

## Star Trek 2011 2016 Vol 1

The countdown to the motion picture event begins here, in this blockbuster 4-issue prequel mini-series that sets the stage for the upcoming STAR TREK film! Like the best-selling STAR TREK: COUNTDOWN in 2009, this all-new series leads directly into the next movie, with a story by STAR TREK writer/producer Roberto Orci and Mike Johnson (STAR TREK ongoing series), and drawn by the original STAR TREK: COUNTDOWN artist, David Messina! STAR TREK: COUNTDOWN TO DARKNESS is the can't-miss lead-in to the new adventures of the Enterprise crew!

These are the classic comics adventures of Kirk, Spock and the crew of the U.S.S. Enterprise, now collected in graphic novel format with exclusive new background material! Captain Kirk's actions in Star Trek III: The Search for Spock have left him with a vast price on his head... and urbane, deadly bounty hunter Sweeney aims to collect! But even if the Captain escapes Sweeney's clutches, his problems are just beginning... Written by Star Trek novelist Peter David (Fallen Angel), The Trial of James T Kirk features never-before-collected issues and ultra-rare interviews with Nichelle Nichols (Uhura) and Walter Koenig (Chekov)!

Follows the adventures of the Starship Enterprise as it embarks on new missions and faces a series of challenging threats in an alternate timeline.

In celebration of one of science fiction's most beloved franchises, an updated edition of the acclaimed Ships of the Line hardcover collection. They dared to risk it all in a skiff of reeds or leather, on a ship of wood or steel, knowing the only thing between them and certain death was their ship. To explore, to seek out what lay beyond the close and comfortable, every explorer had to embrace danger. And as they did so, what arose was a mystical bond, a passion for the ships that carried them. From the very first time humans dared to warp the fabric of space, escaping from the ashes of the third World War, they also created ships. These vessels have become the icons of mankind's desire to rise above the everyday, to seek out and make the unknown known. And these ships that travel the stellar seas have stirred the same passions as the ones that floated in the oceans. While every captain has wished that their starship could be outfitted in the same manner as the sailing ship H.M.S. Beagle—without weapons—that proved untenable. From the start, Starfleet realized that each vessel, due to the limited range of the early warp engines, must be able to stand alone against any attack. Thus arose the idea, taken from the days of wooden sailing ships, that every Starfleet vessel must stand as a ship of the line. Through the actions of their captains and crews, countless starships have taken on that role. Here we remember some of those ships and their heroic crews. In celebration of one of science fiction's most beloved franchises, this updated edition of the acclaimed Ships of the Line hardcover collection now includes dozens of additional images brought together for the first time in book format—spectacular renderings featured in the highly successful Star Trek: Ships of the Line calendar series. With text by Star Trek's own Michael Okuda, the story of each of these valiant starships now comes to life. ™, ®, & © 2014 CBS Studios, Inc. STAR TREK and related marks are trademarks of CBS Studios, Inc. All Rights Reserved.

Fascinating compilation of previously unseen and fully restored stills from The Original Series, showing William Shatner, Leonard Nimoy and other cast crew filming the iconic show. Think you know everything about the Original Series? Think again. Star Trek: The Lost Scenes is packed with hundreds of never-before-seen color photos of the world's ultimate sci-fi series. Professionally restored images are used to chronicle the making of the series, reassemble deleted scenes, and showcase bloopers from the first pilot through the last episode. Whether you're a new Star Trek fan or a seasoned veteran, this book is a must-have.

In an era of reboots, restarts and retreads, J.J. Abrams' Star Trek trilogy—featuring new, prequel adventures of Kirk, Spock and the rest of the original series characters, aboard the USS Enterprise—has brought the franchise to a new generation and perfected a process that is increasingly central to entertainment media: reinvigorating the beloved classic. This collection of new essays offers the first in-depth analysis of the new trilogy and the vision of the next generation of Star Trek film-makers. Issues of gender, race, politics, economics, technology and morality—always key themes of the franchise—are explored in the 21st century context of “The Kelvin Timeline.”

Serving as the sequel to Gene Roddenberry's original television series, Star Trek: The Next Generation pushed the boundaries of the “final frontier.” At the same time, the show continued the franchise's celebrated exploration of the human experience, reflecting current social and political events. ST:TNG became immensely successful, spawning four feature films and several television spin-offs. This collection of new essays explores both the series' characters and its themes. Topics include the Federation's philosophy concerning technocracy, sexuality and biopolitics; foreign policy shifts in the Prime Directive; key characters including Jean-Luc Picard, Data, Deanna Troi, Tasha Yar; and Klingon martial arts, music, and history.

