

Solid Mensuration Reviewer By Kern And Bland Uggau

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Includes section "Recent publications."

This work provides access to approximately 5,000 reviews of English-language mathematical books published in North America.

Included are works on mathematics, science, philosophy, and education appearing in the periodical literature from 1800 to 1940. It covers materials not reviewed in Book Review Index and Book Review Digest. It predates Mathematical Reviews, which first appeared in 1940. Books on all aspects of mathematics are included. There are subject, reviewer, and title indexes.

Fuels and combustion. Gas producers. Sulfur compounds. Metallurgy. Crystallization.
