But a few obstacles in their way, including the biggest one, a ruthless crime lord named Haskell Blizzard. But the Kell brothers have faced long odds before, and come out on top every single time. When the chips are down, the smart money is always on the brothers Kell. **A Tiny Bit of Rebellion:** Galatea's capital city, Galaport, is threatened by a new enemy: Bishop Arlington Poore, a religious zealot who wants to bring the entire planet under his repressive theocracy—and is willing to starve millions to do it. The Kell Hounds now have their first job: put down this uprising, and fast. In a scathing critique of American foreign policy, the author argues that the U.S. is a militaristic nation that has adopted a long-standing policy of Imperialism while its population remains deluded about these realities.

THE GAUNTLET IS THROWN... Hanse Davion and Melissa Steiner have united two Great Houses of the Inner Sphere in a marriage that upsets the balance of power among the stars. Though some hope this may bring an end to centuries of war, Maximilian Liao of the Capellan Confederation has enlisted the aid of two highly placed Davion traitors to destroy Hanse Davion and the Federated Suns from both within and without. But in the distant star chambers of the Capellan March and Draconis Combine, the warlords of Maximilian Liao are honoring a different and more deadly vow: to wage an unholy war that threatens to rip apart the vulnerable worlds of the Federated Suns. As Davion 'Mech commander Andrew Redburn and his mercenaries streak into battle, an explosive clash of metal and men signals the return of a formidable foe. Interstellar legend Yorinaga Kurita has returned to stake his claim as the most bloodthirsty warrior of all. For both men, it is do-or-die combat that could ensure the triumph of a glorious new alliance—or result in total annihilation...

DANGER FROM AN UNLIKELY SOURCE... MechWarrior brothers Morgan and Patrick Kell have successfully faced their first challenge in forming their new mercenary unit The Kell Hounds, toppling a criminal kingpin from atop his illegal empire on Galatea. But while enjoying their recent success, the brothers Kell, along with the capital city of Galaport, come under threat by a new enemy—Bishop Arlington Poore, a religious zealot who wants to bring the entire planet under his repressive theocracy—and is willing to starve millions to do it. Soon enough, the newly-formed Kell Hounds have their first job—put down this uprising as quickly as possible. But when a madman has converted thousands of civilians to his side, how will Morgan and Patrick quash his misguided crusade without shedding innocent blood?
