

Revelation A Study Of End Time Events

Under the guidance of one of the world's leading New Testament scholars, you and your small group will here discover that the bizarre images of Revelation conceal one of Scripture's clearest and most dramatic visions of God's plan for creation. Is this the end of the world? Recent events with the recent COVID-19 pandemic and other catastrophes that have affected the entire world signal that the end days are on our doorsteps. The Judge and King, Jesus Christ, is standing at the door. He is ready to come and shake up this world and judge sin. What can we do? What we should NOT do is give into fear and panic, both tools of Satan. There should be no room for fear in our lives when we trust the One who died for us and loves us with immeasurable love. What we SHOULD do is understand what is happening and will happen in the near future according to God's Word. God has graciously explained in great detail what His plan is for the world in the "last days." The End of the Beginning Bible Study on the book of Revelation is an in-depth Bible study designed to teach the Word of God in a clear, understandable way for both individual and group study. Each lesson consists of information and questions to be answered from the text, both essay

and fill in the blank. These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it. Included are 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation. This study takes the literal view of Scripture unless the passage clearly states it is a figure of speech. I believe in a literal pre-tribulation rapture of the church, a literal 7-year Great Tribulation with a world dictator called the Antichrist, and a literal kingdom age where Christ will rule the world from Jerusalem for 1,000 years. The Bible must be taken literally to be understood as God meant it to be, and it must be studied diligently and correctly. In this study, you will compare Scripture to Scripture, read the passage in its context, and discover the Greek meanings of the words used. You will learn the customs of the day in which it was written. You will be encouraged to memorize a verse or two of Scripture with each lesson. The book of Revelation is told from God's perspective. You will be caught up with John to the "third" heaven, and witness the incredible and awesome things God does in these last days. Having gained a better understanding of what will happen next, you will find hope and peace about God being in control of world events, and you will experience joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior

Jesus Christ. My prayer is that this Bible study will lead to a deeper passion for God and for His Word, and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus. What people are saying about the study: "I loved the thorough research into the passage, the questions that caused us to dig deeper, and how the study taught me to compare the text with other passages of Scripture to provide clarity. Learning the Greek meaning behind the English words was special to me. I appreciated the historical background that the study provided and the personal applications. I learned so much from this study that I intend to teach others in my church." Kathy "The lessons were well thought out and well prepared. I have confidence in Virginia's knowledge of the Bible. She patiently taught helped me understand the Bible better." Lois "It was a very in-depth study, and I learned a lot." Donna

RevelationA Study of End-Time Events

Learn about the end-times prophecy revealed in the books of Daniel and Revelation. You will see how the end-times are predicted to play out and learn of the signs revealed in the Bible. Read the 14 lessons in this book and then do some digging on your own to really get into the prophecy. Bring it with you to a group study and start a discussion. Do whatever you can to learn and share this study. The end-times are a very interesting topic and many people want to

know more about it. The only way to learn about the end-times is to study them and that is exactly what this book will help you do. You will study the end-times as they are written in the books of Daniel and Revelation. This study will provide you with 14 great lessons that take you step-by-step through each detail of the visions of the end-times. They are written in a simple easy to read format and are great for starting a discussion or research. You can use this study on your own or take it with you to a church group study. The more people you involve the better discussion you will have. Either way, start studying! For many years, it has become clear to me that the prophetic Book of Revelation has been avoided by many Christians to study. Why? Quite simply, it is a real faith tester. To be honest, the amount of symbolism and allegory (hidden meaning) leaves a lot of room for one's imagination. That is why many Christians do not pursue the study of this prophetic last book in the New Testament. This companion book is an attempt to "simplify" End Times events for you. Study the book of Revelation with this book at your side! Did you know that the Book of Revelation is the only book out of the Bible's 66 books that explicitly tells us that we will be blessed by God if we read it, and take it to heart? Most people probably don't realize this. Revelation 1:3 says this: "Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what

is written in it, because the time is near." "Do you realize that 28% of the Bible was prophetic at the time it was written? Dr. John Walvoord, who has dedicated decades of his life to studying Bible prophecy, has identified more than 1000 prophecies in the Bible, 500 of which already have been fulfilled. The others are yet to come. If God already has fulfilled 500 prophecies, with another 500 yet to unfold--can we trust him when he tells us about days yet to come?"--Tim LaHaye, in "The Merciful God of Prophecy." Verse by verse, I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your Bible. Numerous Old Testament references are noted. I have streamlined the study of eschatology; the study of end times events that have yet to occur in our human timetable. Take heart fellow Christians and enjoy the sobering journey!

