Incorporating the latest test plan, HESI/Saunders Online Review for the NCLEX-RN? Examination, 3rd Edition provides a unique comprehensive review experience with the convenience and interactivity of an online format. Perfect for students looking for a self-paced study tool, it features key nursing content organized by NCLEX Client Needs to prepare you for the NCLEX examination. A diagnostic pre-test taken at the beginning of the course provides you with a study calendar to guide you through the content modules. Each module is followed by a quiz to determine your mastery of the content. A comprehensive exam at the end of the course gives you a breakdown of your strengths and weaknesses. Plus, videos simulate a live review experience and help to clarify difficult concepts.

Part of the Saunders Pyramid to Success series, this unique instructional package provides everything instructors need to teach an entire NCLEX-RN review course. The package consists of a 3-ring binder, an Instructors Manual, and a CD-ROM. Comprehensive content is presented in learning modules that allow faculty to conduct review courses, individual teaching sessions, or classroom lectures. The CD-ROM features thousands of colorful PowerPoint slides that detail all

areas of nursing. It uses a series of modules so instructors can select which area they want to teach. Practice questions are available at the end of the content review in each module. The Instructors Manual features chapters on preparing students for the exam, ways to use the CD-ROM in the classroom, how to use the CD-ROM for individual student learning, lecture outlines to accompany the CD-ROM modules, information on how to develop and market an NCLEX-RN review course, and a syllabus for a 5-day or 15-week review course.
