The Bachman Books Four Early Novels Rage The Rage The Year of Rogue Dragons Wizards of the Coast

When her mate's ex-wife shows up on the run from her new boyfriend, who turns out to be less than human, shapeshifter Mercy Thompson must stop the bodies from piling up.

From the New York Times bestselling author of the acclaimed Immortal Guardians series comes an enchanting new series full of romance, danger, and loyalty: The Gifted Ones Since the day Lord Dillon earned his spurs, rumors of his savagery on the battlefield have preceded him into every room, stilling tongues and sparking fear. Weary of battle, he wishes only to find a woman he can wed who will approach him not with fear, but with the tenderness that has been absent from his life for so long. Yet only the wisewoman seems invariably at ease in his presence. Perhaps because she garners the same fear in others that he does himself. For seven years, Alyssa has been by Lord Dillon's side, counseling him from the shadows, healing him with her hands, and staving off the worst of his loneliness while his fearsome reputation keeps others at bay. Blessed-or cursed-with gifts that label her a sorceress, she is forced to conceal her youth and the love she harbors for him beneath umbral robes that lead Dillon and his people to believe she is the same aged wisewoman who served his father. All is revealed, however, and passions flare when an enemy threatens Dillon's life and Alyssa sacrifices everything to save him. When Dillon discovers that the wisewoman is far from elderly, he is instantly entranced. And, as he and Alyssa work together to defeat an enemy bent on destroying them both, Dillon will risk anything-even the wrath of his king-to be with her. "Book after book, Duvall brings her readers complex, fascinating tales of romance,

danger and loyalty." -RT Book Reviews

Ben is a man on the edge and unless his life gets back on track, he knows something very bad will happen soon. He CA't control it; the rage controls him

Richard Bachman was Stephen Kings other writing name for his non-supernatural work before he finally hit it big with "Carrie." The manuscript of "Blaze" sat in a university library until King rewrote it decades later.

Stephen King's first collection of short stories showcases the darkest depths of his brilliant imagination and will "chill the cockles of many a heart" (Chicago Tribune). Featuring "Jerusalem's Lot," the basis for the upcoming tv series Chapelwaite. Here we see mutated rats gone bad ("Graveyard Shift"); a cataclysmic virus that threatens humanity ("Night Surf," the basis for The Stand); a possessed, evil lawnmower ("The Lawnmower Man"); unsettling children from the heartland ("Children of the Corn"); a smoker who will try anything to stop ("Quitters, Inc."); a reclusive alcoholic who begins a gruesome transformation ("Gray Matter"); and many more shadows and visions that will haunt you long after the last page is turned. After an old gypsy woman is killed by his car, lawyer Billy Halleck is stricken with a flesh-wasting malady and must undertake a nightmarish journey to confront the forces of death

This is the whole story of how Stephen King's Richard Bachman came to life, and when King finally had to "give up the ghost" and come forth with the truth - that he was writing under the pseudonym of Richard Bachman. This of course came about when the fifth novel, "Thinner," was released and a reader discovered King's pseudonym. Now Michael Collings takes us from the beginnings of this unusual fiction side show of Stephen King's body of work, to what we understand will be the last Bachman release, "The Regulators." Or will it? Updated and completely revised with new information and Richard Bachman releases since it's original publication almost 20 years ago. Chapters Featured: A History for Richard Bachman; Genre, Theme, and Image in Richard Bachman; Rage ; The Long Walk ; Roadwork ; The Running Man ; Thinner ; Regulators and Desperation ; Pipe-Dreams and Possibilities.

Now known worldwide for his horror creations in best-selling books and popular film adaptations, Stephen King spent years in obscurity trying to find his voice

and his audience. For much of his career he chose to remain in the small-town Maine of his youth, far from glittering publishing and film centers, yet few American writers can now equal his hold on audiences worldwide. This biography traces King's evolution from would-be pulp magazine writer to master of his craft, whose work both epitomizes and transcends the horror genre.

Illuminating the religious and existential themes in Stephen King's horror stories *Who are we? Why are we here? Where do we go when we die?* For answers to these questions, people often look to religion. But religion is not the only place seekers turn. Myths, legends, and other stories have given us alternative ways to address the fundamental quandaries of existence. Horror stories, in particular, with their focus on questions of violence and mortality, speak urgently to the primal fears embedded in such existential mysteries. With more than fifty novels to his name, and hundreds of millions of copies sold, few writers have spent more time contemplating those fears than Stephen King. Yet despite being one of the most widely read authors of all time, King is woefully understudied. *America's Dark Theologian* is the first in-depth investigation into how King treats religion in his horror fiction. Considering works such as *Carrie*, *The Dead Zone*, *Misery*, *The Shining*, and many more, Douglas Cowan explores the religious imagery,

themes, characters, and, most importantly, questions that haunt Stephen King's horror stories. Religion and its trappings are found throughout King's fiction, but what Cowan reveals is a writer skeptical of the certainty of religious belief. Describing himself as a "fallen away" Methodist, King is less concerned with providing answers to our questions, than constantly challenging both those who claim to have answers and the answers they proclaim. Whether he is pondering the existence of other worlds, exploring the origins of religious belief and how it is passed on, probing the nature of the religious experience, or contemplating the existence of God, King invites us to question everything we think we know.

