When Autumn is presented with the modeling deal of a lifetime, she quits her job on the spot. But she found more than a luscious career—she found love... Princess for Them As an investigating officer, Jordan takes her job seriously. She does everything by the book: she investigates the crime scene, collects necessary evidence, and reports back to her captain with extensive explanations of every single event that happened during the case. This particular scene was a bit puzzling for her. It was called in as a robbery, but she later discovered that foul play was at hand. A stalker was harassing two successful billionaire women, Cora and Sierra, who fall under the watchful eye of Jordan. When Jordan finally solves the case, Cora insists that they take her to dinner as a treat. But when Jordan becomes inexplicably attracted to both women, she finds herself in a heart-wrenching dilemma that she's never before faced: keep her beautiful triad relationship or keep her job.

I Do For You When Lisa Wilkinson attends her younger sister's wedding, she knows it isn't going to be an easy one. What she doesn't expect is for everyone to make her feel terrible about herself. So it's great for her to find some unexpected solace in a new friend. Amy Jones. With Amy's long red hair and her sparkling green eyes, plus her kick ass personality, she manages to pull Lisa out of her shell... But maybe a little too far. A steamy night that seems to come from nowhere leaves both women confused, neither of them know what to do. But can they ignore the powerful chemistry that circles them? One that neither of them has ever felt before. The wedding ends leaving them both changed forever, but is it for the best?

My Lucky Star What does a little alcohol and a lot of sexual tension get you? Well, in Heather and Gina's case, one night of rugged passion. Gina I have been told all my life that I defy all the red-haired stereotypes, I am cool, I am calm, and I am collected, that is the only reason I survive after taking the most stressful job as the personal assistant to one of the biggest names in Hollywood. I expected her to act like a princess—her reputation preceded her—I however didn't expect to find myself in her bed one drunken night, and I definitely didn't expect to have my world rocked.

Heather I am used to getting my way, that is how it has always been since my mom took me to a talent show and I showed the world what I was made of, everybody gets me what I want because of what they can get from me, and it gets tiring. In walks Gina, more than ten years younger than me but way more mature, and she doesn't cower to my will like the others, but instead treats me like any ordinary person. I like it, I like her, no surprise then that we end up in bed together ---

Two nobly born debutantes and their illegitimate sisters - a governess and an actress - compete for love while bringing to justice a handsome, dangerous traitor in these passionate, intrigue-filled Regency romances. HER GILDED PRISON ~ She was determined to secure the succession, he was in it for the pleasure. Falling in love was not part of the arrangement. When dashing twenty-five-year-old Stephen Cranbourne arrives at the estate he will one day inherit, it's expected he will make a match with his beautiful second cousin, Araminta. But while proud, fiery Araminta and her shy, plain sister, Hetty, parade their very different charms before him, it's their mother, Sybil, a lonely and discarded wife, who evokes first his sympathy and then stokes his lustful fires. As Stephen introduces Sybil to every pleasure she's been deprived of, duty turns to a deep and mutual love. But with the unexpected arrival of a contender to the estate, Sybil realises that what she's set in motion to save the family might have tragic consequences. DANGEROUS GENTLEMEN ~ Shy, plain Hetty was the wallflower beneath his notice...until a terrible mistake has one dangerous, delicious rake believing she's the "fair Cyprian" ordered for his pleasure. Shy, self-effacing Henrietta knows her place—in her dazzling older sister's shadow. She's a little brown peahen to Araminta's bird of paradise. But when Hetty mistakenly becomes embroiled in the Regency underworld, the innocent debutante finds herself shockingly compromised by the dashing, dangerous Sir Aubrey, the very gentleman her heart desires. And the man Araminta has in her cold, calculating sights. Branded an enemy of the Crown, bitter over the loss of his wife, Sir Aubrey wants only to lose himself in the warm, willing body of the young "prostitute" Hetty. As he tutors her in the art of lovemaking, Aubrey is pleased to find Hetty not only an ardent student, but a bright, witty and charming companion. Despite a spoiled Araminta plotting for a marriage offer and a powerful political enemy damaging

