Charlotte Pitt defends her own sister against a murder charge in Victorian England, in a novel “suffused with atmosphere, emotion, and suspense” (Booklist). As Inspector Thomas Pitt works to resolve the case of a dismembered woman, his womanizing brother-in-law, George March, Lord Ashworth, is poisoned with his morning coffee at the country estate of his cousins. The primary suspect? Charlotte’s sister, Emily, the murdered man’s wife and Pitt’s sister-in-law. Charlotte and Pitt take on the March clan with the help of Great-aunt Vespasia, their formidable relative and a member of the clan, to break through the wall of deceit and silence. When Sybilla March, George’s suspected paramour, is found strangled by her hair and Emily is the one who found her, the case would seem hopeless—for anyone but the indomitable Pitts. Their pursuit of the truth takes them down a path of corruption, depravity, and murder, from the elegant townhouses lining fashionable Cardington Crescent to the horrifying slums of London. The Solitude of Compassion, a collection of short stories never before available in English, won popular acclaim when it was originally published in France in 1932. It tells of small-town life in Provence, drawing on a whole village of fictional characters, often

warm and decent, at times immoral and coarse. Giono writes of a friendship forged in a battlefield trench in the midst of World War I; an old man's discovery of the song of the world; and, in the title story, the not-unrelated feelings of compassion and pity. In these twenty stories, Giono reveals his marvelous storytelling through his vivid images and lyrical prose, whether he is conveying the delicate scents of lavender and pine trees or the smells of damp earth and fresh blood.

The book relates the story in a dramatized form bringing the characters to life involved in a plot conceived and implemented by a group of religious fanatics, led not by Guy Fawkes, as everyone seems to believe, but by Robert Catesby, a charismatic but wild young man from a privileged background, the Bin Laden of his time.

Members of Parliament are murdered crossing Westminster Bridge, in the New York Times–bestselling series set in Victorian London: “A sterling performance” (Library Journal). In the few minutes it takes to cross Westminster Bridge, Sir Lockwood Hamilton has his throat slit and is tied securely to the lamppost with his evening scarf. The killer then vanishes without being seen. Inspector Thomas Pitt thinks the motive might have been personal . . . or political. When a second Member of Parliament is murdered in the same way, politics appear to be the reason. Soon the suspect list includes anarchists and suffragettes. Public outrage mounts and fear grips London and Parliament after a third lamppost murder. Deep in his end of the investigation, Pitt must rely on his wife, Charlotte, and Great-aunt Vespasia to explore the drawing rooms of

the upper class for clues to the mystery. With burning social issues swirling around them, the three of them must solve the case before another MP falls victim to the Westminster cutthroat.

Trying to make sense of the horrors of World War II, Death relates the story of Liesel--a young German girl whose book-stealing and story-telling talents help sustain her family and the Jewish man they are hiding, as well as their neighbors.

A royalist out to save Louis XVI from the guillotine is murdered in this mystery set in revolutionary France by a New York Times--bestselling master. Célie Laurent stands in the convention hall of the French Republic, watching the deputies vote one by one. Most of them have just one word to say: "Death." As the night wears on, the outcome of the vote moves beyond doubt, and Louis XVI is condemned to the guillotine. Célie will have just four days to save the king's life. As the Revolution reaches a fever pitch, Célie falls in with a group of royalists who are willing to do whatever it takes to keep France from killing its king. Their plan is daring, but just might work--until the group's leader is murdered in cold blood. Somewhere among the royalists lies a traitor, and Célie and her friends must find him soon, lest they lose their heads before Louis loses his. From the New York Times--bestselling author of the William Monk and Charlotte and Thomas Pitt series, acclaimed for her atmospheric historical settings, *The One Thing More* is a fascinating tale of suspense.

new novel which takes William Monk and his wife, Hester, from London to the Civil War battlefield of Manassas. "Slaves of Obsession" twists and turns like a powder-keg fuse as Monk and Hester track a man to be a cold-blooded murderer.

