Unleash Your Full Potential Start Here, Go Anywhere gives you the tools you need to make good choices and recover from the bad ones you may have already made. With moving stories from his own life, including losing his only brother to AIDS, and testimonials from former Atlanta Braves pitcher John Smoltz and Mac Powell of Third Day, Richie Hughes provides a fresh treatment of both failure and redemption. No matter where you are today, with God's help you can go anywhere. Poor choices in the past do not destroy your future potential to do great things. God loves you so much that He wants to transform your future for His glory.

An Exposé on Satan's Secret Strategies · Journey into the mind of Satan. · Discover his greatest secret weapons. · Win your battles with seldom-known strategies. How would your life change if you could acquire advanced knowledge about demonic attacks against you or your family? In Exposing Satan's Playbook, Perry Stone gives you a "pre-attack download" with answers to important questions about the devil's strategies, including: · Can Satan read my mind or know God's will? · Can he take my life prematurely? · How can his plans be defeated? Expand your understanding of spiritual warfare, and become a force to be reckoned with against the powers of darkness.

Stories of contemporary exorcisms are largely met with ridicule, or even hostility. Sean McCloud argues, however, that there are important themes to consider within these narratives of seemingly well-adjusted people who attend school, go shopping, watch movies, and also happen to fight demons. American Possessions examines Third Wave spiritual warfare, a late twentieth-, early twenty-first century movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation states. While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice, McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape. Drawing on interviews, television shows, documentaries, websites, and dozens of spiritual warfare handbooks, McCloud examines Third Wave practices such as deliverance rituals (a uniquely Protestant form of exorcism), spiritual housekeeping (the removal of demons from everyday objects), and spiritual mapping (searching for the demonic in the physical landscape). Demons, he shows, are the central fact of life in the Third Wave imagination. McCloud provides the first book-length study of this influential movement, highlighting the important ways that it reflects and diverts from the larger, neo-liberal culture from which it originates.