his reputation, Aubrey may suffer the greatest betrayal at the hands of the little "concubine" who's managed to breach the stony exterior of his heart. **THE MYSTERIOUS GOVERNESS** ~ Lissa Hazlett lives life in the shadows. The beautiful, illegitimate daughter of Viscount Partington earns her living as an overworked governess while her vain and spoiled half-sister, Araminta, enjoys London's social whirl as its most feted debutante. This box set contains Books 1-3 in the Dix Dodd Mystery Series. They include: The Case of the Flashing Fashion Queen Tired of

getting no respect at the big PI firm where she's worked for years, Dix Dodd has hung out her own shingle at the ripe age of 40. There are plenty of cheating husbands to go around, and Dix has a knack for busting them. Problem is, it doesn't always pay so well. Conscious that the guys back at the old firm are laying bets about how soon she'll come crawling back, she figures she's got six months to make a go of it. The going gets even tougher when she hires Dylan Foreman. But when he told her about getting fired from his law firm and disbarred for putting common decency before the firm's interests, she hired him on the spot. In addition to being smart, he's gorgeous enough to remind her she's a woman. And at 28, young enough to make her feel like a total cougar. Things start looking up when Dix gets hired by millionaire businessman Ned Weatherby's wife Jennifer Weatherby, to tail Ned 24/7 for a week, for a cool ten grand. Easy-peasy, right? Wrong! The job lands Dix in the middle of a murder investigation - with her as the prime suspect and her arch-enemy Detective Richard Head (a.k.a., Dickhead, one of the cheating husbands she'd nailed) gunning for her. Dix will need all her ingenuity, as well as the help of Dylan and her oddball cast of supporters to extricate herself from this one. Family Jewels Dix Dodd rides again! This time, to rescue her mother. A resident of a Florida retirement community, Katt Dodd is a person of interest in not only a rash of jewel thefts, but in the disappearance of her boyfriend, Frankie Morell. Dix, the handsome-as-sin Dylan, and the irrepressible (okay, rude) Mrs. P head to Florida to solve the case of the Family Jewels before Dix's mother gets railroaded. Of course, hilarious hijinks ensue when Dix goes into the Wildoh Retirement Complex (Motto: We provide the Wild, you supply the Oh!) undercover as Katt's erotica-writing daughter. Multiply the fun when Dylan gets himself hired as the Wildoh's newest employee, a slightly dim-witted security-cum-maintenance man. Death by Cuddle Club Vindication is Dix's when her nemesis Detective Richard Head (aka Dickhead) shows up at her door, asking for her help on a delicate matter. Delicate because he can't turn to his own PD without admitting he's a member of a newly opened Cuddle Club. There have been a couple of deaths of Club members, ostensibly of natural causes, but Detective Head wants to take a closer look. The task for Dix? Infiltrate the Cuddle Club, ferret out the truth, and report back to Dickhead. Simple. Well, except for the fact that Dix is about as cuddly as a porcupine. Good thing for her that her assistant, the handsome, much younger and infinitely more cuddle-friendly Dylan Foreman, is eager to go under the covers...er...under cover with her. Head was right, all is not as it seems at the club. As Dix has always maintained, cuddling can be dangerous to your health. In fact, it can be downright deadly. We've become dangerous... Our city is divided. Not just by the river that separates poor from rich, but by a government who throws away people who are not good enough. We're Avoidables, a race of people who have been shunned, judged and persecuted for the way we look and the rare gifts we have. We're ready for justice, we're ready for war. We're ready to seek vengeance for lifetimes of hatred. We've become dangerous. And, yet, a small glimmer of hope arrives in the form of angels. Integrating themselves into the government, they're working to bring the city under control. They claim that love conquers all, but after hundreds of years of neglect, the Avoidables battle to find their love story. Until now. This is the complete Avoidables series. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store... I Married a Billionaire: Lost and Found When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country, she never would have guessed they'd actually stay together. But over a year later, she's still happily married to the slightly eccentric, maddeningly attractive Daniel. As he begins to come out of his shell and turn into the figurehead that his growing technology company needs, Maddy finds herself dealing with a whole new set of problems. And despite his newfound openness, he's still keeping secrets. Even from her. But despite her misgivings and the ever-present prattle of journalists, really, Maddy can't complain. Then, a frantic late-night phone call changes everything. Daniel has been accused of illegal insider trading. His assets frozen, he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out. Maddy wants to support him, but it seems all Daniel wants to do is crawl back into his shell. In the midst of the chaos, Maddy receives an offer to display her drawings at one of the most influential galleries in the city. Pulled in

