Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures-where every scent and every act of beautification had spiritual and emotional significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's appearance. In *Beauty Secrets of the Bible*, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. *Beauty Secrets of the Bible* gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.

This book, I believe, for the first time reveals knowledge that has been buried in the Bible under a secret code. There have been many attempts to uncover this code, and all previous attempts have contributed in a positive way to this writing. The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood. I am not, though, writing this with rose-colored glasses. There will always be those who hate the Truth for personal worldly gains, those who take comfort in falsehood, those who would follow blindly what their ancestors believed (true or false), those who worship at the altar of their base desires, and those who benefit from evil in the world. The ultimate victory of Truth over falsehood is with God Almighty, and I wish that the reader is guided to the Truth. This book is also a way to thank God Almighty for guiding me away from falsehood, and this book is for others like me.

Family Secrets By: William Stricklin *Family Secrets* discloses the darkest secrets over a thousand years. This nonfiction book is evidence that the writer's family may be firmly founded on the five strong pillars of murder, betrayal, greed, lust, and incest and has far more than its fair share of family secrets. Research over half a century has created this book not

to be put down: a pregnant nun; the secret library in the Strickland Manor where Catherine Parr, Queen of England and Henry VIII's sixth wife, locked prohibited books away from the castle in order to keep her head from being chopped off; regicide of a boy king by his stepmother; a hunting trip in which Stricklin's forebear puts a hunting javelin between the shoulder blades of his best friend... then hastily married his gorgeous wife fourteen days later; a ménage during a coronation dinner including a new bride and new mother-in-law; abduction of Stricklin's two-day-old maternal great-grandmother during a Comanche raid and the saga of her escape from slavery; and the murder trial of Katie Stricklin who used arsenic to poison her family.

Uncover the fascinating truth behind Freemasonry and incorporate symbolic rituals into your life with this remarkably detailed and comprehensive insider's guide. Jean-Louis de Biasi, a 32nd Degree Freemason who's been involved in the order for over twenty years, offers a candid look at the essential aspects of Freemasonry. Basing his work on original texts and archaeological findings, de Biasi details the Masonic tradition's history, the degree-based system of the Scottish Rite, and their ethical teachings and philosophies. He provides evidence of Freemasonry's origination in the Ancient Western Mysteries and its Hermetic and Qabalistic underpinnings, and then traces how the Founding Fathers used this knowledge to embed sacred symbolism into the U.S. Capitol and throughout Washington, DC. From the power-charged grids within architecture to Albert Pike's highly influential teachings, from the Rose-Cross mysteries to the Masonic themes in Dan Brown's popular books, *Secrets and Practices of the Freemasons* shines a revelatory light on this captivating subject. Also featured: genuine Masonic meditations and individual rituals with easy-to-follow instructions, plus interviews with scientists who lend their perspectives on Freemasonry as it is viewed and practiced today.

These books cannot fail to be of interest to students of apocalyptic literature and of the origins of Christianity. It is with a view to help such that this book has been made available. Until the publication of this book, the *Secrets of Enoch* were previously known only in Russia. The *Apocalypse of Baruch* constitutes the last noble utterance of Judaism before it plunged into the dark and oppressive years following the destruction of Jerusalem. These two classics in apocryphal literature are now available once again to the general public in this combined edition from the Apocryphile Press.

Secrets from the Lost Bible Council Oak Books

The world is full of secular mysteries that cannot be explained or solved, yet people spend hours and hours researching, studying, and asking questions in an effort to find the answer to life's greatest secrets. Sadly, the mysteries of the Bible, which can be solved through study and prayer, are often ignored. *Secrets and Mysteries of the Lost Ark* walks you through a study of the ark of the covenant and the sanctuary, two important components of our Christian faith. Designed for individual use or as a group Bible study or church seminar, the twelve lessons in this study guide will prompt you to dive into the Word of God and uncover the truths that Jesus has placed within its pages. "Pastor James Hoffer is to be commended for writing about the sanctuary through this unique study method. This book unfolds the importance of the sanctuary message. I recommend this study to every Seventh-day Adventist." Norman R. Gulley, Ph.D., research professor in systematic theology, Southern Adventist University "Secrets and Mysteries of the Lost Ark is excellent for new church members and serves as a wake-up call for those who may have neglected the message that God has given to His last day church." Richard W. O'Fallon, revivalist and author "Many Adventists know so little about the sanctuary and our doctrines about it or their meanings. This could start a revival in those who read and study it." Carol Zarska, director, Mountain Refuge Family Ministries, and speaker on the subjects of the sanctuary and prayer "This is a creative, clear, concise study that shows how our fundamental beliefs can be traced back to the sanctuary. A heart-warming and inspiring journey to be sure." Dave Turner, participant in the first public seminar for this book

