

Shattered Spirits A Dragon Spirit Novel Book 2

Gothiniad of Surazeus - Oracle of Gotha presents 150,792 lines of verse in 1,948 poems, lyrics, ballads, sonnets, dramatic monologues, eulogies, hymns, and epigrams written by Surazeus 1993 to 2000. Now in its twentieth edition, a concise guide to the video and DVD market provides in the most recent year's edition more than 400 new entries, a star-based rating system, cast and director indexes, an Academy Award winner list, and more than 18,000 reviews. Simultaneous. 45,000 first printing.

In 1981, Nigel Foster flew to Canada's Baffin Island to begin a solo kayak trip south toward northern Labrador. After crossing the 40-mile wide Hudson Strait in howling winds and fighting a 10 knot tide race, Foster crash-landed on a small island in the dark. He had frostbitten fingers and was 300 miles from the closest village. With unimaginable good fortune, eight days later he ran across an oil tanker and hitched a ride south. He had survived—marking one of the most notable solo crossings in history—but the failure of the second portion of the trip he had originally planned haunted him. In 2004, Foster returned to northern Labrador with his then girlfriend (now wife) Kristin Nelson. Launching from Kuujuaq in Northern Quebec, the couple paddled the Ungava Bay coast—which has one of the largest tidal variances in the world—to the place Foster had boarded the oil tanker 23 years earlier. From this remote location, the couple completed the trip to Nain that Foster originally planned for 1981. They encountered more polar bears than people. The story of the two trips forms the backbone for *On Polar Tides*—Originally self-published as *Stepping Stones* in 2009—which offers an intimate and insightful view of Ungava and Labrador. The new, revised edition includes gripping recollections of the polar adventures and 54 color photographs.

In this fantastical adventure through three magical kingdoms, Princess Carrina and her trusty companions must discover the origins of her magic, save a young prince from an evil witch, and battle a trio of dragons who return to reclaim their home. The *Magical Adventures of Princess Carrina* includes all three original books from the series: *Box of Hair a Fairy Tale*, *The Venus Diary*, and *The Dragons of Tarnack*. From author Heath Buckmaster comes a journey of self-discovery and a thrilling adventure for readers of all ages.

"Paul has been training his whole life to be a Protector. Together he and his assigned Speaker will help lingering souls move from our world to the next. But no amount of training has prepared him for Vivienne--a Speaker with hot pink hair, piercings, and a blatant disregard for rules"--

Darkness looms over Eastern Rogal. The spirits are fading, the bandits are conquering and kingdoms are crumbling. Nicolas, Justin and Dorothy must protect their families when their city, Benith, is destroyed by the Bandit Clans. After terrible struggles to survive in the Warua Forest, they join the Order of Light and learn magic. Their quest to defeat the Bandit Kings takes an unexpected turn when the spirits declare them Chosen, destined to destroy the Spirit of Calamity. From terrifying wolvens, monstrous demons, cruel bandits and the curse of the elves, Nicolas, Justin and Dorothy must overcome all obstacles or lose everything. The rise of the Archons is a story about war, struggle and hope. Ghassan Jabali is an aspiring novelist who has written various stories on fantasy, drama and science fiction. His first book, *The Great Archons*, was originally written when he was only 16 years old. He currently lives in Las Vegas, Nevada and studies to get his Bachelor's Degree in English.

World War II was going great...until Satan showed up! Mick Murphy's an Irish half-elf from Manhattan. His best buddy, Dave, is a dwarf from Brooklyn. Along with a company of misfits, screwballs and, well, trolls from the pit, they'll take on anything Austro-Hungaro-Roumania, or even Hell, cares to throw at them. Assigned to King Company—the reconnaissance company—of the 134th Infantry Regiment in November of 1944, they're the regimental reserve, the Colonel's bodyguard, the military police, and general rock-straighteners. But once in a while, when the gremlins stop hexing their Jeeps, they go out and poke around to find out where the Enemy is and what he's up to. They're very good at finding and dealing with all the vampires, werewolves, and sky demons the Enemy can throw at them. Unfortunately, though, behind them are the Big Boys, deep down in a pit of their own, and the War won't end until G.I.s plant their boots on the Devil's throne and kick him out. Working their way up to this biggest of D-Days—the assault on Hell, itself—is going to tax the United States Army to its utmost...but the dogfaces on the Line are one step ahead of the brass, because they're already halfway to Hell.

This book is about gaining a biblical understanding of death. Whether you are Christian or not, you may see things in a whole new way and gain an understanding of the many theories you have heard over the years. This book is valuable to anyone who has had questions about God's justice or injustice, hellfire, or where we go when we die. Learn about suicide, euthanasia, ghosts, the crucifixion, and many more insights. The wisdom within is heavily supported with biblical texts and the personal experiences of the author and others.

