from the play, as well as insider guidance on approaching tests, papers, and essays. This is not an abridged recording of the play; rather this dynamic audio program reveals what it means, which characters are important, what themes Shakespeare was exploring—all the issues that you need to know to ace your test.

Explains key themes, motifs, symbols, characters, and other facts about the work.

MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

This updated edition is designed to support students in study and revision for the new GCSE (9-1) English Literature exams.

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's *Romeo and Juliet*, a romance characterized by love sonnets, rhyme, and imagery of light and dark. As a tragedy of the late-sixteenth-century, *Romeo and Juliet* displays Elizabethan belief in astrology and fate as it applies to the two star-crossed lovers. Moreover, the story explores themes of romantic and courtly love, especially the expectations of young lovers and the conventions to which they are confined. This Bright Notes Study Guide explores the context and history of

and the lovers are young, beautiful, and ardent. But when we look at the play, the lyricism and the romance are not really what drive things along. It is true that Romeo, especially early on in the play, acts like a young man determined to take his place in an immortal tale of love. Everything he says is romantic – but rather like an anniversary card is romantic. His words propel nothing, or nothing but sarcastic admonitions from his friends to forget about love and to treat women as they should be treated, with careless physical appetite. The world we have entered is rapacious more than romantic. Everyone knows something of this, from the film versions of the story if nothing else. Romeo and Juliet must fight for their love inside a culture of stupid hatreds. But it is not a simple case of love versus war, or the city against the couple. If it were, it would nicely reinforce clichés about true love, fighting against the odds. In this book Simon Palfrey suggests that the play Shakespeare actually wrote is more troubling than this. Juliet's passion – for all her youth, for all its truth – is at the very cusp of murderousness. Juliet is the world's scourge, in the sense that she will whip and punish and haunt it; she is also its triumph, in the sense of its best and truest thing. The deaths her love leads to are in no way avoidable, and in no way accidental. They are her inheritance, the thing she was born to. Of course she takes Romeo with her. But it is at heart her play.

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning. A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications.
