Over 1 million copies sold What every church will always need The need for talented, vigorous leaders in the church cannot be overemphasized. Such times demand active service of men and women who are guided by and devoted to Jesus Christ. With more than 1 million copies sold, *Spiritual Leadership* stands as a proven classic for developing such leadership. J. Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership Tests of leadership The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this classic be your guide for leadership, and watch how God works through you to do great things for His glory.

A renowned Christian leader shares practical principles for knowing God's will for your life and for enjoying His continual guidance. Sanders says that the ultimate answer to the quest of knowing God's will is to know God himself. Out of such intimacy comes the ability to discern the will of God in a given situation. A source of wise counsel for anyone who wants to know what God's will is for their lives.

Complete with study questions at the end of the text, *Spiritual Maturity* is a fascinating treatise on spiritual discernment and the character of God.

In the Father's Hands is a selection of thought-provoking devotions that guides readers to greater intimacy with the Creator of the universe. The writings of J. Oswald Sanders (1902–1992)—a long-time student of God's Word, international preacher, and dedicated missionary—continue to challenge Christians to live as disciples, always learning and ever growing in faith and godliness. These practical discipleship messages on topics such as heaven, prayer, evangelism, loneliness, and temptation will inspire heart, mind, and soul.

J. Oswald Sanders probes Scripture to elicit principles and factors that inspired the dynamic spiritual leadership of Paul and the other apostles in the halcyon days of the church. Paul's letters reveal a frail, fallible man--one who fell and rose again--someone who can speak to our need. Because spiritual principles are timeless, we can learn to apply them to our own situations.

Wilkes explores Jesus' principles of leadership and applies them to church, home, and workplace situations.

As J Oswald points out, true discipleship is more than intellectual assent to a belief in Christ--it involves the whole person and lifestyle. Those with only superficial belief will soon fall away from the faith, but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option. Disciples are charged with the task of training themselves to be godly, because it is their responsibility to remain spiritually fit. Ever-fresh topics in this time-tested volume include: the disciple's second chance the disciple's ambition the disciple's senior partner the disciple's Olympics the disciple's right the disciple's maturity Sanders combs the Scripture to learn about the Christian's final home: 'So incredibly glorious is heaven that we are compelled to express it in...symbols of grandeur and majesty.'

How should we see the Spirit at work in spiritual leaders today? How did the Spirit work through spiritual leaders in the Bible? While many books on spiritual leadership look at the culture around us and offer sound advice from biblical principles, this study asks Scripture first what the Spirit did through spiritual leaders in the Bible in order to figure out what the Spirit should be doing through spiritual leaders today.