Like the Great Pyramid, mysteries surround the other pyramids as well as other features found at the Giza plateau in Egypt. For example: Why does the second pyramid have two entrances, both off center, while the single entrance to the third pyramid is centered? What was the purpose of the two lower chambers in the second pyramid? Moreover, why was the sarcophagus in this pyramid made to be wider than the passages that lead to the upper chamber? In a related matter, why were the bones of a bull placed in the sarcophagus? And why was the

sarcophagus sunk into the floor up to its lid? At the third pyramid, why were parts of a body dating to the Christian period wrapped in a coarse yellow woolen cloth and buried beneath three feet of rubbish in the upper chamber? Why in the third pyramid was the lower vaulted chamber designed so that it would absorb both sound and light? Out on the plateau, what was the purpose of the so-called trial passages? On the south side of the Great Pyramid, why was an ancient boat dismantled and buried in a pit east of that pyramid's north-south axis? And what was stored in the other pit west of the axis? Do the four so-called air shafts in the Great Pyramid link the three major pyramids together? And how are the compartments above the Kings Chamber related to the end time? David Furlong, author of *The Keys to the Temple*, says the whole of the Giza complex was based on a coherent design intended to portray a spiritual theme (page 89). Volume 2 of *Books Written in Stone: Enoch the Seer, the Pyramids of Giza, and the Last Days* provides the evidence to support this thesis.

This is the third book of a series called *Revelations of a Spiritual Wanderer*. It deals with peace, prosperity, harmony in a post 9/11 era. It uses the relationship between Emerson and Thoreau as a basis for renewing the transcendental love at the foundation of North American society. Today's Unitarian Universalism is used as an example of interfaith dialogue.

What books were left out of the Bible and why? First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published. Here, in one place, are the infancy gospels, the letter of Jesus to Abgarus, the Gospel of Nicodemus, the Legends of Paul and Thecla, the Epistles of Clement and Barnabus, the Shepherd of Hermas, the Books of Adam and Eve, the Secrets of Enoch, the Psalms and Odes of Solomon, the many Testaments of the Patriarchs, and many more ancient books which were highly revered, but ultimately left out of the Bible.

Suppressed by the early Church Fathers who compiled the Bible, these Apocryphal Books have for centuries been shrouded in silence. Now, for the first time in paperback, the reader can discover the hidden beauties of the Lost Books. To be found in this volume are the Apostles' Creed, the Psalms and Odes of Solomon, and other Apocryphal writings that have become part of our religious heritage. The story of Joseph and Potiphar's wife, of Adam and Eve, of the girlhood and betrothal of Mary, of the childhood of Jesus, are here in all the warmth, intimacy, and humanity of their first telling.

Ancient scriptures, hidden from the world for centuries, have recently attracted unprecedented popular attention. Some were found among the ancient library of the Dead Sea Scrolls. Others include assorted mystical writings known as Kabbalah, and a host of books that never made it into the Bible, called Apocrypha (which means "hidden") and the Pseudepigrapha (called "false writings" by those who suppressed them). Additionally, there are the Gnostic texts of Nag Hammadi -- a location in Egypt where a treasure trove of lost books was discovered in the middle of the twentieth century. Collectively, they comprise the "Lost Bible." For centuries, these manuscripts were systematically suppressed because their liberating messages of individual power and worth challenged the authority and pet philosophies of political and religious leaders.

The Hidden Secret Power of Freemasonry by Robert Kallian, P.M.

There is no greater controversial person in the world than Jesus the Christ. For over two thousand years, speculation has been lurking in the background about religious control of belief by the church and church dogma in general. Where many people stop in Sunday school, author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching. Along the way, historical writings were discovered that provided more detail surrounding his life, death, and resurrection. Having been inspired to study after being presented with conflicting historical information, Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus. To no surprise, The answers he found were not always in line with what the Bible says, and Eyerly argues that what we are commonly taught in church isn't the full story. There are several documents and writings discovered that go against modern constructs and tradition as we Christians know of the faith today. Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus, his followers, and possibly why these documents were rejected and pushed into the dark. See how these stark differences in belief are considered so dangerous by the church and not by Jesus. Between Heaven and Hell is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era. Dean draws from many non-canonical references and Gnostic literature in presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus. Is there good evidence that Jesus was who we think he was? Was he really born of a virgin? Who really wrote the Bible? These questions must start from somewhere. Discover what you might in this thought provoking presentation of 'un-safe' information that lies Between Heaven and Hell. Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds. Eyerly firmly believes, As do all of mankind, that Jesus is extra-ordinary, And The Being that all earthly people should emulate. Eyerly currently resides in Holland, Ohio.

