But Rosie can't tear her eyes away from the faded photograph in her hands, and the words written on the back that will change everything... She's surprised to find a smiling man in hiking boots – local farmer Liam – waiting on the stone doorstep. His kind offer to help clear crumbling, isolated Driftwood House is hard to refuse, and despite Rosie's determination not to let anyone get close, soon they're walking and laughing together along the clifftops. As clouds scud across the endless sky and green waves crash against the shore, Rosie is reminded that nowhere is more beautiful than home. Then, up in the attic of Driftwood House, Rosie stumbles across a photo which exposes the heart-stopping truth about how her mother came to live at Driftwood House years ago... and Liam only seems concerned about the

From the legendary New York Times bestselling author of Flowers in the Attic and My Sweet Audrina (now Lifetime movies) comes the first book in the Casteel Family series—for fans of Emma Donoghue (Room) and Kay Hooper (Amanda). Of all the folks on the mountain, the Casteel children are the lowest. Even the families that buy them think so. Heaven Leigh Casteel may be the prettiest, smartest girl in the backwoods, but her cruel father and weary stepmother work her like a mule. For the sake of her brother Tom and the other little ones, Heaven clings to the hope that someday she can show the world that they are worthy of love and respect. But when the children's stepmother can't take it anymore and abandons the family, Heaven's father hatches a scheme that will alter her young life forever. Being sold to a strange couple is just the beginning; ripping away the thin veneer of civilization and learning the adult secrets of the world around her means Heaven must abandon someone, too—the child she was, to become the woman her mother never had the chance to be.

I spent most of my life believing I was flawed, ugly, and that there was something wrong with me to the core of my being. I was taught to trust the wrong people through events in my childhood. I found myself in so many abusive relationships and wasn't even aware of the fact that they were abusive. I was shut down, living in "fright or flight," not able to think for myself. It was what I knew to be normal. It took a Near-Death Experience to reconnect myself to my spirit, I then was able to

How did I end up with a man involved in a Satanic Cult I tell a very honest, raw, revealing story of how damaging abuse and bullying was to the emotional part of me. I share tools and techniques that allowed me to heal my wounds. I believe that had I not had the NDE I would not be alive! I do not share details of the abuse however this book is not for the faint of heart! My journey has been terrifying at times, there were moments when I was hanging on by a thread. Yet in those moments I found the strength to my healing. The journey was so guided and I know that I was meant to experience everything to write this book. It is my honour to share how I healed my childhood emotional wounds of bullying and abuse at the hands of my father, as well as my peers. This book is so revilement with the times we are in, "Me Too."

The greatest teacher who ever lived, Jesus knew how to reach his audience where they were at. Whether preaching to a group in parable or holding an intimate conversation, he had an unequalled ability to get across the message that his listeners needed to hear. His teachings in the Gospels speak no less directly to us today. But so rich in meaning are the words of our

incarnate God, so layered and profound his messages, that often we fail to do more than scratch their surface. And over time, our habit of superficial encounter with the Word can become self-perpetuating. In *Secrets from Heaven*, Fr. Sebastian Walshe helps you break free from stale and familiar takes on the Gospel, giving you new eyes to see and new ears to hear the inexhaustible depths of Christ's wisdom. The Parable of the Sowers, the Good Samaritan, the Prodigal Son, the woman caught in adultery - all these and more come alive in fresh ways, revealing significant details and nuances, scriptural/historical connections, and testaments to Christ's rhetorical and pedagogical genius that you've never noted before. You'll marvel at Jesus' skill as an evangelist; but more importantly, you'll be powerfully moved to faith and love just as those who heard him in person long ago. Nothing Jesus taught was truly "secret" - he revealed the Father for all the world to see. But that doesn't mean his revelation is simplistic. Read *Secrets from Heaven* and go deeper into the saving mysteries of his life and words.
