"You know you're reading a good thriller when you start to cast it for the movie before you've even finished." Eithne Hannigan, BOOK REVIEWS, CONNEMARA LIFE magazine, Autumn 2002 You know you're reading a good thriller when you start to cast it for the movie before you've even finished. The plot is as complex as a Grisham novel, with twists and turns that kept me reading all night. It deals with corruption in high places and sinister secret societies and collusion between those who want more power. The characters are exceptionally well drawn and the dialogue fairly whips along. With the action moving from the elegant rooms of the White House to shootings in New York bars, car chases and mysterious cult rituals, the story catapults the reader around the United States with confidence. As the plot thickens - as they say! - paranoia battles with genuine anxiety about the U.S. government under threat from those who have a blackmailing agenda. All the ingredients for a good thriller are here. Owen MacDara is an ex-medical intern who served in Korea, now a millionaire business consultant. His previous history in the army leads him to take up a personal vendetta for the deaths - or are they murders? - of several of his former army buddies. His soulmate is the beautiful daughter of the Chairman of the Joint Chiefs of Staff upon whom MacDara had operated, in strictest confidentiality, in Korea. The subplots interweave as the

protagonists' lives become affected by seemingly unrelated killings. Only MacDara begins to sense a more wide-ranging conspiracy. The details about the internal workings of the U.S. President's office and the machinations of those 'who would be king' are neatly plotted, with enough kidnappings, torture and sex to satisfy any connoisseur of the thriller genre. It's pacy and exciting and filmic in its descriptions, and is an impressive first novel. Definitely a gripping read for these long winter evenings Eithne Hannigan holds an M.A. (hons.) in English and Law from King's College, Cambridge. She worked as an actor, musician and writer with Liverpool Everyman, Liverpool Playhouse, National Theatre and Donmar Warehouse in London. She then joined the BBC to present Playschool and, from 1987 to 1990, she presented her own show, Dot. Today she tours Ireland with her own band, Some Like It Hot. She has played at all the prestigious Jazz and Blues festivals both in Ireland and Britain, including Edinburgh and Glastonbury. Television appearances include The Late Late Show and Nighthawks. *****

"Here comes Pat Mullan with a thriller that will do exactly that...thrill you!" Ken Bruen Just when I'd lost faith in thrillers and reckoned I'd exhausted the genre, even Jack Higgins seemed to have tired of the formula, along comes a humdinger of a book to revive my joy in the art of thriller writing. Somehow it seems to be accepted that this discipline is not so difficult....whoa, is that ever a misconception. When was the last time you were on the edge of your chair or stayed up way too late as a plot wouldn't let

you go? Here is the book to satisfy all of the above. Here comes Pat Mullan with a thriller that will do exactly that...thrill you. From the amazing opening, I defy you not to swallow this in one huge gulp and pray like me that his sequel will be soon. With an absolute cracker of a hero and soaring writing, the story is mesmerising, you just can't turn the pages fast enough. Another misconception is that thrillers are not well written. Pat Mullan knocks that notion right out of the water. That he is a poet is immediately evident and when you think of that

On May 9, 2001, the Disclosure Project hosted a major event at the National Press Club in Washington, D.C. This historic event had witness testimony from twenty to twenty-five military, intelligence, government, and corporate individuals involved with UFO projects over the past fifty years, who presented their information before a worldwide group of media correspondents. "Those of us who were military witnesses of UFO history showed official government documentation with detailed testimony. Our focus was and is on the facts and documents. Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry. We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial

occupants. We need to declassify the advanced electromagnetic propulsion systems in use by the secret government, start producing them for the world to use, and thereby help save this planet. The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy. Now I am finally relieved to speak the truth. We military men who hold on to this knowledge are getting old and dying, and we want the truth to come out. We will either do it ourselves or leave it for our children and wives to do. Personally, I have told those on Capitol Hill that I am being led to do it by the aliens themselves. They have convinced me that it is time. They have been waiting on the government, and if the government does not come forward with the truth, then the aliens will take a more public role in disclosure."

Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. Space expert Bara delves into the secret space program, examining the possibility that there are secret bases on the Moon, and exploring the many other rumors surrounding the military's secret projects in space. Starting with the mysterious airship flap of 1897, tracing its possible origin to a 19th century Prussian secret society, Bara posits that man has had anti-gravity technology for quite a long time. What else doesn't the public know? Bara brings to light a lot of evidence showing that there is plenty. • On June 8, 1959, a group at the Army Ballistic Missile Agency produced for the U.S. Army a report entitled Project Horizon, a "Study for the Establishment of a Lunar Military Outpost." The permanent outpost was predicted to cost \$6 billion and was to become operational in December 1966 with twelve soldiers stationed at the Moon base. Did this happen? • The Brookings Report drawn up at the inception of NASA said we could expect to find alien artifacts in our exploration of space. Did NASA and the Pentagon find evidence of alien bases on the Moon? Did the Apollo 12 astronauts deliberately damage the mission's TV cameras in order to hide their explorations of one of these bases? • Does hacker Gary Mackinnon's discovery of defense department documents identifying "non-terrestrial officers" serving in space mean that the U.S. has clandestine space platforms designed to fight a war with an alien race? And, have civilian observers here on Earth photographed these secret military space platforms? Bara explores the evidence surrounding these questions and more in this explosive book. He maintains that aside from the actual secret space program, even the public space program—NASA—has at its core a secret agenda. Bara also examines the many allegations that the government has long been clandestinely working with aliens in various covert programs.

"Case No. 666" reveals a cosmic conspiracy to pollute the human bloodline, introduce further evil into the world, and lead to the Antichrist's arrival. Far beyond wacky conspiracy theory, this is a reasoned look at a dark sequence of events that will attempt to deceive believers, and will culminate in a showdown between Christ and Satan. This valuable resource thoroughly examines relevant biblical, scholarly and anecdotal evidence. Formatted as a trial between good and evil, it highlights the significance of blood moons, why the Great Flood took place, the deceptive connection between aliens and UFOs and the rise of the Antichrist.

An overview of how esoteric brotherhoods have shaped history • Examines the secret chronology and clandestine causes of seminal world events • Shows how secret societies feed into one another, and how they have worked together For thousands of years secret societies--guardians of ancient esoteric wisdom--have exercised a strong and often crucial influence on the destiny of nations. Though largely ignored by orthodox historians, the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order. Inevitably, the true ideals and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of America, and the Vatican have all justified their actions--for good or for ill--by claiming the mystic ideals of secret societies. Michael Howard explores these connections, tracing their effects in politics and statecraft from the time of ancient Egypt up to the present. He sheds light on the influence of secret societies on governments and in the lives of many well-known figures, including Frederick the Great, John Dee, Francis Bacon, Benjamin Franklin, Comte de Cagliostro, Helena Blavatsky, Rasputin, and Woodrow Wilson. He contends that the recent

Startling allegations. Suppressed evidence. Missing witnesses. Assassinations. Cover-ups and threats. Documented connections to even deeper intrigue. Allusions to the New World Order. Coincidences? Too many to be mere coincidence? American history is replete with warnings of hidden plots by the Illuminati, the Freemasons, the Zionists, the Roman Catholics, the Communists, World Bankers, the Secret Government, and Extra-Terrestrial Invaders, to name a few. Separating fact from fiction, this compelling work provides gripping details and presents the information without bias, including hundreds of individuals, organizations, and events where official claims and standard explanations of actions and events remain shrouded in mystery. *Conspiracies and Secret Societies: The Complete Dossier* examines the most common subjects among conspiracy theorists, from historical topics such as the true relationship between Jesus and Mary Magdalene, the Roswell UFO crash, and the assassinations of John F. Kennedy and Martin Luther King Jr. to more current issues such as the death of Princess Diana, FEMA's response following hurricane Katrina, and the recent earthquake and tsunami in Japan.

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises. *Demon Cults & Secret Societies* brings 13 nefarious organizations to your tabletop game, each with its own sinister agenda. We humans are obsessed with secrecy. Exclusive organizations, in which the inner workings are concealed from non-members, or the members list is kept under lock and key, are nothing new. Since civilized society began humans have been intrigued by confidentiality, and have either belonged to a secretive group or organization or, from the other side, tried to rip open these clandestine clubs. People always want to be told a secret and be part of something exclusive. In the same way, if a person finds out that they have been kept in the dark, or if a person is excluded from joining a certain group, feelings of jealousy, anger and resentment often arise – it is hard not to want to be part of the ‘in-crowd’.

secret societies had solidified their grip on the global economy. Their next move was to capture the White House and to bring about the total manifestation of plutocracy in America. With the Federal Reserve System (the Fed) under their control and the Wall Street Wizards rigging and manipulating the activities in the financial markets, the ultra-wealthy elites began making preparations to initiate the greatest transference of wealth in human history. For sixteen years, money printing, successive rounds of quantitative easing (QE), tax cuts for the wealthy, and trillions of dollars of asset purchases by the Fed had sustained the massive debt, credit and asset bubbles in the West.