WAR? DEATH AND DESTRUCTION? VIOLENCE, HATRED, INEXPRESSIBLE GRIEF? PEOPLES PITTED AGAINST EACH OTHER, TO THE DEATH? WHY ON EARTH SHOULD I WANT TO READ ABOUT IT? THERE'S ENOUGH IN THE MEDIA EVERY DAY, SURELY? YES: BUT THIS IS DIFFERENT. The stories in this Anthology aim to give a vivid insight, through a fascinating mixture of history, reminiscence and fiction, into life during WWII: for those at the front, those left behind, the young at school, the old in the twilight of their years, parents, lovers, spouses, families, colleagues; Britons, Germans, Irish, Kenyans, French, eastern Europeans and Americans (plus the odd 'undesirable alien'). These pages see householders struggling to maintain a semblance of normality; young men reluctant to volunteer; soldiers determined to win; acts of generosity, acts of cowardice. In these pages, there is violence – impossible to avoid in an Anthology dedicated to the memory of war – but there is also humour and romance, suspense and emotion, heroism and daring. Even the paranormal puts in an appearance (as one might say). The action is set variously in France, Britain, Eire, Kenya, Russia, Poland ... You are guaranteed hours of stimulation,

From a New York Times–bestselling author, Charlotte and Thomas Pitt must solve the case of a young gentleman’s sordid murder—before an innocent man hangs. The naked body of an aristocratic youth turns up in the sewers beneath Bluegate Fields, one of London’s most notorious slums. But Arthur Waybourne had been drowned in his bath, not in the Thames. More shocking still was that the boy had been sexually violated and infected with syphilis before he was murdered. Despite Inspector Thomas Pitt’s efforts to fully investigate the crime, the family closes ranks, stonewalling Pitt, leaving him to wonder what they are hiding. All evidence points to Arthur’s tutor, Jerome, as the murderer. The courts agree and Jerome is sentenced to hang. Pitt and his wife, Charlotte, don’t believe the answer is so simple. But if not Jerome, then who molested and infected the boy? To learn the truth, Charlotte uses her familiarity with the upper classes to draw aside the curtain of lies, while Pitt defies his superior and the boy’s family to follow a trail that leads him into the foulest streets of London through a web of deceit involving male prostitution and pedophilia. In a race against time, Thomas and

During a rescue mission during World War I, Chaplain Joseph Reavley finds the body of an arrogant war correspondent, Eldon Prentice, who appears to have been killed by one of his own compatriots, and vows to learn the truth behind the man's death.

A story that subtly defines serious problems existing between ethnic groups, the good and the evil, justice and injustice and the unusual circumstances that ruin a man's life, a good man with values who on being made redundant is innocently drawn into the sordid world of crime. The story concerns Amit Somaya, a British Citizen, of Asian parents, married to Jaya. They have two children, Rayani, a boy aged 14, and Sarala, a girl aged 10. Amit, an expert marine engineer, is suddenly made Redundant and finds it very difficult to get another job because of his unique skills and racism in the work place. Amit beginning to get into financial trouble is approached by Johnny Landor, MD of The Rodnal Ocean Shipping Company, who offers him a job as engineer on a ship waiting to return from India to the UK. Johnny Landor sweetens the offer by saying it will also give him the opportunity to visit his and his wife's relatives before joining the ship. On joining the ship, Amit is given no opportunity to service the engine as the Captain informs him that they are to set sail on the next high tide. The ship is attacked by pirates who know the ship is carrying drugs. They kill the crew and hurl their bodies into the sea. Amit luckily escapes the carnage as the pirates don't bother to search the engine room thoroughly. Abandoned with all the crew missing and all the communication equipment wrecked, Amit has no way of signalling the passing ships.