Andy and Vicky McGee's eight-year-old daughter, Charlie, has the ability to set things on fire and a secret government agency is determined to make use of Charlie's horrifyingly destructive gift

When a disease wipes out most of humankind, the survivors gather to create a new society and to battle a force of pure evil in human form unleashed upon the world. Reissue.

After an almost fatal car crash, novelist Paul Sheldon finds himself being nursed by a deranged fan who holds him captive.

Describes the life and writing career of the American author famous for his horror novels and stories, including "The Shining," "Carrie," and "Misery."

Master storyteller Stephen King presents the classic

“wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer’s horrific and haunting pseudonym. “I’m back...I’m back from the dead and you don’t seem glad to see me at all, you ungrateful son of a bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad’s even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there’s a certain unease at the prospect of leaving George Stark behind. But that’s nothing compared to the horror about to descend upon Thad’s new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark’s untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad’s fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he’s going to find out just how wrong he is...

In *Shadow Moon* and *Shadow Dawn*, George Lucas, creator

of Star Wars, and Chris Claremont, author of the bestselling X-Men adventures, created a new world of myth, magic, and legend unlike any before. Now they bring their epic trilogy to an unforgettable conclusion in a novel of blazing imaginative brilliance... Elora Danan has done the unthinkable. She has slain the dragons that were the embodiment of the soul of Creation. It was a desperate act--the only way to save the dragons from the Deceiver, who would have used them to rule the Realms. Yet in Elora's possession are two last dragon eggs. To protect them, Elora spellbinds herself to her faithful companions Thorn Drumheller, the Nelwyn sorcerer and her sworn guardian, and Khory Bannefin, the long-dead woman warrior whose body is inhabited by a demon's offspring. It is a dire spell that ensures none of them will betray their cause...even at the cost of their lives. And if one of them dies, the magic of the eggs is lost forever. Pursued through a land of shadow predators by the dreaded Black Rose, the Deceiver's commando assassins, Elora and her allies must reach the free city-state of Sandeni. There they will be reunited with old friends: the brownies Franjean and Rool, the eagles Anele and Bastian, and the young warrior-scribe Luc-Jon. But Sandeni is besieged by mighty armies fueled by the Deceiver's sorcery, warrior wizards, and engines of evil magic. With defeat all but certain, Elora must convince the Sandeni people to continue the fight. What she doesn't tell them is that the greatest enemy lies within her. For the Deceiver is her own dark twin from a potential future of unimaginable evil...an evil that lies dormant in Elora's soul. And the only way Elora can stop the future is to befriend an enemy whose insatiable appetite for destruction could destroy all of Creation. Or is that, too, part of the Deceiver's plan? Seamlessly weaving together the many strands of this rich tapestry, Shadow Star is guaranteed to satisfy its many fans...and leave them breathless.

The first in the Half-Moon Hollow series is “wry, delicious fun” (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children’s librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that’s sure to become Half Moon Hollow legend. On her way home, she’s mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She’s forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn’t enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What’s a nice undead girl to do?

2019 Edgar Award nominee for Best Novel Will Hurley was an attractive, charming, and impressive student at Dublin’s elite St. John’s College—and Ireland’s most prolific serial killer. Having stalked his five young victims, he drowned them in the muddy waters of the Grand Canal. Sentenced to life imprisonment when he was just nineteen, Will is locked away in the city’s Central Psychiatric Hospital. Freshman Alison Smith moved to the Big Smoke to enroll in St. John’s and soon fell hard for Will Hurley. Her world bloomed ... and then imploded when Liz, her best friend, became the latest victim

of the Canal Killer—and the Canal Killer turned out to be the boy who'd been sleeping in her bed. Alison fled to the Netherlands and, in ten years, has never once looked back. When a young woman's body is found in the Grand Canal, Garda detectives visit Will to see if he can assist them in solving what looks like a copycat killing. Instead, Will tells them he has something new to confess—but there's only one person he's prepared to confess it to. The last thing Alison wants is to be pulled back into the past she's worked so hard to leave behind. Reluctantly, she returns to the city she hasn't set foot in for more than a decade to face the man who murdered the woman she was supposed to become. Only to discover that, until now, Will has left out the worst part of all ...