Dragon Shaman, Book One: Taming The Blowing Wind can be compared to a blending of Tolkein, J.K. Rowling, and Miyazaki's Spirited Away or Princess Mononoke combined with the wonder of a child listening to Native American myth and tales of the Japanese Kami, with a bit of Celtic Fairytale elements. It is sure to be a hit with lovers of dragons, fantasy, supernatural/paranormal, and romance. Blowing Wind, a young woman of Native American and Celtic descent, falls in love with Obsidian, a boy she at first believes to be human but later discovers on the night of her 18th birthday to be the guardian spirit of Medicine Lake, near the sacred Mount Shasta in California. The night before her High School graduation he meets with a bad end, setting her journey of self discovery in motion which ultimately takes her away from everything that she knows and to Japan. There, as she searches for what the soul of Obsidian wishes her to find at the foot of Mount Fuji she meets with Ryu, a spirit of the mountain and bearing a striking resemblance to the soul she is searching for. By the time these two meet her own spirit is shattered, and it is up to Ryu and a mysterious concurrent incarnation of Obsidian to begin the process of healing her spirit and mind. However, she has her own destiny that waits to be fulfilled, and spirits from both her old and new lives have tests to administer during everything. Unlike the print version of the book, the ebook will have a few images that have been done by the author herself, and the story of how Dragon Shaman, Ryu, and Blowing Wind came to be. Also included will be the songs used in the story itself the way they were meant to be seen, instead of hidden within the dialog.

****LIMITED TIME BOX SET**** of books 3-4 from the Broken Souls Series. When dark elves corrupt the very thing you are, there's only one path to redemption. This is all my fault. The fates sent them to me in a dream—the twin soul mates and the dragon man with the pale brown eyes. I knew they were key to everything. I knew I'd pay a price for it. What I didn't see coming was the flutter in my belly when the dragon man's eyes were upon me. He's a fine thing, but that's not important—rescuing these women from the feckin' Elves. That's important. Not least because it's my fault they're here. Witches are supposed to be healers. Matchmakers of dragons. My mother and her mother before her... we aren't supposed to be destroyers. His love will set her free. Hers will kill him. For centuries Capri has used her magic to keep dragonkind a secret, living only for her job. A century ago, dragon law forced her to abandon the only man she ever loved, a human, and she swore she'd never love one again. So when a murdered dragon is discovered, Capri jumps to work, only to discover a human detective on the case who could be her dead lover's twin. Detective Ryan Miller has always known magic existed. It's the only explanation for the visions of the future that plague his life and jeopardize his career, but when a vision shows FBI agent Capri Jones in danger, he knows he has to stay close and save her. Except the closer he gets the more attraction sizzles between them, the more confusing the case gets, and the more he realizes Capri is keeping secrets. Secrets that once revealed could kill them both.

Dragon Skies is the dark and magical history of northern Britain in the late sixth century. The series blends myth, legend, and history into a vibrant and powerful retelling of the events that led to the birth of Northumbria and the collapse of the Romano-British kingdoms that comprised Y Gogledd. One lonely man, fated by the gods to walk the battlefields and witness the events, will become legend. This is the history of Lailoken, known as Myrddin, the last dragon harper. In the collapse of Roman Britain, the North returned to the centuries old hatreds and tribal rivalries. Each generation of kings and tyrants fought over the bones of the land. No Arthur arose to unite the kingdoms and bring peace, though there was no lack of pretenders to his legacy. Beneath a Dragon Sky begins the journey through this troubled land. Bran the Blessed seeks to fulfill his dreams of restoring his people; but the fates have another design. In the midst of the North, Ceidio's kingdom along the old Roman wall is locked between powerful enemies and will find its greatest in its shadow when Peredur Steel Arm comes to claim his legacy. The dreams of a young man with a soul for music will be tested.

A team of archaeologists digging in present day Romania uncover a mass execution ground. They have unexpectedly also unearthed the executioner himself, Prince Vlad Dracula! The King of the Undead has been waiting for hundreds of years to resurrect himself in a bid for world domination. In the meantime he forces Doctors Peter Ralston, and Louise Johnston to transcribe his awesome memoirs. In this book, penned by his own dead hand, Dracula describes his monstrous birth, life and rise to power and finally the dark forces which caused him to become the world's most powerful vampire! He describes a world of evil rituals and necromancy that is beyond the rules and laws that govern mankind. He is an inhuman monster who lusts after only immortality and power! This is the Dracula that Bram Stoker shocked the world with! Once again, Dracula has risen from his grave to cast a shadow of evil over the world.

