The Stairway to Happiness examines what happiness really is. It explores the different levels that can be attained and the techniques that can be applied to achieve happiness for oneself, one's loved ones and other people. The book combines philosophy, psychology and spirituality to explain the five key steps of the journey. With over 20 years of experience in the field, Vernon Sankey points out potential pitfalls and hazards along the way and provides practical solutions based on sound cognitive psychology principles and common sense. Examples, anecdotes and quotations from eminent and wise personalities are used to help the reader understand the principles more deeply. The last section, the Happiness of Harmony, moves the reader to the highest step and addresses spiritual concerns about life, our world and the future.

This is the accurate translation of Emanuel Swedenborg's classic book "Heaven and Hell" and printed in Classified Chinese. Much work has been put into this Chinese translation. A whole new field will open up for you once you read this 18th century classic and it will help you understand the true meaning of life on earth. Since this Amazon description will not allow for an entry of Chinese description for this book, please go to this website [swedenborgians.net](http://swedenborgians.net) or [life153.com](http://life153.com) to read about the book in Classified Chinese.

A group of troublesome actors arrive at an ancient harbor in a modern city. They gather a crowd and for a few coins tell the story of Ke Xin, the dutiful daughter. Ke Xin, princess of the Isle of Joy, is always obedient and never asks questions until the day the sea brings to her island home a strange sailor, a raving fool without a memory, a man who will challenge everything she believes in. Inspired by the legend of Pericles and based on real-life experiences, the story is a timeless tale of love, power and transformation that explores many of the key issues faced by young people growing up in today's society.