International publisher Nina Jansous is the epitome of grace and style, and Blaze, her New York-based magazine has become one of the most successful in the world. Now Nina wants to return to Australia and re-launch an Australian edition of Blaze. Alisson Gruber, not yet 30, is unimpressed by Nina's decision to appoint her as editor of the Australian Blaze. Larissa Kelly, the 30-something chief-of-staff of Blaze New York, is sent out as Ali's deputy. Joining Ali and Larissa on Blaze; is Miche Bannister, a young woman coming to terms with the suicide of her mother, the editor of the New York edition of Blaze. Four women whose paths are entwined are facing the same demons – coming to terms with their past and the present before embracing their future. The men they love, the men they find, the men they never knew, all play a role in a private dance on a very public stage.

Bury your enemies, and bury them deep. John Milton thought he was done with Avi Bachman. The most dangerous man he's ever known has been incarcerated in Angola, the brutal Louisiana prison. Inmates rarely leave Angola. Once you go in, the only way out is in a box. But Bachman is no ordinary

prisoner. He was an assassin for the Mossad, and he has favours to call in. Milton is in the Australian outback with an old friend and his flirtatious kid sister, looking for a summer's peace to put his troubled mind to rest. But Bachman has other plans. He thinks that Milton killed his wife, and now he wants revenge. From Australia to Israel, from Hong Kong to Croatia, here is the conclusion of this brutal chapter in Milton's life. The two headhunters are on a collision course, and only one of them will walk away. Mark Dawson is the new master of the page-turning thriller and more than 350,000 copies of the Milton series have been downloaded since it was first published. Don't start this book in bed - you will lose sleep.

Life on Poplar Street seems idyllic, but before the sun sets on this summer day, the quiet Ohio suburb will become a terrifying slaughterhouse.

As blood brothers Matt Bodine and Sam Two Wolves ride into the dry Arizona badlands, they're on a trail that leads deep into Apache territory toward the Mexican border, where a gang of desperadoes are running guns to the Apache and kidnapping children as white slaves. Original.

**NEW YORK TIMES BESTSELLER** • In this collection of personal essays, the beloved star of *Gilmore Girls* and *Parenthood* reveals stories about life, love, and working as a woman in Hollywood—along with behind-the-scenes dispatches from the set of the new *Gilmore Girls*, where she plays the fast-talking Lorelai Gilmore once again. With a new bonus chapter *In Talking as Fast as I Can*, Lauren Graham hits pause for a moment and looks back on her life, sharing laugh-out-loud stories about growing up, starting out as an actress, and, years later, sitting in her trailer on the *Parenthood* set and asking herself, “Did you, um, make it?” She opens up about the challenges of being single in Hollywood (“Strangers were worried about me; that’s how

long I was single!”), the time she was asked to audition her butt for a role, and her experience being a judge on Project Runway (“It’s like I had a fashion-induced blackout”). In “What It Was Like, Part One,” Graham sits down for an epic Gilmore Girls marathon and reflects on being cast as the fast-talking Lorelai Gilmore. The essay “What It Was Like, Part Two” reveals how it felt to pick up the role again nine years later, and what doing so has meant to her. Some more things you will learn about Lauren: She once tried to go vegan just to bond with Ellen DeGeneres, she’s aware that meeting guys at awards shows has its pitfalls (“If you’re meeting someone for the first time after three hours of hair, makeup, and styling, you’ve already set the bar too high”), and she’s a card-carrying REI shopper (“My bungee cords now earn points!”). Including photos and excerpts from the diary Graham kept during the filming of the recent Gilmore Girls: A Year in the Life, this book is like a cozy night in, catching up with your best friend, laughing and swapping stories, and—of course—talking as fast as you can.

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness,

Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Teaching Stephen King critically examines the works of Stephen King and several ways King can be incorporated into the high school and college classroom. The section on Variations on Horror Tropes includes chapters on the vampire, the werewolf, the undead monster, and the ghost. The section on Real Life Horror includes chapters on King's school shooting novella *Rage*, sexual violence, and coming of age narratives. Finally, the section on Playing with Publishing includes chapters on serial publishing and *The Green Mile*, e-books, and graphic novels.

Renegade dragon hunter Dorn hates dragons with a passion few can believe, let alone match. He has devoted his entire life - a life spent in the twisted body of a half-golem - to killing every dragon he can find. You might feel the same way if one of them had killed your entire family in front of your eyes, bitten you in half, and left you for dead. Killing one dragon at a time is hard enough, but when the irresistible impulse to slip into feral madness begins to overcome one, but every dragon all across Faerûn, civilization's only hope may lie in the last

alliance Dorn and his fellow dragon hunters would ever accept. No matter what happens, the next year is going to be a difficult one for Dorn, and for Faerûn itself. The Year of Rogue Dragons has come...

