There is an entrance exam in all fields to take government job. There is also entrance exam for Nurses to take job in state and central government. The nursing students face difficulty to find comprehensive book of multiple choice questions. So I write this book for all nursing personal that appeared for entrance exam. I have prepared MCQ from all Nursing subjects according to the Indian Nursing council syllabus. The question of Nutrition, sociology and Nursing education are merged in Community health Nursing. The question of pediatric Nursing is included in OBG. The subject Medical Surgical Nursing covers the question of Anatomy. This book is useful for all state and central government exam such as AIIMS Hospital, Railway Hospital, Army Hospital, Nursing Tutor exam, M Sc Nursing Entrance, IGNUO entrance, NCLEX RN, CNRE, HAAD, DHA, Qatar Prometric etc. This book is also useful for paper setter and examiner. This book is useful for GNM and B Sc Nursing students also because the students can give answer the objective question of University and Nursing council paper. I hope this book will be useful for all Nursing personal to achieve their goal and also useful for update theoretical knowledge. I have tried to make this book error free. Your feedbacks are welcome. Thanking you.... Mr. Shakil M. Panwala (RNRM, Post B Sc Nursing)