two directions even as her life crashes down around her, will Maddy allow Daniel to keep pushing her away, or will she find a way to pull him back? I Married a Billionaire: The Prodigal Son Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he possibly repair a relationship that's been so badly fractured by distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again.

"In Search of Pure Lust documents an important chapter in lesbian history that is already being distorted and erased, a time when lesbians were reinventing everything from the ground up. Along with violence against women around the globe, lesbians of the 1970s and '80s were motivated by growing militarism, rampant development, species loss, and living systems in decline. For many, this was the logical conclusion to a state of law/mind/rule that had prevailed for thousands of years - patriarchy. This is a long overdue and unvarnished insider's account of those times. The memoir, centered in the Northeast U.S. and then later in Quebec, combines a personal story with the story of a political movement. The book is full of celebration, but also depicts the shadow side of the lesbian movement, taking the reader into the bitter squabbles that divided women, both personally and politically. On a deeper level, the memoir charts a long and difficult quest for love. Over and over, the narrator dives headlong into rapturous passions that either fizzle out or come to brutal and ugly endings. In the mid-'80s, when a friend invites her to a Zen retreat, she is desperate enough to say yes. A period of difficult self-examination ensues and, over a period of years, she begins to learn an altogether different approach to desire. The last section of the memoir traces the fallout from that collision between hot-blooded lesbian desire and spacious, temperate Zen mind. What the search for pure lust uncovers, in the end, is something that looks a lot like love."--

Reading Rebel Reviews "I did so enjoy reading all three books about the growing love between Thea and Daniel. They were funny and well written and I can't wait to read more of this author's books. Highly recommended reads and definitely keepers!" Five-Star UK Reviewer Seductive Silence (Book 1) – Pestered by a persistent stammer, a regency lord with a keen interest in orreries and boxing—but not in talking—must find a way to woo his new mistress without words. Recently widowed and increasingly poor, Thea's been reduced to sharing her rented room with rodents and arguing over every morsel (the mice usually win). So when a friend suggests Thea consider a scandalous alliance, she cannot help but be intrigued... Lusty Letters (Book 2) – Thea's fascinating new protector has secrets—several. Hesitant to destroy her newfound circumstances, she stifles her longing to know everything about the powerfully built—and frustratingly quiet—Marquis. But then his naughty notes start to appear, full of humor and wit, and Thea realizes she's about to break the cardinal rule of mistressing—that of falling for her new protector. Egad. Lord Tremayne takes to writing letters to woo his new mistress, little realizing how their fun, flirty exchanges will quickly become the light of his day. Or how wretched he'll feel when the charming Thea suggests they banter in person, possibly pen poetry—together. Blazing ballocks! Is she insane? Daring Declarations (Book 3) – An evening at the opera could prove Lord Tremayne's undoing when he and his lovely new paramour cross paths with his sister and brother-in-law. Introducing one's socially unacceptable strumpet to his stunned family is never done. But Daniel does it anyway. And it might just be the best decision he's ever made, for Thea's quickly become much more than a mistress—and it's time he told her so.