From the earliest days of oral history to the present, the vampire myth persists among mankind's deeply-rooted fears. This encyclopedia, with entries ranging from "Abchanchu" to "Zmeus," includes nearly 600 different species of historical and mythological vampires, fully described and detailed.

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This *Genesis 6 Conspiracy* marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises.

This book uses both modern science and biblical references together without contradiction. This book releases for the first time, secret codes in the bible which disclose the approximate dates of all events in the book of Revelation which includes the dates of all seven seals and what they really are, and the exact date the Antichrist and false prophets are due to arrive, and what 666 really stands for in the ancient text. This book also exploits hypocrisies of our society and explains biblical misconceptions and loop holes in the bible and shows the reader how far fetched you could make religion because of these loop holes. This book also categorizes and groups together bible verses related to similar topics for your convenience and reference; and most importantly, this book documents with over 2,900 different bible verses what the bible really says.

A highly original work that deals a shattering blow to all our preconceived notions about our past and human origins. Worldwide legends refer to giant flying lizards and dragons that came to this planet and founded the ancient civilizations of Mesopotamia, Egypt, India and China. Who were these reptilian creatures? What was the real reason for man's creation? Why did Adam lose his chance at immortality in the Garden of Eden? Who were the Nephilim who descended from heaven and mated with human women? Why did the serpent take such a bad rap in history? Why didn't Adam and Eve wear clothes? What were the crystals or stones that the gods fought over? Why did the ancient Sumerians call their major gods USHUMGAL, which means literally great fiery, flying serpent? What were the boats of heaven in ancient Egypt and the sky chariots of the Bible? This book tells it all.

The discovery of a previously lost Gospel of Judas Iscariot has electrified the Christian community. What Matthew, Mark, Luke, and John tell us about Judas, the disciple who betrayed Jesus, is inconsistent and biased. Therefore, the revelation

of an ancient gospel that portrays this despised man as someone who saw his role in the Passion of Christ as integral to a larger plan—a divine plan—brings new clarity to the old story. If Judas had not betrayed Jesus, Jesus would not have been handed over to the authorities, crucified, buried, and raised from the dead. Could it be that without Judas, the Easter miracle would never have happened? In *The Secrets of Judas*, James M. Robinson, an expert historian of early Christianity, examines the Bible and other ancient texts and reveals what we can and cannot know about the life of the historical Judas, his role in Jesus's crucifixion, and whether the Christian church should reevaluate his intentions and possible innocence. Robinson tells the sensational story of the discovery of a gospel attributed to Judas, and shows how this affects Judas's newfound meaning for history and for the Christian faith.

Adam was Eve's Father? Enoch was Noah? Mt. Sinai is Heaven? Paradise consists of some kind of supernatural 'waters'? The Book of Genesis is just a general overview of 'the beginning'; there is much more to tell. Without some of the Apocryphal and Pseudepigraphal literature, we could never figure it all out.

The fire of the early church can no longer be found in the present day church. Christians of the early Church moved in greater power unlike nowadays when the words of many believers carry no fire. Due to this lack of power in this present day church, many believers are confused. They cannot even tell the genuine from the fake. Unfortunately, the children of darkness learn the workings of heaven and use them against the children of light, who are supposed to know better. Indeed the early church must have some secrets, which gave them the edge and the upper hand over the powers of darkness. With a view to solving this debacle, which the present day church has found itself, the Holy Spirit through the writer has revealed these lost secrets of the church. This is a must read for anyone who desires to be a firebrand and also operate constantly in power as of old.

An increasing number of historical and archaeological finds made around the world have been classified as "out-of-place artifacts" (ooparts). They have been called this because they appear unexpectedly among the ruins of the past with no evidence of a preceding period of development; their technological sophistication seems far beyond the capabilities of ancient peoples. Drawing on the literature and art of the Chaldeans, Sumerians, Babylonians and others, Rene Noorbergen's contention is that a superior race of man was responsible for these scientific marvels that bear testimony to a civilization with technology comparable to our own.