The End of the Unrepentant stands as the most thorough exegetical analysis of the biblical teachings about the fate of the unrepentant ever written.

Following up the author's acclaimed monograph, *After the Thousand Years: Resurrection and Judgment in Revelation 20*, this study makes use of the nexus of the Isaiah Apocalypse (Isa 24-27) and Revelation 20 as a paradigm or interpretive lens through which to understand the teachings of the Psalms, the Prophets, Jesus, and the NT about resurrection, judgment, and the divergent futures of

the faithful and the unrepentant. The question of whether "hell" is everlasting has been a topic of interest for many decades now among evangelicals, and the controversy has only intensified in recent years. Many Christians feel uneasy about the idea of everlasting torment, but their belief in the authority of Scripture leaves them feeling that this doctrine is inescapable. *The End of the Unrepentant* is written for them. It mounts a unique, positive exegetical argument for annihilationism--an argument so thoroughly founded on the prophetic words of Jesus, Isaiah, and John that it shifts the exegetical burden of proof to those who would wish, for theological reasons, to affirm everlasting torment.

The Book of Revelation has long been thought of as a formidable and confusing work, understandable to only elite bible scholars. But, like its very name--Revelation--understanding of this seemingly complex book is available to all! God has even promised a special blessing to those who read it! David Baxley, D.Min., has broken down the perceived barriers and written a simple, verse-by-verse commentary that is understandable to even beginning bible students. It includes maps, a chronology of end time events and wars, definitions, and cross references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined, with possible varying

interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore! A bible student for over 50 years, and pastor for over 40, Dr. David Baxley has studied and taught the Book of Revelation extensively. While in the hospital recovering from a heart transplant, he realized that the sequence of end time events was still not clear in his mind, so he spent the next two years in intense study. This book is the result of that study.

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future.

Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is

Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical. The title of this book is from that of which it came; a group of cowboy believers wanting to know what the Bible really says about the return of Christ Jesus to planet earth. John, the revelator, was in the "Spirit" on the Lord's Day when he heard a loud voice speaking to him as of a trumpet. The voice said to him, "I am the Alpha and the Omega, the First and the Last. What you see, write in a book and send it to the seven churches which are in Asia." It is clear that God wanted to get a message out to the believers. It is that message that we at Cowboy Country Fellowship seek to understand. In our world today we have many who teach on the book of Revelation. Our problem is that they cannot all be right! Some teach a pre-tribulation Rapture. Others teach a mid-or post-tribulation Rapture that must take place at the return of Christ. Still, there are others that teach something totally different. So who is right? Not everyone is going to be right! What is

the truth concerning the coming of our Lord Jesus Christ and our gathering together unto him? We wanted to know! It was readily accepted that the only way to know the truth was to know it for ourselves. We set aside our preconceived ideas brought about through doctrinal teaching and set out to learn the truth from the Scriptures for ourselves. If something didn't fit, we would acquit any preconceived idea not backed up in Scripture as un-provable. Nonetheless, it was difficult to let go of some things we had held so dear from our lack of knowledge. It is much easier to believe something that may not be true when it sounds so good and requires little effort. Few are willing to suffer for His cross. For the first year we spent a lot of time on the words of Jesus given to the early church leaders in Matthew chapter 24, which took us to the book of Daniel. In Daniel 2:44, it says: "And in the days of these kings the God of heaven will set up a kingdom which shall never be destroyed; and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever." We, therefore, set out to identify if those kingdoms were in existence today. After a rather hard start we began to fit Scripture with Scripture found in both the old and New Testament. We began to understand the symbolism God used in scripture based on prophecy already fulfilled. We studied the symbols used concerning the coming of Christ Jesus to become

