A beautiful and practical step-by-step guide to growing and gathering plants and using them to fill your life and home with natural homemade creations. Crafting with Nature offers an incredible collection of easy projects using natural materials you can gather or grow and form into beautiful and useful crafts. Readers will love making and using items like the DIY Solid Lavender Perfume, or sewing beautiful Rustic Wooden Buttons they made from gathered branches onto a favorite sweater, or decorating their homes with a Lambs Ear Flower Stalk Wreath with lambs ear they grew in the garden. The book also includes gift ideas and recipes such as Amy's Red, White and Blue Jam using home-grown blackberries and Ginger Pickled Tomatoes with fresh-picked tomatoes from the garden. Each chapter focuses on a different common plant, starting out with a beginner-friendly guide for how to gather or grow it (most are commonly found in home gardens), then ideas and projects for what readers can make with it. The

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Here are some truly fun and convenient kids' activities with the emphasis on saving money by focusing on easy creative kids activities at home. And since they are mostly 'natural' you'll be using the free resources provided abundantly by Nature (and your pantry). I have a unique interest and expertise in finding fun kids activities at home. For most grandfathers having grand children means a time of just enjoying the occasional visit. Not the case when I became a full time live-in grandfather to my newborn granddaughter. In the end, at my own house, I spent more quality time with her than even most Dads do in a lifetime. This meant remembering, and finding, new and fun activities to share. This time sharing activities from the day after she was born to a schoolgirl nudging teenager years, became one of the best times of my life. And the activities we shared helped to make it so.
