Three dragons. One unavoidable, unpredictable destiny. This is the beginning... of the end. In the SeaWing kingdom, a young prince learns he is an animus -- capable of wonderful magic that comes with a terrible price. In the mind of a NightWing dragonet, a thousand futures unfold -- and almost all of them, she knows, lead to disaster and destruction. And under three full moons and the watchful eyes of his NightWing mother and IceWing father, the most powerful dragon Pyrrhia will ever know is clawing his way out of his egg. Darkstalker, the dragon who will change the world forever. Long before the SandWing war, lifetimes before the Dragonet Prophecy... darkness is born.

Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?

Once the body dies, the true Thorny Star may never come back, and the Thunder Clan will completely disintegrate and fall apart forever. Thorns, the patriarch of the Thunder clan, began to eradicate and exile those rule-breakers, but there are cats who know the truth- the real Thorns are not in front of them. Some cats began to gather in secret, dormant waiting for the time to come. But in order for True Thorn Star to return to his body, he must not act rashly at the moment, otherwise it may turn the tribes into enmity. However, overnight, the wind and clouds changed color, and the spirit body of True Thorn Star was about to dissipate; while the shadow clan's witch doctor Mao Yingwang suffered an accident and his whereabouts were unknown.

"The New York Times and USA Today bestselling series soars to even greater heights with a new prophecy and five new dragonets ready to claim their destiny! Peril has been loyal to Queen Scarlet, who used her fatal firescales to kill countless dragons in the SkyWing arena. Now, Peril is loyal to Clay, the only dragonet who has ever been her friend. So when Scarlet threatens Jade Mountain Academy, Peril sets off to find her former queen, stop her, and save the day, no matter what it takes. There's just one problem: a strangely persistent SeaWing, Turtle, insists on coming along, too. Turtle is worried about his friends, who left to search for Scarlet and haven't returned. Peril is worried that she might accidentally burn Turtle -- or burn him on purpose, for being so annoying -- and frustrated that she keeps saying and doing the wrong things. She can't escape her firescales, and she can't escape her reputation as the deadliest dragon in Pyrrhia. So when she's offered a chance to trade everything for a second chance, Peril has to decide who she's really loyal to . . . and whether her own scales might actually be worth saving."

Thousands of years before the dragonets of destiny were hatched, another destiny began ... Foeslayer the NightWing and Prince Arctic of the IceWings are legendary. According to the myths, before they became the parents of Pyrrhia's most infamous dragon, Darkstalker, Foeslayer and the NightWings kidnapped an IceWing prince. The act set off a bitter rivalry between the tribes that lasted thousands of years. But it all started so simply: Foeslayer and Arctic fell in love. They just wanted to be together; instead, a runaway dragon became a fugitive -- and changed Pyrrhia forever.
