

Secret Garden 2015 Wall Calendar

Thirty-one abstract and figurative illustrations include landscapes of densely wooded forests of pop-art vegetation, sailboats floating on psychedelic seas, vibrant fantasy gardens, and an imaginative assortment of faces and animals. Previously published as DreamScapes Coloring Book.

Grumpy Cat is back with a mission: Teach the world to "NO" everything. She's collected all her least favorite things and can't wait to tell everyone what to think about them. Grumpy Cat: No-It-All is packed with feel-good topics just begging for a cranky makeover: kittens, rainbows, smiles, birthday parties, cuddles, and more. Anyone who takes delight in sometimes seeing the glass half empty will love the hilarious new photos and commentary from the official mascot of misery. Where others say "aww!," Grumpy Cat teaches us to say "ugh." Nothing sweet is safe from this famous frown.

An all-new iteration of the adult coloring book—a gorgeously hand-illustrated storybook for readers to color and cherish, both an enchanting tale and a one-of-a-kind keepsake From coloring book queen Johanna Basford comes a new spin on the world of adult coloring: a lavishly illustrated fable about a little girl named Ivy who stumbles upon a secret door leading to the magical world of Enchantia. Ivy embarks on a quest through its many realms in pursuit of her inky butterfly, meeting whimsical characters and discovering many wondrous things along the way. A charming story that interacts playfully with beautiful, colorable artwork in Johanna's signature style, Ivy and the Inky Butterfly is a one-of-a-kind adventure for readers of all ages to customize, color, and cherish. Printed on specially selected ivory paper. This paper has been specifically created for Johanna Basford's coloring books. It has a medium tooth which is perfect for creating beautiful colored pencil effects or chalk pastel backgrounds but also wonderful for pens, which will glide effortlessly over its surface.

From Johanna Basford, 36 postcards for coloring in and sending to friends (or keeping for yourself!) These clever postcards feature beautiful drawings from Magical Jungle, illustrator and ink evangelist Johanna Basford's wondrous expedition through the jungle. Color in the cards to bring to life speckled tree frogs and dainty hummingbirds, prowling tigers and playful monkeys, and then share the magic with your friends—that is, if you can bear to part with them! Each postcard is an invitation to an exotic rainforest teeming with creatures large and small. For explorers of all ages.

Endearing cat photography complements a sequence of short advice columns written in the wry voices of kitties who would counsel humans on how to cope with romance, survive a social gathering or claw to the top of the corporate ladder, cat-style. --Publisher's description.

Noren knew that his world was not as it should be--it was wrong that only the Scholars, and their representatives the Technicians, could use metal tools and Machines. It was wrong that only they had access to the mysterious City, which he had always longed to enter. Above all, it was wrong for the Scholars to have sole power over the distribution of knowledge. The High Law imposed these restrictions and many others, though the Prophecy promised that someday knowledge and Machines would be available to everyone. Noren was a heretic. He defied the High Law and had no faith in the Prophecy's fulfillment. But was defiance enough, or could some way be found to make it come true? This classic science fiction novel is enjoyed by readers age 12 and up as well as by older teens and adults who go on to read the other two books in the Children of the Star trilogy. Originally published in hardcover by Atheneum in the US and by Gollancz in the UK under the title Heritage of the Star, it was the winner of a Christopher Award given for "affirmation of the highest values of the human spirit."

"Return to the Secret Garden and enjoy the wonder of childhood and the magic of friendship in this sequel that is sure to warm the hearts of young readers everywhere"—Shelf Awareness As she turned it the door creaked a little and opened inwards... The only friend Emmie Hatton has ever had at the Craven Home for Orphaned Children is Lucy, the little black kitten that visits her on the fire escape every day. But when the children of Craven Home are evacuated out of London because of the war, heartbroken Emmie is forced to leave sweet Lucy behind. The children are sent to Misselthwaite Manor, a countryside mansion full of countless dusty rooms and a kind, if busy, staff. Emmie even finds a gruff gardener and an inquisitive little robin that just might become new friends. And soon, in the cold, candle-lit nights at Misselthwaite, Emmie starts discovering the secrets of the house—a boy crying at night, a diary written by a girl named Mary, and a very secret, special garden... Return to the world of The Secret Garden with this enchanting new tale that will delight fans of the original story and new readers alike!

The first book by beloved and prolific French artist Nathalie Lete, whose work is sold at Anthropologie, Astier de Villatte, and numerous other upscale homeware stores worldwide.

In this Hugo Award-winning alternative history classic—the basis for the Amazon Original series—the United States lost World War II and was subsequently divided between the Germans in the East and the Japanese in the West. It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In this world, we meet characters like Frank Frink, a dealer of counterfeit Americana who is himself hiding his Jewish ancestry; Nobusuke Tagomi, the Japanese trade minister in San Francisco, unsure of his standing within the bureaucracy and Japan's with Germany; and Juliana Frink, Frank's ex-wife, who may be more important than she realizes. These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author, whose best-selling novel describes a world in which the US won the War... The Man in the High Castle is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

Editorial Reviews "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1 NYT Bestselling Author "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author "This was a KILLER start to Ms. Carlan's monthly series!" –Give Me Books "Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books. –Hooks & Books Blog "This story was exciting, quick; but well paced and full of loveable characters. I haven't met a character in this series that I haven't liked yet!" –Nice and Nau Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

In 1916, John Singer Sargent (1856-1925) met Thomas Eugene McKeller (1890-1962) a young African American elevator attendant at Boston's Hotel Vendome. McKeller became the principal model for Sargent's murals in the new wing of the Boston's Museum of Fine Arts, among the painter's most ambitious works. Sargent's nude studies and sketches from this project attest to a close collaboration between the two men that unfolded over nearly ten years. Featuring drawings given by Sargent to Isabella Stewart Gardner and published in full for the first time, a portrait of McKeller, and archival materials reconstructing his life and relationship with Sargent, this book opens new avenues into artist-model relationships and transforms our understanding of Sargent's iconic American paintings. Essays offer the first biography of Thomas McKeller and a window into African America life in early 20th century Roxbury. They address the artist's sexuality, his models, and consider questions of race and gender.

Published to benefit the SPCA, a lighthearted treasury by the creators of the Hot Guys and Baby Animals Wall Calendar features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

After the phenomenal success of *The Storm Whale* and *On Sudden Hill*, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our loved ones live on in our memories long after they're gone. Praise for *Grandad's Island*: 'Davies's elegantly rough illustrations, evoking a child's paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, *Grandad's Island* doesn't mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' *The New York Times Book Review* 'The creator of *The Storm Whale* (2014) offers another thoughtful picture book guaranteed to spark discussion...Recommend to young families dealing with loss, especially those who prefer to gloss over the scientific realities.' *Booklist Online* 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' *Publishers Weekly* 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it's normal to be sad and miss loved ones...Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn't directly specified, this title also works for when a child's loved one is moving far away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' *School Library Journal* 'Grandad's Island by British author-illustrator Benji Davies (*The Storm Whale*; *Bizzy Bear* series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer. Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' *Shelf Awareness for Readers* 'A resonant, layered tale that will only gain in texture as its readers get older.' *USA Today* "A Penguin original coloring book"--Back cover.
