

Sadly, I have learned this book is more than an extreme and overwhelming truth. Unfortunately, the world that I thought I knew is as bogus as a three-dollar bill, for real! Development of certain science technology placed excessive wickedness into the stratosphere. Unfortunately, it will eventually lead the world down a perilous path and to "their" doomsday clock. You will discover some of the most maddening saga of deception such as hidden trust, and how they are using manipulation on a grand scale for everyone around the world. There are BIG lies that they use to twist your minds. This deliberate agenda is calculated towards major deceit with grimaced and hollered corruption. You will also discover how the intentional plan was deliberately done in secrecy; so that it would be unknown to you. Yet, from the day you were born, it had been sitting on your doorstep. You shall come to know these heinous misleading acts are done by a few men. These very few men are the real "shakers" who run the world. With that in mind, it would leave you on the side of the road scratching your head, but "hopefully" that should be a good thing, which will leave you spiraling over into the hands of our creator, God. This gut-wrenching truth and darkness of infidel are perpetrated from the political occult and the secrecy from the elite should awaken you from your sleep and open your eyes. Not only will you realize you have been miss-led and blinded, you would learn they used the force of mind control, basically, to control your way of living on a daily basis. Also without awareness they instigated slavery in their course of action by subliminal messages through TV, movies, music and religion to keep you from having self-preservation. Now the all "seeing eye" and "Big Brother" is minding your business at every streetlight and corner. Yes, I said it, you have no privacy and pretty soon the constitution will be torn to shreds as if it never existed. That is just the beginning to what is to come. These infamous few men are empowered by the occult world of pure evil and selfish greed. In addition, their actions are to corroborate a sinister plot that is to annihilate or sweep away billions of God's children. Their goal is to rule over no more than 500,000,000 million people. This way they can have more control over the population. The ending results would lead the world into the NWO (New World Order). Now is the time to get your house in order and to save your soul. Because of the anatomy of knowledge and wisdom, you will understand the truth from God. In addition, the truth is relating imperative messages that only He delivers in His novel. Romans 15:13 13 May the God of hope fill you with all joy and peace, as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

"You know you're reading a good thriller when you start to cast it for the movie before you've even finished." Eithne Hannigan, BOOK REVIEWS, CONNEMARA LIFE magazine, Autumn 2002 You know you're reading a good thriller when you start to cast it for the movie before you've even finished. The plot is as complex as a Grisham novel, with twists and turns that kept me reading all night. It deals with corruption in high places and sinister secret societies and collusion between those who want more power. The characters are exceptionally well drawn and the dialogue fairly whips along. With the action moving from the elegant rooms of the White House to shootings in New York bars, car chases and mysterious cult rituals, the story catapults the reader around the United States with confidence. As the plot thickens - as they say! - paranoia battles with genuine anxiety about the U.S. government under threat from those who have a blackmailing agenda. All the ingredients for a good thriller are here. Owen MacDara is an ex-medical intern who served in Korea, now a millionaire business consultant. His previous history in the army leads him to take up a personal vendetta

for the deaths - or are they murders? - of several of his former army buddies. His soulmate is the beautiful daughter of the Chairman of the Joint Chiefs of Staff upon whom MacDara had operated, in strictest confidentiality, in Korea. The subplots interweave as the protagonists' lives become affected by seemingly unrelated killings. Only MacDara begins to sense a more wide-ranging conspiracy. The details about the internal workings of the U.S. President's office and the machinations of those 'who would be king' are neatly plotted, with enough kidnappings, torture and sex to satisfy any connoisseur of the thriller genre. It's pacy and exciting and filmic in its descriptions, and is an impressive first novel. Definitely a gripping read for these long winter evenings Eithne Hannigan holds an M.A. (hons.) in English and Law from King's College, Cambridge. She worked as an actor, musician and writer with Liverpool Everyman, Liverpool Playhouse, National Theatre and Donmar Warehouse in London. She then joined the BBC to present Playschool and, from 1987 to 1990, she presented her own show, Dot. Today she tours Ireland with her own band, Some Like It Hot. She has played at all the prestigious Jazz and Blues festivals both in Ireland and Britain, including Edinburgh and Glastonbury. Television appearances include The Late Late Show and Nighthawks.