In 1995, Star Trek: Voyager brought a new dynamic to Star Trek's familiar, starship oriented, show. Lost 70,000 light-years in space, Voyager and its crew faced an uncertain and changeable future, echoing anxieties felt in the United States at the time. These fifteen essays explore the context, characters, and themes of Star Trek: Voyager, as they relate to the culture and zeitgeist of the 1990s. Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway, Kes and Seven of Nine, while essays on identity examine the show's intersections with disability studies, race and multiracial identities, family dynamics, and emerging AI and humanity. Using the epic journey of Homer's Odyssey as a starting point for the series, and ending with an examination of the impacts of inception at the birth of the internet age, this book shows the many ways in which Voyager negotiated different perspectives for what the future of the galaxy and the USA could be.

Following his reluctant retirement, Captain James Kirk is offered an irresistible adventure by a mysterious young woman that will force Kirk to confront the fragile peace between the Federation and the Klingons

This is the first book to combine an authoritative history of the Star Trek franchise—including all six television series and eleven feature films—with anecdotes about the show from those who helped shape it from the outside in: the fans. Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry's initial plans for a series combining science-fiction and Western elements, the premiere of the original series in 1966, its cancellation, the franchise's return in an animated series, and its subsequent history on television and film, up to expectations for the 2013 J.J. Abrams film. Along the way, Greenberger analyzes Star Trek's unique cultural impact and tremendous cult following, including the famous (and first ever) save-the-show mail campaign. But this isn't a sugarcoated history; this book chronicles the missteps as well as the achievements of Roddenberry and others behind the franchise.

Approximately two dozen sidebars provide personal experiences of dedicated Trekkies who influenced or became a part of the franchise. Star Trek fandom is unparalleled in the effects it has had on the franchise itself. The book is illustrated with a large collection of photographs of memorabilia, many of which have never been seen before in print.

An all-new novel based upon the explosive Star Trek TV series! No one in the history of histories has lost more than Philippa Georgiou, ruler of the Terran Empire. Forced to take refuge in the Federation's universe, she bides her time until Section 31, a rogue spy force within Starfleet, offers her a chance to work as their agent. She has no intention of serving under anyone else, of course; her only interest is escape. But when a young Trill, Emony Dax, discovers a powerful interstellar menace, Georgiou recognizes it as a superweapon that escaped her grasp in her own universe. Escorted by a team sent by an untrusting Federation to watch over her, the emperor journeys to a region forbidden to travelers. But will what she finds there end the threat—or give "Agent Georgiou" the means to create her old empire anew?

Years before they served together on board the U.S.S. Enterprise™, Commander William Riker and ship's counselor Deanna Troi had a tempestuous love affair on her home planet of Betazed. Now, their passions have cooled and they serve together as friends. Yet the memories of that time linger and Riker and Troi remain Imzadi- a powerful Betazoid term that describes the enduring bond they still share. During delicate negotiations with an aggressive race called the Sindareen Deanna Troi mysteriously falls ill and dies. But her death is only the beginning of the adventure for Commander Riker, an adventure that will take him across time, pit him against one of his closest friends, and force him to choose between Starfleet's strictest rule and the one he calls Imzadi.

The crew of the new Star Trek film franchise encounters the classic villain Q for the first time in this galaxy-spanning adventure developed in association with screenwriter/producer Roberto Orci! The mischievous Q sends James T. Kirk on a quest that will see the Enterprise joining forces with familiar faces from Star Trek lore. Collects issues #35-40.

A new Starfleet Academy series for teens--filled with romance and adventure! In *The Competitive Edge*, Kirk finds out how much of a toll the intense training classes and grueling schedule of academy life is taking on all the cadets, including himself. But some recruits seem better equipped to handle the challenges. Is there something that is giving them an edge? Kirk is determined to find out, especially since one of the cadets with a little something extra is his new girlfriend. From Star Trek 2009 feature film writer/producers Roberto Orci and Alex Kurtzman, and artist David Messina, comes an all-new story set within the events of the hit film! Not an adaptation, this exclusive story follows the villainous Nero as he seeks to destroy the Federation.

Two iconic franchises collide for this blockbuster crossover event! The crew of the U.S.S. Enterprise meets the Green Lantern Corps for the first time in an all-new adventure that spans the cosmos! Kirk and Spock make a most unusual discovery on a lost world ... igniting events that will change the fate of empires!

Features a collection of the popular comics featuring the original Starship Enterprise.

From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." —George R. R. Martin *The Expanse* *Leviathan* *Wakes* *Caliban's War* *Abaddon's Gate* *Cibola Burn* *Nemesis* *Games* *Babylon's Ashes* *Persepolis* *Rising* *Tiamat's Wrath* *Leviathan Falls* *Memory's Legion* *The Expanse* *Short Fiction* *Drive* *The Butcher of Anderson Station* *Gods of Risk* *The Churn* *The Vital Abyss* *Strange Dogs* *Auberon* *Memory's Legion*

The countdown to the Star Trek movie sequel continues here! In "The Redshirt's Tale," experience life on the Enterprise through a redshirt's eyes! Also, find out how Scotty and his alien sidekick Keenser first meet. Plus, an all-new re-imagining of the classic "Mirror Universe" story! Collects Star Trek #13-16.

