matched to the Cambridge Secondary 1 Curriculum Framework and follows the structure of the equivalent Checkpoint Student's Book exactly. This text has not been through the Cambridge endorsement process.

The Primary Checkpoints series is designed to provide ready-made stimulating activities. Familiarises students with a variety of assessment formats, such as, NAPLAN* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy including mental arithmetic questions and problem solving

Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.

For the first two years of her life Kari Herbert lived with her mother and father, the explorer Sir Wally Herbert, among the Inuit people in the vast snowy wastes of the High Arctic. Her first words were