***** "Here comes Pat Mullan with a thriller that will do exactly that...thrill you!" Ken Bruen Just when I'd lost faith in thrillers and reckoned I'd exhausted the genre, even Jack Higgins seemed to have tired of the formula, along comes a humdinger of a book to revive my joy in the art of thriller writing. Somehow it seems to be accepted that this discipline is not so difficult....whoa, is that ever a misconception. When was the last time you were on the edge of your chair or stayed up way too late as a plot wouldn't let you go? Here is the book to satisfy all of the above. Here comes Pat Mullan with a thriller that will do exactly that...thrill you. From the amazing opening, I defy you not to swallow this in one huge gulp and pray like me that his sequel will be soon. With an absolute cracker of a hero and soaring writing, the story is mesmerising, you just can't turn the pages fast enough. Another misconception is that thrillers are not well written. Pat Mullan knocks that notion right out of the water. That he is a poet is immediately evident and when you think of that

Noel Robertson was born during WWII. He worked hard to gain qualifications in school, banking and then general construction. All the time Noel had a nagging question - "Why are we so poor and who are these people controlling everything?" A Jewish friend told him that 'only fools work!' This made him think, so he embarked on various self-employed activities. Becoming ill at age 51, he has not worked since. He started his research into the history of mankind which took place way before all those Biblical stories - he needed to know the origins of our species and set out to find the 'missing' link according to Charles Darwin. Time allowed Noel to read numerous books allied to this subject, including those written by Zecharia Sitchin setting out his translations of the Sumerian Tablets. Noel basically found out where we, as a human race, came from. It was these findings that led to Black Blood = 21st Century Oil Rush. This brings right up to date the reasons for wars, both historical and current, which mankind has had to endure. Man has simply given his mind away! If you think you are free, then think again. It is a journey from pre-history, through Biblical times, the renaissance period to the present. Imperialist administrations are still fighting wars over the 'control' of modern energy - oil and gas - and indeed human minds. Man is being drawn in with most of the world not realising and understanding the covert powers at work here. Black Blood = 21st Century Oil Rush provides some very interesting answers - true understanding is highly controversial. Just substitute the word 'God' for 'space-ship' and 'global' for New World Order and enter Noel's world.

Facing adolescence is difficult enough, but compound it by discovering your true identity is not merely the freckle-faced girl you thought you were, but that of shapeshifter. Emma Quinne has been enrolled in Volegrim Academy (a school for were-creatures) by her mother in hopes the instructors can get her "unstuck" from her human form. Here Emma meets Jack Hedge, a boy whose "other" is a traditional werewolf, and Aveline Fortescue-a French were-bat-who know many of the institution's secrets. Primarily, the sinister agenda of headmistress Dr. Long and her relationship with a secret society of hunters who prey on shapeshifters. But before dealing with new friends, new classes, and new threats, Emma must deal with unleashing the tremendous force that sleeps beneath her skin.

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This *Genesis 6 Conspiracy* marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises.

Secret Societies: a Sinister Agenda Exposed

This valuable resource thoroughly examines relevant biblical, scholarly and anecdotal evidence. Formatted as a trial between good and evil, it highlights the significance of blood moons, why the Great Flood took place, the deceptive connection between aliens and UFOs and the rise of the Antichrist.

The economic Day of Reckoning will arrive like a thief in the night. Who among us will be ready for this earth-shattering event? Volume II of the *Age of Awakening Trilogy* sets the stage for the ultimate confrontation. By 2024, Federal Reserve Chairman, King James, and a group of global ultra-wealthy billionaire secret societies had solidified their grip on the global economy. Their next move was to capture the White House and to bring about the total manifestation of plutocracy in America. With the Federal Reserve System (the Fed) under their control and the Wall Street Wizards rigging and manipulating the activities in the financial markets, the ultra-wealthy elites began making preparations to initiate the greatest transference of wealth in human history. For sixteen years, money printing, successive rounds of quantitative easing (QE), tax cuts for the wealthy, and trillions of dollars of asset purchases by the Fed had sustained the massive debt, credit and asset bubbles in the West. The Day of Reckoning - the final bursting of the colossal global bubbles - is the prelude to a much more sinister agenda. What the secret societies will unveil is their master plan to implement a new modern feudalistic economic system of serfs and peasants, taking their positions as the dominant global overlords. With the massive introduction of robots, artificial intelligence (AI), mind-altering drugs, media brainwashing and other new age technologies, a centralized system of domination will be complete. This is their End Game, a plan conceived and developed centuries ago! ??? The ancients will not be silent. They will bring fire, judgments, redemption and great power! An ancient African Kemetic priesthood, Father Destiny and The Gathering, vowed 7,000 years ago at Ipet Isut (Karnak Temple) to reincarnate during the African Spiritual Age of Darkness to combat the forces of evil and disorder. Their mission is to break the spell of the global Matrix Vortex of falsehoods, ignorance and economic injustices. For what is hard for many people to understand is the great worldwide deception of the invisibility and covert operations of demonic forces that control the mental universe and actions of billions of people and their leaders. The sinister forces of wizards, warlocks, witches and others are moving aggressively to consolidate their power over this world for the next several thousand years. In Volume II of the *Age of Awakening Trilogy*, the opposing forces set the stage for the ultimate confrontation and the Day of Reckoning. Scroll up and grab a copy today.