Space. The final frontier. This is the voyage of the Starship Enterprise. Her five-year mission to explore strange new worlds? It continues here, with the launch of "Year Four" in the Original Series' five-year mission.

The Enterprise has been sent to request aid from the Gorn during a time of severe internal dissent within the Gorn populace, making their quest that much more difficult, as not all of the Gorn have fond memories of the Federation.

All-new series following the adventures of Captain Kirk and the iconic crew! New worlds! New species! New ships! And a new danger unlike anything the Federation has encountered before! Boldly go into a new era of STAR TREK!

Celebrate the 55th anniversary of Star Trek: The Original Series with this epic coffee-table book! New interviews, archival conversations, never-before-seen art and sketches, and more! Gene Roddenberry's "Wagon Train to the Stars" continues to live long and prosper, with *Discovery*, *Lower Decks*, and *Picard* currently on the air, and *Strange New Worlds* on the way. But it all began 55 years ago with Star Trek: The Original Series. The second installment in Hero Collector's Celebration line (following Star Trek: Voyager – A Celebration), Star Trek: The Original Series – A Celebration includes more than a dozen new interviews with cast and creatives, scores of never-before-seen

photographs and sketches, as well as chapters taking fresh looks at the show's creation, directing, visual effects, props, and most-pivotal episodes.

In the sinister Mirror Universe, Captain Jean-Luc Picard is determined to get his hands on the Terran Empire's new secret weapon, the Galaxy-class warship known as Enterprise, by any means necessary. Unfortunately, one obstacle stands in his way--and his name is William T. Riker!

In the distant future the entire galaxy has been completely assimilated by Borg and it's kingŠ—\_ Locutus! The only hope for the future lies in the past, in the hands of Captain Jean-Luc Picard and the crew of the Starship EnterpriseŠ—”as Picard faces off against the Borg collective in one final, terrifying, and definitive encounter!

In The World of Star Trek, David Gerrold opens up dialogue on the people, places, and events that made Star Trek one of the most popular series ever. Gerrold discusses what was successful and what wasn't, offering personal interviews with the series' legendary stars and dissecting the trends that developed throughout the seasons. The complete inside story of what happened behind the scenes of the Star Trek universe, from scriptwriters' memos to special effects and more, The World of Star Trek is the companion all Trekkies need for the most all-encompassing breakdown and analysis of Star Trek.

Star Trek Vol. 5 IDW Publishing

Find out how Doctor Leonard "Bones" McCoy found himself on a shuttle to Starfleet Academy with James T. Kirk! Learn new secrets about Uhura's past and witness her first meeting with Spock! IDW Publishing and DC Comics are proud to present the greatest tale of the 23rd century! Or is that the 31st century? The crew of the Starship: Enterprise and the Legion of Super-Heroes come face to face as they deal with a changed history and timeline that neither knows the cause of. Traveling to the past and the future to find answers both teams must work together to set things right.

The adventures of the Starship Enterprise continue in this new ongoing series that picks up where the blockbuster 2009 film left off! Featuring the new cast of the film, these missions re-imagine the stories from the original series in the alternate timeline created by the film, along with new threats and characters never seen before! With creative collaboration from STAR TREK writer/producer Roberto Orci, this new series begins the countdown to the much-anticipated movie sequel premiering in 2012. Join Kirk, Spock and the crew as they boldly go into a new future!

When a strange inactive vessel causes an anomaly in Federation territory, Agents Lucsly and Dulmur examine the history of James T. Kirk's Enterprise and its many encounters with time travel in an attempt to discover the origin of the ship.

Follow the adventures of the crew of the U.S.S. Enterprise in the timeline based on the new movies as they continue their five-year mission of discovery into uncharted space. In "Deity" the crew arrives at the previously unexplored planet Banks-216, sending an away team that becomes exposed when a massive alien ship arrives in orbit. Then, Captain Kirk and the crew are about to encounter their strangest discovery yet... themselves, in the Mirror-Mirror storyline "Live Evil." Plus, the ship faces off with a renegade faction of Orions intent on disrupting the truce between their species and the Federation in "Reunion." In "Legacy of Spock" the elder Spock joins the last survivors of Vulcan to search the galaxy for a new home. And in "Connection" the crew come into contact with a ship that looks eerily familiar. Collects the final 13 issues, #48-60, of the first Star Trek ongoing series from IDW.
