For years scandal has rocked Rosewood, Pennsylvania - and high school seniors Aria, Emily, Hanna, and Spencer have always been at the centre of the drama. They've lost friends, been targeted by a ruthless stalker called A, and narrowly escaped death. And it's not over yet. Aria's love life is on the fritz. Emily's exploring her wild side. Hanna's kissing the enemy. And someone from Spencer's past - someone she never thought she'd see again - is back to haunt her. But none of that compares to what happened last spring break. It's their darkest secret yet and guess who found out? Now A is determined to make them pay for their crime, and the only thing scarier than A is the fear that maybe, just maybe, they deserve what's coming to them.

Deciding to come clean about a terrible mistake they committed during spring break, high school seniors Aria, Emily, Hanna, and Spencer hope to end the blackmail of a ruthless stalker who retaliates by plotting a murderous revenge. Once a pretty little liar, always a pretty little liar. Now that Hanna, Spencer, Emily, and Aria are rid of "A," the stalker who terrorized them for months, they're free to go back to their pretty little lives. Too bad there's a new A in town. And this A refuses to let them forget about Rosewood's darkest secret: the murder of their best friend Alison DiLaurentis. The girls dig deeper for the truth—but someone wants to bury them alive. Catch all the new drama and scandals in this special box set, which includes *wicked*, *killer*, *heartless*, and *wanted*, plus a bonus message from Sara Shepard herself! ?

They deserve to lose it all. With every crumpled note, wicked IM, and vindictive text message I send, I'll be taking these pretty little liars down. Being wanted isn't always a good thing. For three long years, Hanna, Spencer, Aria, and Emily wondered what happened the night their best friend Alison disappeared. Now that all their questions have finally been answered, they can put this awful chapter of their lives behind them. Or so they think. Not every story has a happy ending, especially when four pretty little liars have done so many wicked things. Will the girls get everything they've ever wanted? Not if I have anything to say about it.

From Sara Shepard, author of the #1 New York Times bestselling *Pretty Little Liars* series, comes the shocking sequel to *The Perfectionists*—with an ending you'll have to read to believe! Mackenzie, Ava, Caitlin, Julie, and Parker have done some not-so-perfect things. But even though they all talked about killing rich bully Nolan Hotchkiss, they didn't actually go through with it. It's just a coincidence that Nolan died in exactly the way they planned . . . right? Except Nolan wasn't the only one they fantasized about killing. When someone else they named dies, the girls wonder if they're being framed. Or are they about to become the killer's next targets?

Four gorgeous girls are telling very ugly stories. First Emily, Aria, Hanna, and Spencer claimed they found a dead body in the woods behind Spencer's house, only to have it vanish without a trace. Then, when the same woods went up in flames, they swore they saw someone who's supposed to be dead rise from the ashes. And even after all that, the pretty little liars are still playing with fire. Call me heartless, but it's about time someone shut these liars up for good. After all, nobody likes a girl who cries wolf-least of all me. . . .

In idyllic Rosewood, Pennsylvania, four very pretty girls just can't help but be bad. . . . Hanna will do anything to be Rosewood's queen bee. Spencer's digging up her family's secrets. Emily can't stop thinking about her new boyfriend. And Aria approves a little too strongly of her mom's taste in men. Now that Ali's killer is finally behind bars, the girls think they're safe. But those who forget the past are condemned to repeat it. And they should know by now that I'm always watching. . . .

Spencer, Aria, Emily, Hanna and their best friend Alison were the most popular girls at Rosewood Day School. Alison was the group's ringleader, the one who knew all their darkest secrets. So when Alison vanished one night, Spencer, Aria, Emily, and Hanna's grief was tinged with relief. But when Ali's body was later discovered in her own backyard, the girls were forced to unearth some ugly memories of their old friend, too. Is there more to Alison's death than anyone realises? Now someone named A, someone who seems to know everything, is pointing the finger for Ali's murder at one of them. And A is poised to ruin their perfect little lives . . . for ever.

Vicious is the explosive conclusion to Sara Shepard's #1 New York Times bestselling *Pretty Little Liars* series, perfect for fans of the hit ABC Family original TV show based on the series. High school seniors Aria, Emily, Hanna, and Spencer have been through a lot since their best friend, Alison DiLaurentis, disappeared five summers ago. A stalker named "A" has harassed them for their past mistakes and revealed their darkest secrets to the world. They've been on TV, hounded by the press, kicked out of school, arrested, and even put in jail. With time running out, and their lives on the line, one of the Liars does something so terrifying and shocking, fans will be left breathless.
