"The publication of *Genealogies of Kentucky Families* offers researchers an unprecedented opportunity to acquire a complete collection of the two-hundred family history articles published originally in *The Register of the Kentucky Historical Society* and *The Filson Club Quarterly*. With the cooperation of both *The Filson Club* and the *Kentucky Historical Society*, we have excerpted the family history articles from the above-named journals and have reprinted them in three large volumes. Two of the three volumes are composed of articles excerpted from the *Register* (covering families in alphabetical sequence from A-M and O-Y); the third volume is made up entirely of articles excerpted from the *Filson Club History Quarterly*. The combined articles are preceded by introductory remarks written by the editors of the two periodicals, James Klotter of the *Register* and Nelson Dawson of the *Quarterly*. Each volume, moreover, is published with its own index."--Amazon.
