Re Zoom

The Flip Mino and MinoHD are the best-selling family of affordable and simple-to-use digital camcorders in the U.S. Since its launch in 2007, Flip Video has sold over 1.5 million camcorders. The Flip MinoHD is the world's smallest high definition camcorder at just over three oz. The MinoHD records up to 60 minutes of HD video and comes along with FlipShare software --this software allows Flip owners to plug the camcorder's signature flip-out USB arm into any computer for easy drag-and-drop video organizing, editing and sharing on YouTube, MySpace, AOL Video or via email. Loaded with plenty of tips and techniques, the Flip mino Pocket Guide shows readers how to effectively capture video and organize and edit the footage for optimal playback. All Flip models are covered including Flip Mino, Flip MinoHD, Flip Ultra, and Flip Video.

If life on is Zoom getting you down and you're dreading the next inevitable invite to a Teams meeting, don't panic, help is at hand. With 101 top tips explaining the dos and don'ts of virtual meetings, You're On Mute will help you master videocalls in "the new normal." Whether you need to stop doing that weird wave at the end of meetings or want to break the habit of being transfixed by your own face in the corner of the screen, the fun advice inside this book has got you covered. In no time you'll be living your best life online, bringing your "A" game to any virtual work meeting, catch up with family, quiz with friends, online date and more. Advice includes: • Mastering online etiquette – from the right way to say hello to the right time to hang up • How to make multi-generational family video calls workable for both grandparents and children ("You're still on mute, grandma!") • Ensuring your next video quiz is an entertaining test of knowledge rather than a painful test of endurance • Successfully navigating an online romance, covering first dates to long-term relationships • Avoiding the "must not dos" of video calls, whether it's the serious matter of security or the shame of surprise screen sharing

Over the past 15 years, there has been a pronounced trend toward a particular type of picturebook that many would label "postmodern." Postmodern picturebooks have stretched our conventional notion of what constitutes a picturebook, as well as what it means to be an engaged reader of these texts. The international researchers and scholars included in this compelling collection of work critically examine and discuss postmodern picturebooks, and reflect upon their unique contributions to both the field of children's literature and to the development of new literacies for child, adolescent, and adult readers.

This book, by Alexander S. White, is a complete, clearly written guide to the operation of the Nikon Coolpix P900 digital camera. The book explains all shooting modes, menus, functions, and controls of this superzoom camera, accompanied by more than 350 full-color illustrations and sample photographs. The guide shows beginning and intermediate photographers how to use the camera's many options to get the results they want. The book explains topics such as autofocus, manual focus, HDR (High Dynamic Range) photography, ISO, memory cards, and flash modes. It includes a discussion of techniques for using the P900's phenomenal zoom lens, with a maximum optical focal length of 2000mm, to full advantage. The book also discusses the camera's features for image transfer and remote control through the P900's built-in Wi-Fi network, as well as its features for adding location data to images. The book includes sample images taken with the creative settings of the camera, including the Picture Control options, which alter the color processing of images; the Scene and Special Effects shooting modes, with settings optimized for subjects such as landscapes, birds, pets, sunsets, and action shots; and the camera's features for burst shooting and time-lapse photography. In addition, the book provides introductions to topics such as infrared photography, street photography, and macro photography. The book also explains the video features of the P900, which can shoot HD video with stereo sound and can record high-speed video at rates up to 4 times normal speed. In addition, the book describes procedures for playing back images and videos in the camera and for using the Filter Effects option to add special effects to images after they have been captured. In three appendices, the book discusses accessories for the Coolpix P900, including cases, external flash units, and charging and power options. The appendices include a list of useful web sites and other resources, as well as a section with "quick tips" to help users take advantage of the camera's features in the most efficient ways possible.

This book brings to life best practices of Human Simulation; maximizing the Standardized Patient (SP) methodology that has played a major role in health professions learning and assessment since the 1960s. Each chapter reflects the Association of SP Educators Standards of Best Practices (SOBPs) and provides guidance for implementation. Multiple insights are offered through embedded interviews with international experts to provide examples illustrating successful strategies. The Human Simulation Continuum Model, a practical and theoretical framework, is introduced to guide educators in decision-making processes associated with the full range of human simulation. The Continuum Model spans improvisations, structured role-play, embedded participants, and simulated-standardized patients. This book also provides the full "how-to" for SP methodology covering topics including; case/scenario development, creating training material, training techniques for case portrayal, training communication and feedback skills, GTA/MUTA/PTA training, SP program administration and professional development for SP Educators. A pragmatic, user-friendly addition to the Comprehensive Healthcare Simulation series, Implementing Best Practices in Standardized Patient Methodology is the first book framed by the ASPE SOBPs, embracing best practices in human simulation and marshaling the vast expertise of a myriad of SP Educators.

Is addiction a disease, a sin, a sign of hypersensitivity, a personal failing, or a unique resource for the creative mind? However it is defined, addiction can have devastating consequences, often shattering lives, sundering families, causing impoverishment, and even triggering suicide. Yet it can also be a source of inspiration. In these frank essays, leading American and Canadian writers explore their surprisingly diverse personal experiences with this complex phenomenon, candidly recounting what happened when alcohol, heroin, smoking, food, gambling, or sex -- sometimes in combination -- took over their lives.

Gros plan : le dessin d'un archer. Zoom arrière : ce dessin décore le cadran d'une montre portée par un jeune artiste. Nouveau zoom arrière : la scène se passe au sommet de l'obélisque de la Concorde, etc. Après Zoom, paru dans la même collection, Istvan Banyai élargit son propos : la notion d'espace, il ajoute celle de temps, jouant avec l'Egypte ancienne, Napoléon, Hitchcock, la caravelle de Christophe Colomb ... De page en page, ce jeu de poupées russes visuel nous surprend et montre que la vérité n'est décidément qu'une question de point de vue !
