This language program emphasizes the importance of pronouncing French words and phrases so that the speaker can be understood by the French and French Canadians. It presents exercises in sound discrimination and accurate sound creation-for example instructing in pronunciation of French vowel sounds and nasals such as eu and oei, which many English speakers find especially difficult to master. Words and sounds are put into a variety of conversational contexts for students of French to practice and perfect. It provides the added convenience of audio compact discs to replace the old tape cassettes. The book includes the IPA (International Phonetic Alphabet) as a pronunciation guide.

Presents examples and practice exercises to supplement a review of the governing interrogatives, negative word constructions, and the forms and uses of pronouns, nouns, articles, verbs, adjectives, adverbs, and numbers.