"A must read for all young adult fiction fans!" -5-Star reviewer "D.C. and Michael pack a wealth of wonder and fantasy into this young adult adventure. Incorporating some of the most fascinating legends...I found myself being drawn to the depth of the characters and enjoyed watching their bonds grow as they explored the gifts hidden deep within them as well as the evil that hunts for them. I recommend this story for anyone who loves folklore and monstrous fun! From vampires to dragons, from witches to eerie ferrymen, this tale has it all." Solomon J. Inkwell, Author of Vickie Van Helsing The attack on Hunter's Grove High School by a Greater demon and the bully Donnie Wickles delivered a crushing blow to Charlie Sullivan, his friends, their families, and their once quiet, peaceful community. Everyone soon discovers the demon terrorizing Hunter's Grove is only the beginning of their troubles. A trail of destructive, sinister activity—including the theft of a dangerous artifact, the release of a bloodthirsty Greater from captivity, and the threat of all six main portal cities coming under siege—stretches Charlie Sullivan and a broken and tired team of monster hunters across the globe. The first team lands in Japan, at the site of one of the most embarrassing events in the country's history—Rashomon, the Dragon Gate. There, Charlie Sullivan faces the King of Demons, his vengeful lieutenant, and an army of creatures rising from the worst of nightmares. What happens next triggers a series of global cataclysmic events that some will not survive. A new breed of monsters is released to level chaos against humanity as the master plan and purpose of evil in our world is revealed. Suffering loss, exhaustion, and being tested beyond the limits of human understanding, Charlie Sullivan and the Monster Hunters face their most dangerous task as they set out to quell an ancient darkness that has now been awakened. "I picked this book up for my oldest daughter. I thought she might enjoy it and asked her to let me know what she thought. She loved it! I ended up reading it with her and I have to say that I enjoyed the story as much, maybe more, than she did." -Amazon reviewer "The characters are real enough that I found myself cheering them on and hoping they succeed in their mission. I look forward to reading the next installment." Amazon reviewer From The Authors We began this journey together, as father and son, with the goal of writing a story that spoke to friendship, overcoming obstacles (and the ultimate evils in our world), and of the power of working together to face the biggest challenges in our lives. Yes, it's full of monsters, peril, and steeped in exciting mythology and folklore, but it centers around the powerful bonds formed between an unlikely group of friends as they face a unique set of challenges. We wanted to write a story that we would be proud to read aloud to our then newborn son/baby brother (who now, years later, has read them through twice more). It has turned into the adventure of a lifetime as we are meeting people from all over the world who are falling in love with Charlie Sullivan, Darcy Witherington, Nash Stormstepper, and the twins Lisa & Liev Vadinknov - along with a wild, often humorous, and mysterious cast of humans and monsters alike. Charlie Sullivan and the Monster Hunters: The Dragon Gate (Book 4) is the next adventure in the series, with Rise of the Ancients (Book 5) to be released soon, and a total of 6 books in the series! "In my opinion, this series deserves to be a huge hit ... I can guarantee you'll be hooked!"

The Voice of Spiritual Chronicles is an odyssey of spiritual quests and sagacity concerning the gospel of Jesus Christ expressed in poetic form, which to a greater extent alludes to the spiritual and material existence of life. The Voice of Spiritual Chronicles is characterized and influenced by biblical events and prophecies while actively enveloped by the word of God as the source of inspiration to finding the deepest relationship with God and self. The Voice of Spiritual Chronicles involves but not limited to characterizing the elements of love, trust, faith, and hope in God, and grandest of all things is the unbreakable, unbounded, and everlasting love of Jesus Christ, the King of kings and Lord of lords.

The volume investigates the visualization of both ritual and decorative aspects of auspiciousness and protection in the form of celestial characters in art and architecture. In doing so, it covers more than two and a half millennia and a broad geographical area, documenting a practice found in nearly every corner of the world. Its transcultural approach aims at gaining insights into cultural dynamics and consistent networks and defining new historical mindmaps; it examines reciprocal effects and aspects of interwovenness in art and architecture with a view to reconceptualizing their established realms. The collection opens a window on a phenomenon in the history of art and architecture that has never before been considered from this perspective. The book focuses on a transcultural iconography of aerial spirits, goddesses and gods in art history, pursuing a methodologically innovative approach in order to redefine and develop the practice of identification and classification of motifs as a means to understanding meaning, and attempting to challenge the categories defined by academic disciplines.

"My people are destroyed for lack of Knowledge" (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"(Ephesians 6:12). "Behold a White Horse" is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit." " Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen" (Romans 1:25) "This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free."
