

Public Administration N5 June Question Paper

Lists citations to the National Health Planning Information Center's collection of health planning literature, government reports, and studies from May 1975 to January 1980.

Includes entries for maps and atlases.

The Special Tribunal of the Lebanon is the first international Tribunal established to try the perpetrators of a terrorist act: the murder of the Lebanese Prime Minister in 2005. This book, written by practitioners with experience of the court and experts in international criminal law, provides a detailed assessment of its unique law and practice.

Benjamin Disraeli was perhaps the most colourful Prime
Minister in British history. This seventh volume of the
highly acclaimed Benjamin Disraeli Letters edition shows
also that he was a dedicated, resourceful, and farsighted
statesman. It contains 670 letters written between 1857
and 1859. They address friends, family, political
colleagues, and, not least, Queen Victoria and Prince
Albert. During this period, Disraeli shepherded a fragile
Conservative government through the Indian Mutiny, the
Second Opium War with China, the Orsini bomb plot,
and the Franco-Austrian-Piedmontese War, only to fail at
home over parliamentary reform. Day-by-day politics and
behind-the-scenes strategy dominate, while lighter-
hearted letters to friends and family reveal the private
Disraeli's charm and wit. With an appendix of 115 newly
found letters dating from 1825, as well as information on
219 unfound letters, full annotations to each letter, an
exhaustive name-and-subject index and a

comprehensive introduction, this volume will be a vital resource for new understanding of this enigmatic statesman.

Beginning with 1953, entries for Motion pictures and filmstrips, Music and phonorecords form separate parts of the Library of Congress catalogue. Entries for Maps and atlases were issued separately 1953-1955.