the only propitiation for our sins that God would accept. After about a year we were ready to begin a detailed study into the book of Revelation written by the only disciple of the twelve who lived to an old age who was not martyred (killed) for the testimony of Christ. Some will escape the sword! It may interest you to know that Daniel and John the revelator are the only two men in the Bible of which it is written of them personally that God either "greatly loved" or "whom Jesus loved." We know that God loves us all. John 3:16 tells us that. But for some reason God saw to it to mark these two men by saying he loved them in Scripture. You can find it in Daniel 10:23 and John 10:19, and both wrote some of the most prophetic words ever written. Enjoy this study. Time is running out to forever know the truth within our hearts for ourselves. All we need is the "want to." God will do the rest to open our understanding. You will find that this study places Scripture with Scripture, line upon line, here a little and there a little, and precept upon precept as it is written within the scriptures. This study is much more than just a bunch of drug-store want-a-be cowboys blowing off steam. We discovered Truth! It is exciting to begin a new year with a president who is not a polished politician. Will he drain the swamp? Or will he become a creature of the swamp? Will he keep his promises? Or will he morph into broken promises as one of them? Only time will tell! Personally, I was

bred and born a democrat some sixty-two years ago. But within himself, this man is neither! Pray for him. He could be a modern-day king Cyrus. Thank You, Mike Coe

What does the Bible actually say about the end times that lead to the return of Jesus Christ? The Participant Guide for the Four Views of the End Times, part of a video-based small group study that studies the four major end time views, will help you understand the different viewpoints regarding end times prophecy. Four Views of the End Times is a small group study that takes a look at four different Revelation time lines and tackles

Dispensational Premillennialism, Postmillennialism, Historic Premillennialism, and Amillennialism, the four major end times viewpoints. For each view, Four Views of the End Times includes a definition, supporting Scriptures, a time line of the view's popularity, and a sampling of Christian leaders supporting that view. Common questions and answers are discussed as part of each session, so anyone can be part of the study group. Whether you are a seasoned bible student or a newcomer, you will easily follow the teaching in this study guide, and small groups will find the discussion questions at the end of each lesson to be helpful."I

am using Donna Best's Revelation Bible study guide at a Senior center. The group members all said it's like watching a play, scene by scene. From a teaching standpoint, the research and cross

references really make the book of Revelation come alive. It is very easy to teach from Donna's study guide, as the research has already been completed.

Many studies I have done left out verses or points that should have been included but Donna's study is "spot on," and I would recommend it to any teacher.

Thanks, Donna, for the time and effort you put into preparing this study guide." -Phil Diemert, Cranberry Twp., PA

Dr. Lee's alliteration will be of great benefit to evangelists, pastors, teachers, and missionaries,

and the person in the pew. Dr. Lee said: "I always receive a great blessing from the fresh study of this closing portion of God's Word. Likewise, everyone studying this book receives a great blessing, a promise in this great book from God." For many years, I have been asked by many of my friends and family to write down the messages and insight that God has given me of the book of Revelation. These outlines and studies are the things that God has helped me to understand in the study of Revelation. I am also indebted to those who have labored in the study of the book of Revelation before me. I pray that this book will please the Lord and that He will use it for the edification of everyone that reads it and that it will be used to His honor and glory. The last prayer of Revelation is also my prayer, "The grace of our Lord Jesus Christ be with you all. Amen."

A common misunderstanding about the Book of Revelation is the failure to recognize that tribulation is from two different sources! There has always been tribulation in the world due to the influence of Satan, sin, and evils of men that resulted from disobedience to God; all on the part of Satan and his angels, and Adam in the garden. This is revealed by descriptions of the so called "Four Horsemen of the Apocalypses" in Revelation Chapter 6 that has caused tribulation in human societies throughout history; beginning at the time God put Adam out of the garden. The last human instigators of these tribulations shall be during the time of the "end time man of sin" when he come into his power on the world stage.

