory path of individual development and redemption. The seven prophetesses show that every person has a part to play in the repair of the world, and Hieronimus gives a practical set of maps and spiritual guidelines for that journey. The Prophetic Primers are a series of smaller books based on the best-selling The Prophet's Dictionary and The Prophet's Handbook that will bring clarity, discovery, and definition to the training of prophetic gifts. In *Assessing Your Prophetic Self*, Dr. Paula A. Price provides diagnostic tools, as well as language and knowledge, to discern, measure, and encourage the gifts of novice prophets. Readers will receive links for an online prophetic assessment test. Dr. Price also sets specific and measurable objectives, goals, and outcomes for the formation of a prophetic ministry. Also includes an introduction for the seasoned prophet looking to mentor others in the ministry. There are more examples of personal prophecy in Scripture than any other biblical subject. "Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical, "how to" guide on what personal prophecy is and what you are supposed to do with it. This book is an absolute must for anyone who has ever heard (or even thought they heard) from God." – Dr. John Gimenez *Prophets and Personal Prophecy*, God's Prophetic Voice Today, makes incredible strides towards restoring Personal Prophecy to the Church and is the only book of its kind. Topics include: Putting Personal Prophecy in proper perspective The nature of Personal Prophecy Decisions for marriage, business and geographic moves Guidelines for handling Personal Prophecy God's purposes for Prophets

This text holds a collection of over 3000 quotations taken from all of the great books of the worlds religions, the Bible, Hindu Vedas, Jewish Mishnah, and Bhagavad Gita are some examples.

Ever tried on a God helmet? Are there still prophets running around? Will the world end before Christmas next year? Surely you've pondered such issues far into the lonely night? Still, there are moments when we wonder about that stuff. But where is the solid and basic information to push us along? Fear not. Prophecy A-Z is here to help you out. As the subtitle pledges: the book is complete, eschatological, and a dictionary of prophecy. A letter-by-letter dictionary of prophetic terms - from Aaron to Zwingli - Sixty essays covering the most complex end times concepts - Healthy doses of history, philosophy, and apocalyptic shop talk It's handy; it's thorough; it's essential for every interested lay reader, Bible scholars, and clergy professionals.

"The church today is in great need of the prophet's ministry. And yet, there exist much ignorance and misunderstanding of this important and vital ministry. This is partly due to the lack of teaching on the subject of the prophetic ministry, the lack of depth in the understanding of spiritual matters concerning the church, fear, distrust between leaders, pride, jealousy and disobedience to the Spirit of God and the will and plan of God for end-time-ministry. All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet's ministry. As the church draws nearer to the end of the church-age prophets, prophetess and prophetic ministries will become more necessary and in increasing demand. The purpose of this book is to show biblical

articles on its ancient Near Eastern background and its history of interpretation. Additional articles amply explore the literary dimensions of Hebrew poetry and prose, including acrostic, ellipsis, inclusio, intertextuality, parallelism and rhyme. And there are well-rounded treatments of Israelite wisdom and Wisdom literature, including wisdom poems, sources and theology. In addition, a wide range of interpretive approaches is canvassed in articles on hermeneutics, feminist interpretation, form criticism, historical criticism, rhetorical criticism and social-scientific approaches. The Dictionary of the Old Testament: Wisdom, Poetry & Writings is sure to command shelf space within arm's reach of any student, teacher or preacher working in this portion of biblical literature.

The dictionary focuses primarily on the 19th and 20th centuries, stressing topics of most interest to Westerners. What emerges is a highly informative look at the religious, political, and social spheres of the modern Islamic world. Naturally, readers will find many entries on topics of intense current interest, such as terrorism and the Taliban, Osama bin Laden and al-Qaida, the PLO and HAMAS. But the coverage goes well beyond recent headlines. There are biographical profiles, ranging from Naguib Mahfouz (the Nobel Prize winner from Egypt) to Malcolm X, including political leaders, influential thinkers, poets, scientists, and writers. Other entries cover major political movements, militant groups, and religious sects as well as terms from Islamic law, culture, and religion, key historical events, and important landmarks (such as Mecca and Medina). A series of entries looks at Islam in individual nations, such as Afghanistan, the West Bank and Gaza, Bosnia-Herzegovina, and the United States, and the

Decode the Prophetic Language of God! In The Divinity Code to Understanding Your Dreams and Visions, Adam Thompson and Adrian Beale taught you the supernatural keys to interpreting God's voice through your dreams. In this follow-up work, Thompson and Beale offer revelatory insights about the prophetic language that God speaks through everyday signs, symbols and pictures! God's Prophetic Symbolism in Everyday Life will open your eyes to how God is constantly speaking to you through what's around you. Learn how to: Tune your prophetic senses to hear the ever-speaking voice of the Holy Spirit Open your spiritual eyes to discern what God is saying to you through everyday occurrences Discern the supernatural meaning of unusual coincidences Operate in the prophetic and seer anointings. Open your eyes and ears to the prophetic language of the Holy Spirit!

Not an ordinary dictionary-loaded with divine wisdom! The most comprehensive, illustrated Bible-based dictionary of prophetic and dream symbols ever compiled is contained in this one authoritative book! Revelations from God are more common than most people would dare to believe—what is scarce is godly understanding of what is revealed. The Bible-Based Dictionary of Prophetic Symbols is a masterpiece that intelligently and understandably bridges the gap between prophetic revelation and application—PLUS it includes the expanded version of the best selling Illustrated Bible-Based Dictionary of Dream Symbols.

revelation, and whether we are new believers or ministry leaders, the language of revelation and truth can empower us to become part of God's restoration. But first we must understand this language. The Apostolic & Prophetic Dictionary: Language of the End-Time Church is a necessary tool for all who desire to be part of God's present-day apostolic and prophetic movement. With over five hundred well-researched, comprehensive entries, it offers an insightful way to learn about the revelations needed for the body of Christ to fully embrace the model of the church seen in the book of Acts. Learn phrases and words central to the language of revelation:

- Transfer of wealth, seven mountain kingdoms, anointing, impartation, activation, signs and wonders, prophets in the marketplace, Elijah company of prophets, apostolic covering, Joshua assignment, and much, much more. Also unlock vital words of the Bible in these fields:
- Eschatology: Armageddon, rapture, end times, millennial kingdom, Antichrist, and great tribulation.
- Apostolic terms: deliverance, healing, apostolic order, commissioning, and ordination.
- Prophetic terms: open doors, God's timing, God's release, prophetic warfare, and prophetic praise.
- Movements: apostolic and prophetic movement, kings and priests movement, saints movement, glory movement, new wine movement, and kingdom now movement.
- Gifts of the Holy Spirit: special faith, word of knowledge, word of wisdom, prophecy, and discerning of spirits.
- Works of the Holy Spirit: demonstration of power, power evangelism, holy laughter, and slain in the spirit.
- Key Hebrew and Greek terms: parakletos, sozo, kabod, hoios, tecknon, and apokulupsis.
- Common but misunderstood terms: grace, salvation, calling, and deliverance.

The Apostolic & Prophetic Dictionary is needed for today's church, and it promises to be unique, relevant, and full of revelation.