From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn’t look any different, he’s been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn’t want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King’s most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott’s lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to

help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. "Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences" (Booklist, starred review). Elevation is an antidote to our divisive culture, an "elegant whisper of a story" (Kirkus Reviews, starred review), "perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing" (Publishers Weekly, starred review).

A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls. The smash-hit #1 bestselling author Janet Evanovich takes you on the ride of your life in the next Stephanie Plum adventure, *Seven Up!* Semiretired mob guy Eddie DeCooch is caught trafficking contraband cigarettes through Trenton, New Jersey. When DeCooch fails to show for a court appearance, bond enforcement agent Stephanie Plum is assigned the task of finding him and dragging his decrepit ass back to jail. Not such an easy job, it turns out, since DeCooch has learned a lot of tricks over the years and isn't afraid to use his gun. He's already shot Loretta Ricci, an innocent old lady, and left her for worm food in his shed. He wouldn't mind shooting

Stephanie next. Likeable losers (and Steph's former high school classmates) Walter "MoonMan" Dunphy and Dougie "The Dealer" Kruper have inadvertently become involved with DeCooch. They've gotten sucked into an operation that is much more than simple cigarette smuggling and holds risks far greater than anyone could have imagined. When Dougie disappears, Steph goes into search mode. When Mooner disappears, she calls in the heavy artillery and asks master bounty hunter Ranger for help. Ranger's price for the job? One night with Stephanie, dusk to dawn. Not information she wants to share with her sometime live-in roommate, vice cop Joe Morelli, A typical dilemma in the world of Plum. And on the homefront, Stephanie's "perfect" sister, Valerie, has decided to move back to Trenton, bringing her two kids from hell with her. Grandma Mazur is asking questions about being a lesbian, and Bob, the bulimic dog, is eating everything in sight--including the furniture. Mud wrestling, motorcycles, fast cars, fast food, and fast men. It's Janet Evanovich's Seven Up.

"God put me on this earth to raise sheer hell."

Richard Burton "I was a sinner. I slugged some people. I hurt many people. And it's true, I never

looked back to see the casualties." Richard Harris

"Booze is the most outrageous of all drugs, which is why I chose it." Peter O'Toole "I don't have a drink

problem. But if that was the case and doctors told

me I had to stop I'd like to think I would be brave enough to drink myself into the grave." Oliver Reed This is the story of four of the greatest thespian boozers who ever walked - or staggered - off a film set into a pub. It's a story of drunken binges of near biblical proportions, parties and orgies, broken marriages, drugs, riots and wanton sexual conquests. And yet these piss artists were seemingly immune from the law. They got away with it because of their extraordinary acting talent and because the public loved them. They were truly the last of a breed, the last of the movie hellraisers.

Nature versus nurture... The shots came quickly, silently, and with deadly accuracy. Within seconds, three people were dead at Central Park's ice skating rink. The victims: a talented young skater, a doctor, and a teacher. As random as random can be. Eve Dallas has seen a lot of killers during her time with the NYPSD, but never one like this. After reviewing security videos, it becomes clear that the victims were killed by a sniper firing a tactical laser rifle, who could have been miles away when the trigger was pulled. And though the locations where the shooter could have set up seem endless, the list of people with that particular skill set is finite: police, military, professional killer. Eve's husband, Roarke, has unlimited resources - and genius - at his disposal. And when his computer program leads Eve to the location of the sniper, she learns a shocking fact: There were two - one older, one younger. Someone is being trained by an expert in the science of killing, and they have an agenda.

Central Park was just a warm-up. And as another sniper attack shakes the city to its core, Eve realizes that though we're all shaped by the people around us, there are those who are just born evil...

On the isolated roads of the American highway... terror rides on 18 wheels. Acclaimed novelist/Eisner-winning graphic novelist Joe Hill collaborated with his father, Stephen King, in Throttle, for the first time on a tale that paid tribute to Richard Matheson's classic tale, Duel. In Road Rage, both stories are adapted into comic book form with an introduction by Joe Hill and Stephen King. "With an Introduction by the author, 'The Importance of Being Bachman'."

The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. When a man escapes from a biological testing facility, he sets in motion a deadly domino effect, spreading a mutated strain of the flu that will wipe out 99 percent of humanity within a few weeks. The survivors who remain are scared, bewildered, and in need of a leader. Two emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them--and ultimately decide the fate of all humanity.