An ancient scroll draws a bookseller into a chilling mystery. Monty Danforth finds the tin buried beneath a shipment of leather-bound classics. Inside is a millennia-old vellum manuscript written in an unfamiliar but unmistakably ancient language. Danforth tries to photocopy and photograph it, but he ends up with blank images, as though the ink were made of something impervious to modern technology. As the scroll's mystery enchants him, this hapless bookseller falls into a cutthroat conspiracy that he may never escape. Soon a dead-eyed old man and his granddaughter come calling for the scroll. Danforth refuses to sell them the manuscript, but they will not be the last to demand it. Powerful forces crave the secrets locked within this ancient document, and Danforth will survive only if he can master its power. The Bibliomysteries are a series of short tales about deadly books, by top mystery authors.

Almost twelve-year-old Siria, who chases firetrucks in the middle of the night to ensure her fire fighter dad's safety, learns about bravery one winter as she tries to mend a broken friendship.

family of German citizens during World War II. Included in the New York Times Book Review's Summer Reading Guide for Historical Fiction "There was no shelter without her sons." In 1945, as the war in Germany nears its violent end, the Huber family is not yet free of its dangers or its insidious demands. Etta, a mother from a small, rural town, has two sons serving their home country: her elder, Max, on the Eastern front, and her younger, Georg, at a school for Hitler Youth. When Max returns from the front, Etta quickly realizes that something is not right—he is thin, almost ghostly, and behaving very strangely. Etta strives to protect him from the Nazi rule, even as her husband, Josef, becomes more nationalistic and impervious to Max's condition. Meanwhile, miles away, her younger son Georg has taken his fate into his own hands, deserting his young class of battle-bound soldiers to set off on a long and perilous journey home. *The Vanishing Sky* is a World War II novel as seen through a German lens, a story of the irreparable damage of war on the home front, and one family's participation—involuntary, unseen, or direct—in a dangerous regime. Drawing inspiration from her own father's time in the Hitler Youth, L. Annette Binder has crafted a spellbinding novel about the choices we make for country and for family.

Return to the “exemplary Victorian company” of this London sleuthing couple with books four through six in the long-running New York Times–bestselling series (The New York Times). “For nearly four decades Anne Perry’s riveting detective novels have played out against the backdrop of the Victorian era” (The Washington Post). Now, in a single volume, readers can enjoy more of this “unfailingly rewarding” series (The New York Times Book Review). Resurrection Row: Lord Fitzroy-Hammond has been dead and buried three weeks when his corpse turns up sitting atop a hansom cab. It may be a macabre practical joke—or something far more sinister. Grave robbing isn’t Inspector Thomas Pitt’s usual fare, but the case grows increasingly bizarre as other disinterred bodies appear. And new mother Charlotte Pitt gets involved when her late sister’s husband becomes a suspect. Rutland Place: Charlotte’s mother asks her help finding a lost locket that contains a compromising picture—but neither of them expect the missing jewelry to lead to a murder case. When another resident of her mother’s exclusive neighborhood, known for her prying, is poisoned, Inspector Pitt steps in to discover what secrets the woman may have stumbled upon. Bluegate Fields: The naked body of an aristocratic youth turns up in the sewers beneath Bluegate Fields, one of London’s most notorious slums. But Arthur Waybourne was drowned in his bath, not in the Thames. The evidence seems to condemn his tutor, who is sentenced to hang. But

peels away the proper veneer of the elite world, exposing secrets and desires until suspicion becomes more frightening than truth. Outspoken Charlotte Ellison, struggling to remain within the confining boundaries of Victorian manners, has no trouble expressing herself to the irritating policeman. As their relationship shifts from antagonistic sparring to a romantic connection, the socially mismatched pair must solve the mystery before the hangman strikes again. Rich with authentic period details and blending suspenseful mystery with a budding romance between Inspector Pitt and Charlotte Ellison, *The Cater Street Hangman* launched the long-running series by Edgar Award–winning author Anne Perry, with recent titles including *The Angel Court Affair* and *Treachery at Lancaster Gate*. Also the creator of the *William Monk Novels*, Perry has become one of the great names in detective fiction. As the *Philadelphia Inquirer* says, “Pitt’s compassion and Charlotte’s cleverness make them compatible sleuths, as well as extremely congenial characters. . . . Perry has the gift of making [the Victorian era] seem immediate and very much alive.”