The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this book, exposing new connections between religion, political conspiracy, and occultism. The infamous Illuminati secret society represents the pinnacle of power in politics, banking, and the news media; but what about the entertainment industry? Do Hollywood's elite studios, producers, and celebrities have a secret agenda? Are they part of a covert conspiracy? Media analyst Mark Dice will show you exactly how Hollywood uses celebrities and entertainment as a powerful propaganda tool to shape our culture, attitudes, behaviors, and to promote corrupt government policies and programs. You will see how the CIA and the Pentagon work hand in hand with Hollywood to produce blockbuster movies and popular television shows crafted to paint positive portraits of war, Orwellian government surveillance, unconstitutional agendas, and more. You'll also learn the strange and secret spiritual beliefs of the stars that fuel their egos and appetites for fame and wealth, making them perfect puppets for the corporate controllers behind the scenes. And you will also discover the rare instances of anti-Illuminati celebrities who have dared to bite the hand that feeds them. Character Howard Beale once warned in the 1976 classic film *Network*, "This tube is the most awesome God-damned force in the whole godless world, and woe is us if it ever falls in to the hands of the wrong people," and unfortunately that is exactly what has happened.

Space expert Bara delves into the secret space program, examining the possibility that there are secret bases on the Moon, and exploring the many other rumors surrounding the military's secret projects in space. Starting with the mysterious airship flap of 1897, tracing its possible origin to a 19th century Prussian secret society, Bara posits that man has had anti-gravity technology for quite a long time. What else doesn't the public know? Bara brings to light a lot of evidence showing that there is plenty. • On June 8, 1959, a group at the Army Ballistic Missile Agency produced for the U.S. Army a report entitled *Project Horizon*, a "Study for the Establishment of a Lunar Military Outpost." The permanent outpost was predicted to cost \$6 billion and was to become operational in December 1966 with twelve soldiers stationed

at the Moon base. Did this happen? • The Brookings Report drawn up at the inception of NASA said we could expect to find alien artifacts in our exploration of space. Did NASA and the Pentagon find evidence of alien bases on the Moon? Did the Apollo 12 astronauts deliberately damage the mission's TV cameras in order to hide their explorations of one of these bases? • Does hacker Gary Mackinnon's discovery of defense department documents identifying "non-terrestrial officers" serving in space mean that the U.S. has clandestine space platforms designed to fight a war with an alien race? And, have civilian observers here on Earth photographed these secret military space platforms? Bara explores the evidence surrounding these questions and more in this explosive book. He maintains that aside from the actual secret space program, even the public space program—NASA—has at its core a secret agenda. Bara also examines the many allegations that the government has long been clandestinely working with aliens in various covert programs.

King Solomon is one of the Bible's most famous figures, responsible for building the Holy Temple that housed the Ark of the Covenant. Yet Solomon died as an apostate. How could a man fabled for his wisdom reach the conclusion that God was false? The Armageddon Conspiracy reveals the answer to this greatest Biblical mystery. The Temple of Solomon was not the house of God at all but a special chamber designed to contain a unique weapon, for which Solomon had the most astounding purpose in mind. Solomon, a man obsessed with witchcraft and magic, believed he had found the key to the supreme mystery of life, but he died before he could complete his mission. The world's oldest secret society, of which Solomon was the Grand Master, still exists and now its members are about to perform the final cataclysmic ceremony Solomon had planned for so long.

History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations.

Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. Most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the "destruction of properly constituted authority." This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies mirror many facets of ordinary life. There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, however, is almost always different from the real reason.
