Learn up-to-date best practices for determining breakpoints, accessibility, and preventing website bloat for better user experience no matter the user's connection speed. Finally, you'll apply the principles you learn to specific tutorials, such as building a photo gallery, map page, and products page. • Learn when to rely on themes and when it's best to use plugins. • Apply your responsive CSS to a WordPress theme. • Learn various navigation techniques, such as Jump to with • smooth scrolling or Select box. • Use popular responsive techniques, like picturefill.js, to make images respond to different screen resolutions and connection speeds. • Explore frameworks, including Bootstrap and Foundation. • Download dozens of code samples to help implement responsive design techniques, and test yourself with end-of-chapter quizzes.

WordPress è uno dei CMS (Content Management System) più diffusi e apprezzati al mondo e costituisce la spina dorsale di numerosi siti web, utilizzati da decine di milioni di persone ogni giorno. Trattandosi di un progetto open source, ogni riga di codice, ogni dettaglio della documentazione, ogni successivo sviluppo della piattaforma è costruito dalla sua community e per la sua community. Oltre a essere assolutamente gratuito, la sua flessibilità e stabilità lo rendono uno strumento accessibile e affidabile per lo sviluppo di soluzioni altamente professionali. Questo ebook accompagna il lettore oltre le funzionalità di base di WordPress, scava nel sistema e offre una descrizione approfondita di tutti gli aspetti di questo strumento. Seguendo i consigli dell'autore si imparerà a sfruttare al massimo la potenza di WordPress per creare qualsiasi tipo di applicazione web, ben al di là di un semplice blog.

The key to successful projects and products are the people behind them. Have you ever found yourself wondering how these thinkers and creators of the Web actually work, and how they tackle their projects? Where do they seek inspiration, and what are the lessons they have learned in the course of their careers? With the help of this eBook, we want to focus on the people behind the names for a change. After all, what could be more insightful than giving them a chance to share their stories? The authors of this eBook had the occasion to sit down with experienced influencers and successful designers for a row of interviews in which they provide first-hand insights into their very own workflows, habits and strategies. WordPress co-founders Matt Mullenweg and Mike Little are among them, JavaScript evangelist Doug Crockford, IDEO's Duane Bray, Meetup's vice president Andres Glusman, as well as many other creative minds from design, UX and startup branches. Their insights and stories are not only truly inspiring, but also contribute to giving this fast-moving, tech-driven Web industry a more familiar face.
