Seminar paper from the year 2013 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,7, University of Applied Sciences Esslingen (Wirtschaftsingenieurwesen), language: English, abstract: What is an international sales strategy? What about the current situation? How can I define a strategy? How do marketing and sales interact? How can a company define a sales process? What about the competition? Which tools can be used in order to optimize sales? The goal is to get an answer about all these questions. Also we should create an idea how we can companies keeping ahead of equal competitors. International Strategies and Sale are obviously two different functions in a company despite they must interact closely with each other. Exporting probably crates new markets, more sales, higher turnover and attracts new customers. That will only realize with a clear strategy. It is a fact that the global competition will increase. The European companies have to extend their international activities to stay on top in the competition with USA and Japan. The USA for example tries to get some market share in the European region and the new up coming developing Countries like the BRIC-States. Today no companies can win if its product and service resembles every other products and service of a company. Companies' products must represent a big idea in the mind of the target market.

Small and medium-sized manufacturers' attempts to grow their business often produce less-than-desired results due to self-inflicted obstacles and pitfalls that defeat their well-intended efforts. Many do not follow generally accepted basic business practices such as knowing product costs and margins, conducting market research to identify prospective customers, and understanding competitors' advantages and disadvantages; all needed to build effective growth strategies. Their approach to pursuing growth strategies--a.k.a shotgun marketing--is akin to ready, shoot, aim--and often the business' working capital, cash flow, financial ratios, and overall profitability are insufficient to afford the costs of needed sales, marketing, and promotional strategies typically called for to find and develop new customers, markets, and products. Based on twenty-one case studies and one hundred twenty-six reviews of manufacturers' sales and marketing practices, the book explains the common pitfalls these companies experience and offers common sense, practicable, and affordable step-by-step how to's for cost and profitability analyses on products and customers, finding prospective new customers, conducting marketing research, and deciphering and using competitor intelligence. Regardless of your budget, you are almost certainly overspending on television, radio, and print ads, yet neglecting the number-one resource you have at your disposal: the Internet. Content marketing is no longer about keyword-stuffing and link-building; in fact, using those tactics today gets your page shuffled to the bottom of the heap. Quality content is the key to success, and you already have the ingredients in-house. This book shows you how to structure an effective content strategy using the same proven principles that have revolutionized marketing for all types of businesses, across industries. Author Marcus Sheridan's pool company struggled after the housing collapse; today, they're one of the largest pool installers in the U.S., turning away millions of dollars in business they simply cannot accommodate every year. How did he manage it? He answered questions. This book shows you how Marcus's strategy can work for your business, and how to use your keyboard to bring customers through the door. Boost your company's web presence with methods that work Build a level of trust that generates customer evangelism Leverage your in-house resources to produce winning content Utilize tactics that work, regardless of industry or sector When people have questions, they ask a search engine. If you have answers, the right content strategy will get them to the top of the search results and seen by millions of eyes every day. Drop the marketing-speak, stop "selling," and start answering. Be seen as an authority, not just another advertisement. They Ask You Answer describes a fresh approach to marketing and the beginning of big things for your business.

The dizzying barrage of new marketing technologies is leading to confusion, the rule of "hype," and bad marketing investments and decisions. Beyond "e" is designed to help sales and marketing executives look beyond current e-business fads to understand the fundamentals that will distinguish sales and marketing leaders in the future. The book provides a blueprint for using advances in technology—including but not limited to the Web—to get more marketing power for less money. Drawing on case studies from leading marketers such as IBM, Eastman Chemical, eBay, CitiGroup, GM,

Dell and many others, author Stephen Diorio explains how sales and marketing leaders can: * Identify where technology can help them grow their businesses faster and get more mileage out of their sales and marketing dollars; * Develop an action plan to take action today and create competitive advantage tomorrow; * Anticipate the dramatic changes technology will bring to traditional marketing operations, marketing channels and customers in the coming decade. The winning strategies in Beyond "e" are based on original best practices research and interviews with thousands of customers and sales and leading marketers, and technology trend analysis from the META Group—the leading IT advisory firm.
