NEW YORK TIMES BESTSELLER “I come from a family forged by tragedies and bound by a remarkable, unbreakable love,” Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Allen Carr's *Easy Way to Stop Smoking* is the one that really works. It is the world's bestselling book on how to give up smoking. And this is the original and still the best edition of his classic book on how to give up smoking the easy way.

It's as simple as that. The Easyway Boot Camp will help you change your mindset and quit smoking, vaping, or using nicotine in any form easily and immediately. What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times Studies show that few people understand the specific health risks of tobacco use. Many smokers who are aware of the dangers of smoking want to quit but are deep into addiction. Why do they carry on smoking? Is it because they are too deeply addicted, is it because the habit is no longer controllable, or is it the brainwashing that is sabotaging their ability to stop smoking? The purpose of this book is simply to help people to use the powers that they already possess to quit smoking and become a non-smoker for good.

want to quit, it's going to be much harder to stop than it was to start. Not everyone in your life understands what you're facing. There are those people who say, "Be strong and just do it!" You're trying to smile while thinking, "If only it was that easy." Then there are those people who flaunt the latest medical horror stories about disease and smoking, hoping that will convince you to quit smoking. What your well-meaning friends and family are missing is that you already have the desire to quit smoking. Congratulate yourself - because that places you halfway to your goal. That last half is going to be difficult and frustrating and time consuming. So when the "helpful" people ask whether or not you've quit yet, you say, "Yes - I'm becoming a non-smoker." That's better than saying, "I'm trying to quit." To say try about anything is like having your fingers crossed just in case it doesn't work out. That's why you need to have your words fairly reinforce your efforts. Together we will cover everything you need to know about Smoking Cessation and how to kick that Tobacco craving to the curb: - Why you should quit smoking - The best time to quit - Health benefits - Naughty Nicotine and Why it Won't Let You Quit Smoking - Facing Your Psychological Addiction - Oh no withdrawals and how to cope with it - Gum, Patches, Prescriptions and More - Going Cold Turkey - Pregnant and smoking... Success is within your reach, and the only thing stopping you from quitting smoking is YOU! Will you go for it?

Dr Max Pemberton used to describe himself as 'in love with smoking'. Ironically, he was doctor specialised in addiction but found it impossible to quit – until he found CBT.

to make but here's why. Quitting smoking will provide you with health and longevity that you simply won't be able to achieve otherwise. There's a famous saying that I'm a fan of, "Health isn't everything, but without health everything else is nothing". Nobody wants to be the person who missed out on the final 20 years of their life due to a smoking related death. The negative health effects of smoking are very real and very serious. Smoking has been found to shorten peoples life expectancy by an average of 14 years. Do you really value your life so lowly that you would voluntarily shorten it by such a significant amount of time? Please, for the sake of your future, read this book. I have overcome smoking addiction myself using the techniques contained within. I got a wake up call when my father, a life long smoker, developed cancer in the lungs. 6 months later he was dead. Some of his final words to me were "John, you have got to stop smoking, I have never regretted anything more in my life". He had realized that had he never started smoking he would more than likely be enjoying another 15 years with his family and friends, enjoying the retirement he had worked his entire life for. He has been a hugely motivating factor for me when writing this book, and I hope his story as well as the thousands we hear about over time compel you to take action. Read this book, Save your life. Here's exactly what you will learn A motivating reminder of the key reasons to quit A week by week explanation of what to expect and how to deal with it An in depth stop smoking timeline The 9 key steps to creating your stop smoking action plan 14 specific tips to aid you on your journey 10 strategies to coping with cravings 5 important ways to master your emotions as you conquer the addiction 6 ways to keep stress at a minimum throughout the process How to avoid weight gain - a commonly experienced issue Much, much more!