And after he is broken the reign of men over kingdom on earth shall end. Then the kingdom of God shall be the only reigning authority in all heavens, and on earth! These tribulations treaded out by the Four Horsemen of the Apocalypses are allowed of God with limitation, else all flesh would be destroyed; but God does not cause them. The second source of tribulation is from God as seen by such occurrences as Noah's flood, the destruction of Sodom & Gomorrah, and as prophesied by the Apostle John in the Book of Revelation. One might be persuaded that these tribulations are the means God uses to limit, and end the tribulation we see described in the previous paragraph. The various judgment and plagues in the Book of Revelation are the last tribulations from God; and after these are done the final judgment shall be executed of God to end sin, iniquity, evil, and death cause by disobedience to Him and His authority; which bring peace, safety, and tranquility because of His great love and mercy. Amen! This Bible Study Book, "A Study of John's Revelation" provides commentary that helps the reader understand the progression of tribulation events from God prophesied in this: "The Book of Revelation."

The book of Revelation unveils Jesus Christ in glory.

Written by the apostle John, Revelation was a letter to churches in Asia Minor who were feeling the

overwhelming effects of persecution from all sides. This book was a reminder that encouraged them to remain

faithful. Through vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth.

Revelation message of hope assures Christians that God is in sovereign control of all past, present, and future events, and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic

opposition. The Mac Arthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups.

Revelation, author Fred DeRuvo draws back the curtain on chapters five through twenty-two, presenting information in an easy-to-understand style, written for the

average person. Whether he succeeds or not is up to each reader to decide. One thing is certain regarding the

book of Revelation. Because of its prophetic nature,

Christians will continue to debate aspects of it until such a time as we can know for certain. Either the things found within Revelation are yet to come to pass, and that alone will prove their veracity, or they will not come to pass. Only time will tell. Probably the most often-missed point of Revelation is the fact that it reveals the Lamb of God for who He is; King of Kings and Lord of Lords! We must never forget that the book of Revelation is first and foremost about Jesus Christ, God the Son. He is the Alpha and Omega, the Beginning and the End. Without Him, there would be no Revelation! All eyes on the King! This study guide is designed to help simplify the important biblical prophecies still to come. You'll be amazed at how many of these prophecies are approaching fulfillment in our world today. You'll also find your faith strengthened as you discover how clear Scripture is on what we see taking place in today's events.

It's all about Jesus. Revelation is the Revelation of Jesus Christ, (Revelation 1:1) and the scriptures (that is, the Bible) testify as to Jesus. "Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me." John 5:39 This exciting, practical, "book end" method is demonstrates, step by step, how to study Revelation on your own. Using only your Bible to interpret the Bible. As Jesus showed taught us in Luke 24:27: "And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself." The need to study Revelation in these times is self evident. This book will quickly get you started using only your own Bible.

I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's prophecies predict the seven years of Tribulation. These prophecies serve

as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved""Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls""when they occur, their devastation and purpose; - the Antichrist""discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; - details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the Millennial Reign of Christ; - how many Books of Life exist. Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

Triumph and Terror: Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations. The goal of the Study is to strengthen readers' faith and understanding, as well as to challenge and stimulate the thinking of all who seek. It aims to provide a straightforward, uncomplicated narration of our Lord's glorious Revelation. The writing of Triumph and Terror... is presented in a chapter-by-chapter commentary dealing concisely with each and every verse. Comments critical to the reader's understanding are carefully supported by and referenced to scripture; moreover, to simplify the reading for young Christians and impatient seekers, quite often the referred scripture is quoted. Seldom does the manuscript allow supposition. The Study is strengthened and enhanced by the inclusion of ten teaching appendices, a ten-page glossary of terms and a brief synopsis at the beginning of each chapter. The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader. Prayerfully, the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven. The simplicity of the Study responds to a pressing need in both the Christian and secular world: never before has there been such urgent seeking for answers as to what the future holds for humankind. In some instances, the Study confirms currently accepted theological ideology; however, in other areas it opens discussions never before pursued. It carefully documents, through scripture and historical records, the answers to questions that are as old as Daniel, while opening insight into passages which have generally been avoided by

most scholars. Through consistent use of scripture, it informs and challenges teachings that have hitherto been unchallenged.

I have been fascinated in future world events ever since reading "The Late Great Planet Earth" by Hal Lindsey in the mid-1970s. At that time, Lindsey asked the question, "Do we live in the era of the antichrist (and End Times) as foretold by Moses and Jesus Christ?" Since then, we all have repeatedly asked that question!
