Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel, where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. ~~Karen R. Amazon Review. "Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's book.... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. ADVICE: Do yourself a favor, and don't read these books out of order. I am glad that I went back and read these books in order." – Just Because, Amazon Reviewer INCLUDES: A Billionaire in Disguise -- Billionaires in Disguise: Wulf #1 A Tycoon Undercover --

Every year, Sleepers assembles a motley crew of new and established (but mostly new - mostly never heard of) writers for their critically acclaimed collection of short fiction (with occasional miscellany): The Sleepers Almanac. This year sees new stories from people the eds had previously not heard of, including the incredibly talented likes of Isabelle Li and Julie Koh. But there are names that might be familiar, too, to those who love short stories: Brad Bryant, Pierz Newton-John, or Sian Prior, perhaps better known for her journalism, but proving that she knows how to wrangle a story too. What makes the Almanac different is its breadth. The Almanac, which focuses on new and emerging authors, is the result of a slush-pile read, where writers from all over the country have been encouraged to send in stories up to 10,000 words long.

An inspirational story of love and the transforming power of music, *Stradivarius* is a novel that will engage and delight everyone who believes that wonderful things can happen to good people. On the Korean peninsula during the freezing winter of 1951, a wounded American soldier finds a rare violin in the wall of a farmhouse where he has taken refuge. This is the beautifully told story of how a centuries old *Stradivarius* came to be in that unlikely place and how it changed the life of all those who possessed it. For this great instrument carries a kind of magic and all who use it are wrapped in its spell. This is also the story of two families from different cultures and different parts of the world: one rural, Baptist, Southern; the other, sophisticated, European, Jewish. The link between them is an abiding love of great music, possession of the violin, and the boy genius from the mountains of West Virginia, Ailey Barkwood. The remarkable route by which the violin reaches Ailey's talented hands, the course of love between two special but very different young people, and how great music, real genius and moral choices can alter destiny are the ingredients that make Donald Ladew's tale a novel that can be read, reread and remembered.
