From Good to Great

The first book of prose published by either James Thurber or E. B. White, *Is Sex Necessary?* combines the humor and genius of both authors to examine those great mysteries of life -- romance, love, and marriage. A masterpiece of drollery, this 75th Anniversary Edition stands the test of time with its sidesplitting spoof of men, women, and psychologists; more than fifty funny illustrations by Thurber; and a new foreword by John Updike.

Investigates the possibility that Ming Dynasty Admiral Zheng He, expanding Chinese trade and diplomatic contacts with the world's largest wooden armada, beat Columbus to America by 71 years.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
