When it comes to value, Rules Rules for Writers is a college writer's companion that covers writing, grammar, research, and documentation in an extremely affordable and portable spiral-bound format. From the best-selling family of handbooks, Rules has consistently been the best value for college writers. Now it's even more so. The Seventh Edition actually teaches students how to make better use of their handbook. With new material about how to integrate the handbook into lessons and class activities, Rules for Writers is an even more useful tool for instructors "We like Rules because it's affordable, easy to use, and flexible enough for multiple courses." — Anne Helms, Alamance Community College

Beginning college writers come from a wide range of backgrounds and communities. And for many, academic reading and writing skills are ones they must learn and practice. Enter Rules for Writers. It's an easy-to-use, comprehensive composition tool with the quality you expect from authors you trust. It empowers students by teaching them how to meet new expectations and by giving them the practice that builds confidence. With trusted advice for writing well, reading critically, and working with sources, Rules for Writers now has even more help for underprepared and inexperienced writers--sentence guides that foster an academic voice, tips for spotting fake news and misleading sources, more on paraphrasing, and fifteen new "how-to" pages that offer practical help for writing challenges. It's an affordable solution with significant value, especially when paired with LaunchPad Solo for Hacker Handbooks, an innovative practice solution available at no additional cost when package with a new text.

experience. By looking at her own students' needs, Diana Hacker created an affordable and practical classroom tool that doubles as a quick reference. Developed with the help of instructors from two- and four-year schools, the sixth edition gives students quick access to the information they need to solve writing problems in any college course. In the Hacker tradition, the new contributing authors -- Nancy Sommers, Tom Jehn, Jane Rosenzweig, and Marcy Carbajal Van Horn -- have crafted solutions for the writing problems of today's college students. Together they give us a new edition that provides more help with academic writing and research and one that works better for a wider range of multilingual students. Flexible content options -- in print and online -- allow students to get more than they pay for.
